

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

### Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

**OFFICERS**  
**OF**  
**THE ROYAL MARINE FORCES.**

the 1990s, the number of people in the UK who are employed in the public sector has increased by 1.5 million, from 2.5 million in 1980 to 4 million in 1995 (Department of Health 1996).

There is a growing emphasis on the need to improve the efficiency of the public sector, and to ensure that the public sector is able to deliver the services that are required by the public. This has led to a number of initiatives, including the introduction of competition, the restructuring of public services, and the introduction of new management practices.

One of the main reasons for the need to improve the efficiency of the public sector is the increasing pressure on public resources. The public sector is now responsible for a much larger proportion of the total population, and this has led to a significant increase in the demand for public services.

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force:

REGULATIONS RESPECTING FOREIGN ORDERS.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs

shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission, may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her

Majesty's licence and permission does not authorise the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realms.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

### REGULATIONS RESPECTING FOREIGN MEDALS.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British subjects in the Army or in the Navy, for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs, for Her Majesty's sanction; upon obtaining

which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

(Signed) CLARENDON.

CIRCULAR, No. 121.

Admiralty, June 14th, 1878.

### REGULATIONS FOR THE ENTRY OF BOYS AND MEN INTO THE NAVY—PAY—LEAVE—GRATUITIES—PENSIONS, &c., AND THE PAY OF WARRANT OFFICERS.]

My Lords Commissioners of the Admiralty have had under their consideration the question of the entry of men for the Royal Navy, together with a report from a committee of civil officers appointed to enquire into the subject.

These Lordsships are of opinion that it is highly important to give the Royal Navy a more permanent organization, both as a means of increasing its efficiency and discipline, and of substantially promoting the welfare and comfort of the petty officers and seamen of the fleet.

My Lords are desirous that the change in the existing system should be accomplished wholly by voluntary means. Seamen are therefore to be permitted, as at present, to enter for the customary period of service, and for particular ships; but by the future entry of boys for longer terms of continuous and permanent service, and by holding out the inducement of increased pay and other advantages, to men who volunteer to serve under the new system, their Lordships contemplate that a gradual and beneficial change will be introduced in the present mode of recruiting Her Majesty's Ships.

With this view they are pleased to direct that the following measures be carried into effect.

#### BOYS.

All boys under the age of 18, who hereafter enter the Navy, are to be required to enter into an engagement, according to the form No. 93, to serve Her Majesty for a period of ten years continuous and general service from the age of 18, in addition to whatever periods may be necessary till they attain that age. If above the age of 18 when entered, they are to be required to engage for 10 years continuous and general service, from the date of first entry.

No boy is under any circumstance to be entered under the age of 14, or below the following standard of height.

Age between	Stature.
ft. in.	ft. in.
14 & 18 not less than	4 ½
15 & 16	4 10
16 & 17	5 0
17 & 18	5 2
After 18	5 4

Weight, though dispensed with as a qualification, is to be ascertained, for information, in the reports of survey.

All officers entrusted with the important duty of entering boys, are strictly enjoined to use the greatest care and circumspection in ascertaining that they are in all respects fit for Her Majesty's Service, before they are entered. Previous to such entry being confirmed, a survey is to be held on them by two Captains, or Commanders, or one of each rank, and two Medical Officers; who are to certify, according to the form No. 95, to the boys being of perfectly sound and healthy constitutions, free from any physical malformation, or other defect, and to their being in all respects fit for the service.

A similar course of proceeding, as far as circumstances admit, is to be followed in the case of boys entered on foreign stations.

*First.*—The sum of 40s. which is now required as an outfit for boys on their first entry, is, for the future, to be dispensed with.

*Employment as servants.*—All boys of the 2nd class, including boys from the school ships and from the Greenwich Hospital, may be employed as servants, when required, according to the usage of the service; but all officers in command

are to take care that the employment of boys in this capacity does not, on any account interfere with their systematic schooling, instruction in gunnery, exercise aloft, and other branches of a seaman's duty; or in such trades of which they may possess a knowledge.

*Promotion to 1st class.*—If a boy should be more than ordinarily active and well-conducted, he may, at the discretion of his Captain, be promoted to the first class at the age of 16, provided he shall have been at least one year at sea.

*Entry of 1st class Boys.*—Although it is desirable that all boys who are entered in the 1st class should have been at sea, or accustomed to boats, such qualification is not to be considered indispensable, in the case of promising lads who are found to be in all other respects fit for Her Majesty's Service. The existing regulation for the instruction and training of the 1st class boys, to qualify them for seamen, is to be strictly enforced.

*Promotion.*—Boys who produce proof of having been at least two years at sea, may, in special cases of good conduct and ability, be rated 2nd Class Ordinary, or Ordinary Seaman, according to their qualifications, after the age of 18. No person is to be retained in the rating of boy after the age of 20.

*Discharge by purchase.*—All boys of good character and conduct, whether entered for continuous service or otherwise, may be permitted to purchase their discharge, according to the following scale: the amount being graduated according to their length of service, and the consequent expense that has been incurred on their education and training.

Under 8 years service	£8
After 8 and under 5 years	10
After 5 years service	12

*Discharge of unsuitable boys.*—When a ship is inspected, or paid off, the Captain or Commanding officer, is to report the names of such boys as he may consider, from inferior stature, want of physical strength, or other valid cause, to be unfit to be retained in the service, in order that, after a special survey, they may be discharged.

*Advantages of continuous service.*—All the advantages granted for continuous and general service, as hereafter shown, are to be fully explained to the boys now serving, the option being left to them of accepting such advantages, or otherwise.

*Increase of pay.*—Boys who have entered for continuous and general service, are, when advanced to any of the under-mentioned ratings, to be allowed the following rates of pay, in addition to the present pay of the Royal Navy.

	Per calendar month		Per annum.	
	s. d.	£. s. d.	s. d.	£. s. d.
Staff Class Ordinary seamen	5 7	1 10 5		
Ordinary seamen	5 2	3 0 10		
Petty officers leading and able seamen	7 8	4 11 8		

They will also be eligible to be granted pensions after shorter terms of service than at present, as hereinafter specified.

#### SEAMEN.

The above additional rates of pay are also to be allowed to all the petty officers, and seamen, as shown in the table of pay under the following conditions:—

1. To all men who volunteer for ten years continuous and general service.

2. To men who may hereafter enter the Navy for the first time for the usual period for which a ship is commissioned, and who afterwards volunteer, at any time before the ship in which they are serving is paid off, for such further periods as may be necessary to complete ten years continuous and general service from the date of their first entry. The increased rates of pay to commence from the date of their so volunteering.

3. To men who have already served in the Navy, or who are now serving, as volunteers for not less than seven years further continuous and general service.

4. To men who have already served 10 years and upwards, from the age of 18, provided they volunteer either for seven years further service, or for such periods as may be necessary to make up 20 years service from the age of 18; provided in the latter case, each period of continuous and general service to be completed be not less than five years.

5. To men, who have already served 16 years and upwards in the Navy, from the age of 20, and who volunteer to complete, by general service, such periods as may be necessary to make up 20 years from the age of 30.

6. Men who have once completed an engagement under any one of the foregoing conditions, will be entitled to the higher rates of pay by re-entry for the periods of service shown in the table in the appendix. It is to be understood, in every case, that the additional rates of pay are only to be given for continuous and general service, and that persons after 20 years total service from the age of 18, will be awarded only to men who have served under any of the foregoing conditions.

All men who engage for continuous and general service are to sign an agreement to that effect, according to the form No. 30. They are to be distinguished on the ship's books by the letters C. S. (continuous service) being placed in Red Ink, immediately under their ratings, and the date of entry for continuous service is to be entered in the column for that purpose in the Ship's Books.

**Servants, musicians, bandmen, butchers, barbers, millers, and sick berth attendants, and others,** as stated in the table of pay in the appendix, are to be entered as at present, and are not to be considered as forming a part of the permanent Navy. No Pensioners are to be entered for continuous service.

**Allotments.**—The allotments of seamen who enter for continuous and general service, will remain in force during the period of their engagement, unless cancelled by themselves under existing regulations. All seamen joining Ships are now to be allowed to make allotments, on the day of entry.

**Exchange of Seamen.**—In carrying out the arrangements of the Naval Service under the new system of continuous service, the Commanders-in-Chief at home and abroad will afford facilities for an exchange of seamen of different stations whenever the public service will admit, but in all cases the sanction of Captains in command must be obtained; and such exchange will be permitted only to men of good character.

**Extension of term of service.**—The term of service for which a seaman shall hereafter enter may, as at present, be temporarily extended, in the event of any emergency, or necessity, which, in the opinion of the Lords of the Admiralty, or a Commander-in-Chief at a foreign station, may render such temporary extension requisite; and any man so detained beyond the term of his agreement, is to be entitled to 5d. a-day, in addition to the pay of the rating which he may hold.

**Period of service and leave.**—It is to be generally understood, that when the public service will admit, the customary period of service abroad will not be exceeded; and that six weeks leave of absence will usually be granted on the return of ships to England, and further leave during each year, whenever the service will permit. When ships are put out of commission, or paid off, the continuous service men are to be entered as disposable supernumeraries on the books of the Flag Ship at the port; unless, prior to going on leave, they have been entered on the books of a man going to other ship or part of complement.

**In hospital at home.**—Petty officers, seamen, and boys, entered for continuous service, who may be sent to hospital or sick quarters at home, will not be checked as formerly for time and pay at 10s. and 10d. a-day, but will continue to have both; but after the expiration of 40 days, petty officers and able seamen will be subject to a deduction of 10d. per day from their pay. Ordinary seamen and 2nd class ordinary seamen, 8d. a-day, and boys 4d. per day, to be charged against them on the Ship's books; and men in hospital, when a ship sails for Foreign Service, are to be discharged to the Flag Ship's books.

**Landings-men.**—As an inducement to seamen to render themselves available in all branches of their duty; any Lords are pleased to direct that a higher class of able-seamen be established, under the denomination of "landings-men," and with an additional pay of 2d. a-day each. To consist of men who are thorough helms-men, and boat-men, able to assist in repairs, sails, and to bear practical rigging, capable of doing duty as such in any part of a ship; to undergo no examination for the rating, conducted by the Commander, Senior Lieutenant, Master, and Boatmen; to wear a badge of distinction, (according to pattern) to be exempt from corporal punishment, except by sentence of a court martial, or for

mutiny; to be reduced for the commission of any grave offence in the same manner as petty officers; and to be deprived of any good conduct badge they may possess. The number of landings-men in each ship to be according to the scheme of complement attached hereto. The increased pay of 2d. a-day is to be allowed without reference to a man entering for continuous service. Senior-gunners of both classes, if duly qualified as landing seamen, are to receive the above 2d. a-day, in addition to their pay as senior-gunners.

**Shipwrights.**—A new rating of "shipwrights" is to be established. One-third of the carpenter's crew is to be composed of this class. Shipwrights are to be granted 2d. a-day each in addition to the pay of the carpenter's crew, and tool money as at present, irrespective of their term of service. Their qualification is to be ascertained by examination, previous to their being so rated; if at a home port, the examination is to take place at the dockyard; by such competent officers as may be selected by the superintendent; if on a foreign station, by three carpenters, when practicable.

**Landmen.**—The pay and duties of 2nd class ordinary seamen and landmen being identical, the latter rating is to be abolished.

**Good-conduct badges.**—Time served as 2nd class ordinary seamen in, respectively, to count as time served as ordinary seamen, for the good conduct badge and pay.

**Men absent without leave or imprisonment.**—Men and boys who have absented themselves without leave, or who have wilfully absented their leave more than six days, are to lose their pay; but the allotment is not to be stopped during the period of their absence; and men or boys sent to gaol by the sentence of a civil magistrate for any offence committed within the United Kingdom or British Colonies, are likewise to be mulcted of their pay, during the period of their confinement; the amount of pay forfeited is to be charged against them on the Ship's Books by the Captain; unless under special circumstances, to be represented by the Captain, the Lords Commissioners of the Admiralty, or the Commander-in-Chief at a foreign station, should think proper otherwise to direct. In all cases of mulct of pay, the circumstances are to be duly entered in the ship's log, and in the quarterly return of punishments. This regulation is not to interfere with the directions contained in the Queen's Regulations, Art. 3, page 103, relating to men absent without leave when a Ship is about to proceed to sea.

**Consequence of seamen to their homes when paid off.**—On ships being put out of commission, every facility is to be given, consistently with the convenience of the service for conveying the men paid off to each of the ports, frequented by Her Majesty's ships, as may be nearest to their places of residence.

**Commander's servant.**—Commanders, under Captains in rated ships, are to be allowed a servant; to be borne and paid on a second class ordinary seaman.

**Seamen-gunners.**—My Lords are of opinion that the system under which seamen-gunners are now entered requires modification, with a view both to its increased efficiency and extension. They are therefore pleased to direct, that men who may hereafter enter as seamen-gunners, be divided into two classes. 1st. as men are to be entitled to an additional pay of 2d. a-day; and the 2nd class to no additional pay of 1d. a-day each; the pay in question to be granted according to their qualifications and irrespective of length of service. The 1st class to be eligible to be promoted to the situation of gunner's mates and gunners; the 2nd class should be held qualified to perform the duty of captain of guns.

The existing regulations relating to seamen-gunners who have already been entered for five years are to remain in force, except as regards men who volunteer for continuous service, and who may be deemed eligible for either of the above classes.

In entering men hereafter for the "Excellent" preference is to be given to those who volunteer for continuous and general service.

#### PETTY OFFICERS.

My Lords consider that it would improve the discipline of Her Majesty's ships, and be in other respects advantageous to the service to establish a class of petty officers; and they therefore direct that the following be established accordingly:

**Chief Petty Officers.**—Master-at-arms.

Chief gunner's mate.

Chief boatswain's mate.

Admiral's steward.

Chief captain of fire-works.

Chief quartermaster.

Chief carpenter's mate.

Seamen's schoolmaster.

Ship's steward.

Ship's cook.

Chief Petty Officers will be allowed the rates of pay stated at page 212.

Petty officers who enter for continuous service are to carry their denominations as chief, first, or second class petty officers from ship to ship; it being left open to the captain of the ships which they may join to assign the specific rating best suited to the character and abilities of the individuals.

**Examination for the rating of petty officers.**—Seamen, before being promoted to the rating of petty officer, are to be examined by the following officers: the commander or senior lieutenant, master, gunnery lieutenant, and the warrant officer of the class required. In rating petty officers, a preference is to be given to men who have entered for continuous service.

The above officers are to sign the ticket of examination, which should be retained in the captain's office, appended to the description-book; to be produced to any flag or other officer who may muster or inspect the ship.

Petty officers are, as far as possible, to be selected from the leading seamen.

As an encouragement to deserving petty officers, an increase is to be made, as follows, in the number who are eligible to be recommended for good-conduct gratuities, when ships are paid off after three years' service, or in proportion for a less period, as at present regulated.

The long service medal-gratuity to 2nd class petty officers is to be increased from 7l. to 10l.

Petty officers and seamen who enter for continuous service may be permitted to purchase their discharge according to the following scale:—

Under 5 years' service in man's rating .....	£19
After 5 and under 7 years .....	10
After 7 and under 9 " .....	8
After 9 and under 10 " .....	5
After 10 and upwards, from the age of 18 .....	free.

Men who have obtained Good Conduct Badges may be allowed to purchase their discharge at a reduction of 2l. upon the foregoing rates.

#### PENSIONS.

All men and boys who enter or re-enter the Navy, under the conditions and for the periods of continuous and general service, already stated, will be allowed pensions after 20 years' service from the age of 18, instead of after 21 years' service from the age of 20, as at present. Their Lordships also reserve to themselves a discretionary power of awarding pensions of 6d. a day each, after ten years' service, from the age of 18, and pensions of 8d. a day each, after 15 years' service from the same age, to all men now in, or who may hereafter enter the Navy, whenever their Lordships may think proper to do so. All men who may be thus granted pensions after 10, 15, or 20 years' service will be held liable, under the 12th clause of the Pensions Regulations (dated the 1st January, 1849), to serve again in the Navy if required, in the event of an armament, or war; and when so serving, will be allowed their Pensions, and the Pay of the ratings they may hold.

The time any continuous service man may serve after the age of 18, will count for pension without reference to the rating held.

Time served in the Navy under the existing system will be allowed to count with time under the new system, in awarding the above pensions.

The circumstance of a man not having completed the specific term of continuous service under the new system for which he entered, will not preclude his being granted a pension after 10 or 15 years' combined service, whenever their Lordships shall think proper to grant pensions after those periods.

Petty officers who have completed 15 or 20 years' service will, when pensioned, be granted double the present allowance for the time they have served as a petty officer, provided they

shall have entered, and served for one continuous period of not less than ten years, unless invalided for wounds or burns received on duty; that they shall have been discharged with the rating of petty officer; and that their character in such rating shall have been "very good." Under this rule a chief or 1st class petty officer would be granted an allowance of 4l. 10s. 5d. a year (in lieu of 15s. 2d.), for each year he may have served as such; and a 2nd class petty officer 15s. 2d. a year (in lieu of 7s. 7½d.) for each year served as such.

**Summary.**—In order that seamen may avail themselves of the advantages contingent upon the new terms of service, my Lords desire that these advantages be distinctly explained to them. They may be briefly recapitulated as follows:—

**Pay.**—Continuous service men will be entitled to the rates of pay stated at page 213.

**Pensions.**—Pensions will be granted after 20 years' service from the age of 18, instead of after 21 years from the age of 20; and as leave will be allowed when ships are paid off, during which time and pay will be continued, it follows that seamen entering under or about the age of 18, will receive the same amount of pension for less than 10 years' actual service than they would have received under the present system for 23 years' actual service.

Pensions may also be awarded after 10 and 15 years' service from the age of 18. Thus seamen may be granted pensions at the ages of 28, 33, and 38 respectively, instead of 43 or 44, the average age at which long service pensions are now awarded.

These pensions will range from 9l. 4s. a year to 40l. a year. The allowance for time served as a petty officer will, in awarding pensions, be doubled to men who enter for 10 years' continuous and general service.

Greater permanency will be given to a man's connexion with the Naval Service. On returning from leave he will be ordered on board a Flag-ship without the loss of a day's time or pay, instead of being frequently exposed to inconvenience and distress from his not being able to enter a ship fitting out.

#### GUNNERS, BOATSWAINS, AND CARPENTERS.

My Lords highly appreciate the valuable services rendered by the warrant officers of the Navy, and the zeal with which their important duties are usually performed; and as a mark of their approbation of such services, they are pleased to direct that the pay of those officers be increased as follows:—

##### Sea Pay.

Per day.	Per annum.
s. d.	£ s. d.
1st class .....	5 7
2nd class .....	5 8
3rd class .....	4 9

##### Harbour Service Pay.

Per day.	Per annum.
s. d.	£ s. d.
1st class .....	5 7
2nd class .....	4 4
3rd class .....	3 6

Warrant officers who are still paid for particular rates of ships, according to the regulations in force prior to the Order in Council of the 28th April, 1834, will be allowed the following increased scale of harbour service pay.

Per day.	Per annum.
s. d.	£ s. d.
1st rate .....	5 5
2nd rate .....	5 2
3rd rate .....	4 9
4th rate .....	4 4
5th rate .....	3 11
6th rate .....	3 6

My Lords desire it may be distinctly explained to the warrant officers, individually, that in awarding the above liberal scale of pay, their Lordships have been desirous not only of adequately rewarding their services, but also of enabling them to make provision, by insurance or otherwise, for their widows; and my Lords confidently rely upon the Warrant Officers giving effect to their Lordships' intention in this respect.

In the case of officers of exemplary character and conduct, two years' harbour service are, prospectively, to be considered, in awarding pensions, as equal to one year's sea service; in lieu of the proportion of three to one, as at present.

As a further mark of their appreciation of the services of this deserving class of officers, my Lords are pleased to direct that warrant officers of exemplary conduct, who have distinguished themselves by acts of gallantry and daring in the service, be considered eligible to hold commissions in Her Majesty's Fleet, in such rank or position as their Lordships may deem them, after undergoing an examination, entitled to receive, and competent to fill; and all warrant officers so promoted will be granted, respectively, the sum of 100l. as an outfit.

a. To men who have already served in the Navy, or who are now serving, and who volunteer for not less than seven years further continuous and general service.

4. To men who have already served 10 years and upwards, from the age of 18, provided they volunteer either for seven years further service, or for such periods as may be necessary to make up 30 years service from the age of 18; provided in the latter case, each period of continuous and general service to be completed be not less than five years.

5. To men, who have already served 16 years and upwards in the Navy, from the age of 20, and who volunteer to complete, by general service, such periods as may be necessary to make up 30 years from the age of 18.

6. Men who have once completed an engagement under any of the foregoing conditions, will be entitled to the higher rates of pay by re-entry for the periods of service shown in the table in the appendix. It is to be understood, in every case, that the additional sum of pay are only to be given for continuous and general service; and that persons after 30 years total service from the age of 18, will be awarded only to men who have served under any of the foregoing conditions.

All men who engage for continuous and general service are to sign an agreement to that effect, according to the form No. 55. They are to be distinguished on the ship's books by the letters (C. S. (continuous service) being placed in Red ink, immediately under their ratings, and the date of entry for continuous service is to be entered in the column for that purpose in the Ship's Book.

Servants, musicians, bondsmen, butchers, barbers, tailors, and sick berth attendants, and others, as stated in the table of pay in the appendix, are to be entered as at present, and are not to be considered as forming a part of the permanent Navy. No Pensioners are to be entered for continuous service.

**Allocations.**—The allocations of seamen who enter for continuous and general service, will remain in force during the period of their engagement, unless cancelled by themselves under existing regulations. All seamen rigging joining Ships are now to be allowed to make allocations on the day of entry.

**Exchange of Seamen.**—In carrying out the arrangements of the Naval Service under the new system of continuous service, the Commanders-in-Chief at home and abroad will afford facilities for exchange of seamen to different ships whenever the public service will admit, but in all cases the sanction of Captains in command must be obtained; and such exchange will be permitted only to men of good character.

**Extension of term of service.**—The term of service for which a seaman shall hereafter enter may, as at present, be temporarily extended, in the event of any emergency, or necessity, which, in the opinion of the Lords of the Admiralty, or a Commander-in-Chief on a foreign station, may render such temporary extension requisite; and any man so detained beyond the term of his agreement, is to be entitled to 2d. a-day, in addition to the pay of the rating which he may hold.

**Period of service abroad.**—It is to be generally understood, that when the public service will admit, the customary period of service abroad will not be exceeded; and that six weeks leave of absence will usually be granted on the return of ships to England, and further leave during each year, whenever the service will permit. When ships are put out of commission, or paid off, the continuous service men are to be entered as disposable supernumeraries on the books of the Flag Ship at the port of arrival, prior to going on leave; they have been entered on the books of a sea going or other ship as part of complement.

**In hospital at home.**—Petty officers, seamen, and boys, entered for continuous service, who may be sent to hospital or sick quarters at home, will not be checked as formerly for time and pay at the end of 10 days, but will continue to have both; but after the expiration of the 30 days, petty officers and able seamen will be subject to a deduction of 10d. per day from their pay. Ordinary seamen and 2nd class ordinary seamen, 1d. a-day, and boys 4d. per day, to be charged against them on the Ship's books; and men in hospital, when a ship calls for Foreign Service, are to be discharged to the Flag Ship's Books.

**Leading-seamen.**—As an inducement to seamen to render themselves profitable in all branches of their duty, any Lords are pleased to direct that a higher class of able-seamen be established, under the denomination of 4 leading-seamen, and with an additional pay of 2d. a-day each. To consist of men who are thorough boat-men, and boat-men, able to assist in repairing sails, and who are practical riggers, capable of doing duty as such in any part of a ship; to undergo an examination for the rating, conducted by the Commander, Senior Lieutenant, Master and Boatswain to wear a badge of distinction, (according to preference) to be exempted from corporal punishment, except by sentence of a court martial, or by

rating; to be reduced for the commission of any grave offence in the same manner as petty officers, having been first deprived of any good conduct badge they may possess. The number of leading-men in each ship to be according to the schemes of complement annexed hereto. The increased pay of 2d. a-day is to be allowed without reference to a rating entering for continuous service. Senior-gunners of both classes, if only qualified as leading-seamen, are to receive the above 2d. a-day, in addition to their pay as senior-gunners.

**Shipwrights.**—A new rating of "shipwright" is to be established. One-third of the carpenter's crew is to be composed of this class. Shipwrights are to be granted 2d. a-day each in addition to the pay of the carpenter's crew, and tool money as at present, irrespective of their term of service. Their qualification is to be ascertained by examination, previous to their being admitted; if at a home port, the examination is to take place at the dockyard by such competent officers as may be selected by the superintendent; if on a foreign station, by three carpenters when practicable.

**Landmen.**—The pay and duties of 2nd class military seamen and landmen being identical, the latter rating is to be abolished.

**Good-conduct badges.**—Time served as 2nd class ordinary seamen is, prospectively, to count as time served as ordinary seamen, for the good conduct badge and pay.

**Men absent without leave or imprisonment.**—Men and boys who have absented themselves without leave, or who have wilfully contrived their leave more than 40 hours are to forfeit their pay; but the allotment is not to be stopped during the period of their absence; and men or boys sent to goal by the sentence of a civil magistrate for any offence committed within the United Kingdom or British Colonies are likewise to be deducted of their pay, during the period of their confinement; the amount of money forfeited is to be returned against them on the Ship's Books by the Captain; unless under special circumstances, to be represented by the Captain, the Lords Commissioners of the Admiralty, or the Commander-in-Chief on a foreign station, who I think proper otherwise to direct. In all cases of deduct of pay, the circumstances are to be duly noted in the ship's log, and in the quarterly return of punishments. This regulation is not to interfere with the directions contained in the Queen's Regulations, Art. 5, page 104, relating to men absent without leave when a Ship is about to proceed to sea.

**Compensation of seamen to their homes when paid off.**—On ships being put out of commission, every facility is to be given, consistently with the convenience of the service for covering the term paid off to such of the ports, frequented by Her Majesty's Ships, as may be nearest to their places of residence.

**Commander's warrant.**—Commanders, under Captains (in rated ships, are to be allowed a warrant; as to borne and paid as a second class ordinary seaman.

**Seamen-gunners.**—My Lords are of opinion that the system under which seamen-gunners are now entered requires modification, with a view both to its increased efficiency and extension. They are therefore pleased to direct, that men who may hereafter enter as seamen-gunners, be divided into two classes, 1st class men are to be entitled to an additional pay of 2d. a-day, and the 2nd class to an additional pay of 1d. a-day each; the pay in question to be granted according to their qualifications and irrespective of length of service. The 1st class is to be eligible to be promoted to the situation of gunner's mates, and gunners; the 2nd class should be held qualified to perform the duty of gunner's mates.

The existing regulations, relating to seamen-gunners who have already been entered for five years are to remain in force, except as regards men who volunteer for continuous service, and who may be deemed eligible for either of the above classes.

In training men hereafter for the "Excellent" preference is to be given to those who volunteer for continuous and general service.

#### PETTY OFFICERS.

My Lords consider that it would improve the discipline of Her Majesty's ships, and be in other respects advantageous to the service, to establish a class of chief petty officers; they therefore direct that the following be established accordingly:

**Chief Petty Officers.**—Master-at-arms.

Chief gunner's mate.

Chief boatswain's mate.

Admiral's coxswain.

Chief captain of boatmen.

Chief quartermaster.

Chief carpenter's mate.

Penmen's schoolmaster.

Ship's steward.

Ship's cook.

Chief Petty Officers will be allowed the rate of pay stated at page 212.

Petty officers who enter for continuous service are to carry their decorations as chief, first, or second class petty officers from ship to ship; it being left open to the captain of the ships which they may join to assign the specific rating best suited to the character and abilities of the individuals.

**Examination for the rating of petty officers.**—Sergeants, before being promoted to the rating of petty officer, are to be examined by the following officers, the commander or senior lieutenant, master, gunnery lieutenant, and the warrant officer of the class required. In rating petty officers, a preference is to be given to men who have entered for continuous service.

The above officers are to sign the ticket of examination, which should be retained in the captain's office, appended to the description-book; to be produced to any flag or other officer who may inquire or inspect the ship.

Petty officers are, as far as possible, to be selected from the leading seamen.

As an encouragement to deterring petty officers, an increase is to be made, as follows, in the bounty who are eligible to be recommended for good-conduct gratuities, when ships are paid off after three years' service, or in proportion for a less period, as at present regulated.

Rates.	Chief and 1st Class 7l.		2nd Class 5l.	
	Present No.	Future No.	Present No.	Future No.
Rates 1st and 2nd .....	4	0	3	4
" 3rd .....	4	0	3	4
" 4th .....	3	5	2	3
" 5th .....	3	4	1	2
" 6th .....	2	4	1	2
Seamen 1st & 2nd Class .....	3	4	1	2
" 3rd Class .....	1	3	1	1
Boats .....	1	3	1	1
Small Vessels .....	1	1	1	1

The long service medal-gratuity to 2nd class petty officers is to be increased from 7l. to 10l.

Petty officers and seamen who enter for continuous service may be permitted to purchase their discharge according to the following scale:—

Under 3 years' service in man's rating .....	£12
After 3 and under 7 years .....	10
After 7 and under 9 .....	9
After 9 and under 10 .....	8
After 10 and upwards, from the age of 18 .....	free.

Men who have obtained Good Conduct Badges may be allowed to purchase their discharge at a reduction of 2l. upon the foregoing rates.

#### PENSIONS.

All men and boys who enter or re-enter the Navy, under the conditions and for the periods of continuous and general service, already stated, will be allowed pensions after 20 years' service from the age of 18, instead of after 21 years' service from the age of 40, as at present. Their Lordships also reserve to themselves a discretionary power of awarding pensions of 6d. a day each, after ten years' service, from the age of 18, and pensions of 6d. a day each, after 15 years' service from the same age, to all men now in, or who may hereafter enter the Navy, whenever their Lordships may think proper to do so. All men who may be thus granted pensions after 10, 15, or 20 years' service will be held liable, under the 14th clause of the Pensions Regulations dated the 1st January, 1869, to serve again in the Navy if required, in the event of an armament, or war; and when so serving, will be allowed their Pensions, and the Pay of the ratings they may hold.

The time any continuous service may have served after the age of 18, will count for pension without reference to the rating held.

Time served in the Navy under the existing system will be allowed to count with time under the new system, in awarding the above pensions.

The circumstance of a man not having completed the specified term of continuous service under the new system, for which he entered, will not preclude him being granted a pension after 10 or 15 years' combined service, whenever their Lordships shall think proper to grant pensions after these periods.

Petty officers who have completed 15 or 20 years' service will, when pensioned, be granted double the present allowance for the time they have served as a petty officer, provided they

shall have entered, and served for an continuous period of not less than ten years, unless involved for want of or injury received on duty; that they shall have been discharged with the rating of petty officer; and that their character to such rating shall have been "very good." Under this rule a chief or 1st class petty officer would be granted an allowance of 1l. 10s. 3d. a year (in lieu of 15s. 24d.) for each year he may have served as such; and a 2nd class petty officer 15s. 24d. a year (in lieu of 7s. 12d.) for each year served as such.

**Summary.**—In order that seamen may avail themselves of the advantages contingent upon the new terms of service, my Lords desire that these advantages be distinctly explained to them. They may be briefly recapitulated as follows:—

**Pay.**—Continuous service men will be entitled to the rates of pay stated at page 213.

**Pensions.**—Pensions will be granted after 20 years' service from the age of 18, instead of after 21 years from the age of 40; and as leave will be allowed when ships are paid off, during which time and pay will be continued, it follows that seamen entering under or about the age of 18, will receive the same amount of pension for less than 10 years' actual service than they would have received under the present system for 23 years' actual service.

Pensions may also be awarded after 10 and 15 years' service from the age of 18. This amount may be granted as pensions at the ages of 23, 28, and 33 respectively, instead of 43 or 44, the average age at which long service pensions are now awarded.

These pensions will range from 5l. 4s. a year to 40l. a year. The allowance for time served as a petty officer will, in awarding pensions, be double to men who enter for 10 years' continuous and general service.

Greater permanency will be given in a man's connection with the Naval Service. On returning from leave he will be entered on board a Flag-ship without the loss of a day's time or pay, instead of being frequently exposed to the inconvenience and distress from his not being able to enter a ship fitting out.

#### GUNNERS, BOATSWAINS, AND CARPENTERS.

My Lords highly appreciate the valuable services rendered by the warrant officers of the Navy, and the zeal with which their important duties are usually performed; and as a mark of their approbation of such services, they are pleased to direct that the pay of those officers be increased as follows:—

	Sea Pay.			
	Per day.	Per annum.	£ s. d.	£ s. d.
1st class .....	5 7	169 2 11		
2nd class .....	5 8	169 3 4

	Harbour Service Pay.			
	Per day.	Per annum.	£ s. d.	£ s. d.
1st class .....	5 7	161 17 11		
2nd class .....	4 4	79 1 3		
3rd class .....	3 6	63 17 6		
	Per day.	Per annum.	£ s. d.	£ s. d.
1st rate .....	5 7	161 17 11		
2nd rate .....	5 8	169 3 4		
3rd rate .....	4 0	80 13 9		
4th rate .....	4 4	79 1 3		
5th rate .....	3 11	71 9 7		
6th rate .....	3 8	63 17 6		

My Lords desire it may be distinctly explained to the warrant officers, inasmuch as it is intended to increase the liberal scale of pay, that their Lordships have been desirous not only of adequately rewarding their services, but also of enabling them to make provision, for insurance or otherwise, for their widows; and my Lords confidently rely upon the Warrant Officers giving effect to their arduous and important duties.

In the case of officers of exemplary character and conduct, two years' harbour service are, prospectively, to be considered, in awarding pensions, as equal to one year's sea service; in lieu of the proportion of three to one, as at present.

As a further mark of their appreciation of the services of this deserving class of officers, my Lords are pleased to direct that warrant officers of exemplary conduct, who have distinguished themselves by acts of gallantry and during the service, be considered eligible to hold commissions in Her Majesty's Fleet, in such rank or position as their Lordships may determine them, after undergoing an examination, entitled in receipt, and competent to fill a post of warrant officers as promoted will be granted, respectively, the sum of 1000, as an outfit.

## 224. RELATIVE RANK—DECLAR. FOR HALF-PAY.

The additional pay of warrant officers is to commence on the 1st of July next; and if those officers who may draw bills shall, before the receipt of this circular, have drawn them for the period commencing the 1st of July, the difference of pay may be added to the next bills they may draw.

### COAST-GUARD.

Having reference to the increased responsibility attaching to the situations of chief and commissioned boatmen, their Lordships are pleased to direct that men appointed from the Naval Service shall, when pensioned, be allowed to count service in the former capacity as 1st class, and in the latter as 2nd class petty officers time upon the present scale. Coast-guard men from the Naval Service, when granted gratuities instead of pensions, are to be placed on the same footing as seamen.

Time in the Coast-Guard, after a combined service of twenty-one years, is to count towards higher rates of pension, as if served in the Royal Navy; time served as chief and commissioned boatmen being subject to the rule laid down in the foregoing clause.

Ten years' service in the Navy, from the age of 18 (instead of 7, in men's rating as now regulated), is to be the required term of service, previous to admission into the Coast-guard; appointments thereto are to be open to ordinary seamen, of thoroughly good conduct.

Coast-guard men are to be permitted to wear the good conduct badges or other distinctive marks they have obtained in the Royal Navy, but are not to be entitled to the additional pay.

The several distinctive badges referred to in the preceding regulations, will be forwarded to the out-ports, and will be as follows, embroidered in gold.

Chief Petty Officers.....	{ Crown and Anchor enriched with Laurel.
1st Class Petty Officers.....	{ Crown and Cross Anchor.
2nd Class Petty Officers.....	{ Crown and Anchor.
Leading Seamen.....	{ The Anchor.

These regulations are to take effect on and after the 1st July next; except as regards men entering for continuous service on Foreign Stations, where they are to commence as soon as they are understood by the men, and they volunteer for continuous service; and all existing regulations not cancelled or modified by those now promulgated are to remain in force.

Great care is to be taken that no men of indifferent character are received for continuous service, or who are constitutionally or otherwise unfit, and in the rating of men strict attention is to be given to their qualifications.

In every case in which a man enters for continuous service under the foregoing regulations, the form No. 95 is to be filled up and forwarded, with as little delay as possible, to the Secretary of the Admiralty, for the Accountant-General of the Navy.

By Command of their Lordships,  
R. OSBORNE.

By Her Majesty's Order in Council of the 11th March, 1853, it is enjoin'd that the only exceptions to the provisions contained in Art. E. Chap. 2, page 6, of the Queen's Regulations, shall in future consist as follows, viz. —

1. That a Captain shall be allowed to reckon as time served at sea the period during which he may have been employed absent on surveying or other duties; provided that during such period he shall actually have had the charge in command of some surveying ship or other sea-going vessel, and provided also that he shall have been borne for such service as additional Captain on the books of one of Her Majesty's rated ships.
2. That a Captain Superintendent of one of Her Majesty's Dockyards shall be allowed to reckon as time served at sea the period during which he may have been so employed; but time served by an Officer as Superintendent of one of Her Majesty's Victualling Yards or Hospitals will for the future be no longer allowed to reckon as equivalent to time served at sea.

## EXAMINATION FOR THE RANK OF LIEUTENANT

*Admiralty, August 8, 1858.*

With reference to Art. 21, Chap. 2, page 21, of the Admiralty Instructions, which provides that Mates, who have already passed their examination abroad, shall pass an examination at the Royal Naval College, within two months of their return to England, in order to entitle them to confirmation from the date of their first Certificate; and it appearing that some misapprehension has arisen on this point, and that it has been supposed that, provided a Mate passes within an specified period, it is immaterial whether he fail, or otherwise, in his first examination at the College; my Lords desire that, in future, it may be clearly understood, that Mates who have already passed abroad are at liberty to select either the 1st, 2nd, or 3rd examination day at the Royal Naval College, after their arrival in England; or, if belonging to a ship under orders to be paid off, on the 1st, 2nd, or 3rd examination day after having been so paid off.

If rejected on any examination day, officers will incur the forfeiture of 3 months' seniority in their rank as Mates, instead of being allowed to take seniority from the date of their passing in Seamanship: a second rejection will incur the forfeiture of 6 months' seniority, and a 3rd rejection 9 months (in the whole). All other cases will be dealt with specially by the Board of Admiralty.

The non-appearance of Officers for Examination at the times required by these Regulations will be considered as a tacit acknowledgement of their not being qualified, and will be dealt with in the same manner as if they had been actually rejected on each day on which they may have omitted to appear, viz.:—Non-appearance on the 3rd Examination Day will incur the forfeiture of 3 months' seniority; non-appearance on the 4th day, 6 months; non-appearance on the 5th day, 9 months; and all other cases of Mates not appearing must be specially reported to the Board for the decision of their Lordships.

By Command of their Lordships,

W. A. B. HAMILTON.

No. 203.

*Admiralty, 27th August, 1855.*

By their Lordships' Order of 3rd August, 1855, it is provided that a Mate, if rejected on any examination-day at the Royal Naval College, shall incur the forfeiture of three months' seniority in his rank of Mate for each occasion of his being so rejected, and also a corresponding penalty for each occasion of his failing to present himself to pass; the non-appearance of Officers being considered as a tacit acknowledgement of their not being qualified.

My Lords are pleased to direct that the same Regulations which govern the Seniority of Mates (whether rejected or failing to present themselves) shall be made applicable to Acting Lieutenants, who are to be deprived, in the same proportion as Mates, of three months in their Seniority as Lieutenants for each occasion of their being rejected, or failing to present themselves for examination.

In the event of any cases occurring of an Officer being rejected more than three times, or of his failing to present himself on a 6th examination day after his arrival in England, (or if belonging to a ship under orders to be paid off, on the 6th examination after having been so paid off), such cases will be specially dealt with by the Board of Admiralty.

The above regulations are to apply to the cases of Second Masters, and Officers promoted abroad to the rank of Acting Master.

By command of their Lordships,

(Signed) R. OSBORNE.

The Lords Commissioners of the Admiralty have directed, by an order dated December 1855, that the College Sheet is to contain questions on the Theory of Navigation and Astronomy, also on the prevailing winds and currents of the ocean, and on the practical application of the rules of navigation and astronomy to Surveying and other Nautical purposes, in order to test the knowledge and qualifications of all Officers passing at the Royal Naval College.

## EXAMINATION FOR THE RANK OF MASTER AND SECOND MASTER.

By Her Majesty's Order in Council of the 24th October, 1855, the above Regulation as to the examination of officers for the rank of Lieutenant is extended to Second Masters and Master's Assistants passing for the rank of Master and Second Master.

## PASSING DAYS AT THE ROYAL NAVAL COLLEGE.

*September, 1851.*

The Examination of Officers at the Royal Naval College will take place on the following days, viz.:

*In Navigation*, Second Wednesday in the Month, at 9 a.m.

*In Geography*, on the Fourth Monday in the previous Month.

Cadets will be examined on the same days as Officers in Navigation, and at the same hour.

## PASSING DAYS IN SEAMANSHIP AT THE HOME PORTS.

*Portsmouth*, First Wednesday in each Month.

*Plymouth*, Second ditto ditto.

*Sheerness*, First ditto ditto.

## EXAMINATION OF NAVAL CADETS.

*Admiralty, 13th February, 1851.*

My Lords Commissioners of the Admiralty having had under their consideration the Examination of Naval Cadets on entering Her Majesty's Service, are pleased to direct that in future all young gentlemen who may receive Nominations as Naval Cadets at Home shall pass their examination at the Royal Naval College at Portsmouth, within two months of the date of the letter of Nomination, and a Certificate signed by the Professor or Mathematical Master of the Royal Naval College, approved by the Captain Superintendent, together with a Medical Certificate of physical efficiency, according to the prescribed regulations, will be required to be forwarded to the Admiralty before any Candidate can be entered as a Naval Cadet.

The Qualifications required are the same as at present in force.

The Medical Examination is to be conducted by such

Naval Surgeon as the Commander-in-Chief at Portsmouth may direct.

The Commander-in-Chief at Portsmouth is authorized to enter each Naval Cadet as a Supernumerary on board the Flag Ship at that port, from the date of the Candidate passing the required Examination (pending an appointment from the Admiralty to a sea-going ship), granting not more than a Month's leave to obtain an Outfit.

No Candidate will be allowed a Second Examination, and all Nominations are to be considered cancelled unless the party shall obtain his Certificate within the specified period of two months.

By command of their Lordships,

W. A. B. HAMILTON.

N.B. The Passing Day at the Royal Naval College, for Naval Cadets, is the Second Wednesday in each Month, at 9 A.M.

#### CHAPLAINS.

No person shall be appointed a Chaplain in the Royal Navy who shall not have been regularly ordained Deacon and Priest of the United Church of England and Ireland, or whose age shall exceed thirty-five years, or who shall hold any benefice with cure of souls, or who shall not produce testimonials from the Bishops of the diocese in which he was last licensed, addressed to the Lords Commissioners of the Admiralty, or who shall not have been examined by some competent person appointed for that purpose by the Lords Commissioners of the Admiralty, and he reported by him to be in every respect a fit and proper person to fill with respectability and advantage to Her Majesty's service the situation of Chaplain. (1847).

Form of Half-pay Declaration, to be taken by such Chaplains as shall hereafter be placed on the Half-pay List, under His Majesty's Order in Council, of 31st July, 1835.

I do solemnly and sincerely declare that I did not accept any benefice with cure of souls before I had completed a term of service in the Royal Navy, as Chaplain, equal to eight years' service at sea; that I have not between the day of and the day of been employed as Chaplain of any of His Majesty's ships, and have not held, and do not hold, any appointment as Chaplain of a Naval Establishment, the emoluments of which amount to four hundred pounds per annum; and I make this solemn Declaration, conscientiously believing the same to be true.

Admiralty, 10th Sept., 1849.

#### (EXAMINATION FOR NAVAL INSTRUCTORS.)

With a view of facilitating the Examination of Chaplains, when serving on Foreign Stations, who may desire to pass for the Situation of Naval Instructor, my Lords are pleased to direct that the Commander-in-Chief may cause any Chaplain, who may be a Candidate, to be examined in the subjects, and according to the form prescribed in the Printed Admiralty Instructions, and if found qualified, may appoint him (pending the approval of the Admiralty) as Chaplain and Acting Naval Instructor to any of Her Majesty's Ships in which a vacancy may exist, giving a preference, when there is more than one vacancy on the Station, to that Ship bearing the greatest number of Subordinate Officers requiring instruction.

[Examination of Masters, and Second Masters.]

Admiralty, December 17th, 1849.

The Lords Commissioners of the Admiralty having had under their consideration the present Regulations for the Examination of Masters and Second Masters of Her Majesty's Fleet, as defined by art. 21, chap. 2, p. 22, and art. 25, chap. 2, p. 28, of the printed Instructions, have been pleased to direct that on and after the 1st of January next, the following Regulations shall be adopted, viz.:

All Officers passing for the rank of Master or Second Master (or Officers from the Merchant Service who are Candidates for those ranks, under the Queen's Regulations, art. 6, c. 19, 3, p. 24) shall be examined in Seamanship, either at home or abroad, by one Captain or Commander, and three Masters; and after having received a Certificate of having passed such Examination, they shall undergo their Examination in Navigation at the Royal Naval College (instead of the Trinity House), under the same regulations and at the same period, as Midshipmen passing for Lieutenants; but the Examination for Pilotage is to be conducted at the Trinity House, under the rules and regulations at present in force, but subsequent to the above mentioned examinations. Having completed the above examinations they will be considered eligible for the rank of Master in the Royal Navy, provided they shall have served the time required by the Queen's Regulations.

The Seniority of Second Masters (or of Candidates for the rank of Master) is to be reckoned from the date of their passing in Seamanship for that rank, provided they shall subsequently pass in Navigation at the Royal Naval College, on the first, second, or third Examination day following, either of which days they are at liberty to select; or, in the event of an Officer having previously passed abroad in Seamanship, he is at liberty, after his arrival in England, to select either the first, second, or third Examination day at the Royal Naval College; or if belonging to a ship under orders to be paid off, on the first, second, or third Examination day after having been so paid off, when, if he shall succeed in passing, he will be allowed seniority from the date of his having passed abroad. But no Second Master (or Candidate for the rank of Master) will be allowed such seniority who shall fail in passing at the Royal Naval College at the first trial, or who shall not pass at the Trinity House within a month after his having passed in Navigation.

Officers appearing before the Trinity Board for the purpose of passing in pilotage must be qualified to take charge, as Pilot, of any of Her Majesty's frigates for the Coast and Ports, in which Masters have hitherto been examined; and when they shall have served five years at least in Frigates or Sloops, they may be further examined as to their qualifications to take charge of Line-of-Battle Ships, but in this examination it will be required that they pass for the largest description of First-Rates. In the event of an Officer serving abroad as Acting Master of a Line-of-Battle Ship, the time so served may reckon as part of the aforesaid three years.

The Class of Ship of which Officers are capable of taking charge as Pilots will be stated in the Certificate granted to them by the Trinity House.

All Officers desirous of being examined in Pilotage at the Trinity House, either for the rank of Second Master, or as to their qualifications to serve as Masters of Frigates, or of Line-of-Battle Ships, should present themselves at the Admiralty, bringing with them a Certificate of their Birth, and also their original Certificates for the entire period during which they have been employed in Her Majesty's Service, or in Merchant Ships, in each of which Certificates the word Seniority must be included. Similar

Certificates must be produced by Officers presenting themselves to pass in Navigation at the Royal Naval College.

By command of their Lordships,

JOHN PARKER.

To all Flag Officers, Captains, and Commanding Officers, of Her Majesty's Ships and Vessels.

[Regulations respecting Masters' Assistants.]

Admiralty, Dec. 9th, 1851.

My Lords Commissioners of the Admiralty have been pleased to issue the following Regulations relative to the future Entry and Examination of Masters' Assistants in the Royal Navy:—

1. The Entries of Masters' Assistants will be limited to such numbers annually as their Lordships may from time to time direct.

2. The age and qualifications required for the admission of a Master's Assistant in the Navy are to be in accordance with the following rules, and the examination is to take place at the Royal Naval College.

A Candidate for an appointment as Master's Assistant must not be less than 14, nor more than 16 years of age, [unless he be selected from the Merchant Service, in which case the age is extended to 18, provided he has served two years at sea.] he must be in good health, and produce a certificate of his age, parentage, and regularity of conduct.

On his entry into the Service, if between the ages of 14 and 15 years, he is to pass the same examination as a Naval Cadet on his first entry.

If entered between the ages of 15 and 16 years, in addition to the above, he will be required to understand the practical use of the Sextant, and the mode of keeping a Ship's reckoning by working a day's work, and obtaining the latitude by observation.

If at the age of 16, he will also be required to know the mode of obtaining the longitude by Chronometers, the variation of the Compass, and he must be able to explain the mode of rigging lower masts and bowsprit, and the more simple evolutions of working ship under plain sail.

3. When a Master's Assistant has completed a service of three years with that rating, he must be examined by the Captain or Commander and the Senior Lieutenant as to the progress he has made in obtaining a proper knowledge of practical seamanship in all its branches, fitting, turning in, and setting up rigging, shifting masts, yards, and sails, laying out and weighing anchors by Buoys, taking Heilm and Lead, stowage of provisions and water, and by the Naval Instructor in his knowledge of Navigation, determining the Latitude and Longitude by day and night observations, the use of Chronometers, the Azimuth Compass, and the mode of constructing Charts; and every Master's Assistant must serve three complete years after this examination before he shall be allowed to pass for Second Master; an Officer who may have been entered from the Merchant Service must also pass this examination; but in order that he may not lose the time which he may have served in the Merchant Service, he is to be allowed to pass this examination whenever he shall have completed one-half of the further period which he has to serve in the Royal Navy, and he may then pass for Second Master on completing the other half of such service.

4. Masters' Assistants, whilst serving on board H. M. Ships, are to be instructed by the Naval Instructor, for which he will be allowed the usual tuition money, and the expense will be defrayed by the Admiralty.

5. The Master of the Ship in which Masters' Assistants are serving is to instruct them in practical seamanship, and other branches of a Master's duty, as directed by the Admiralty Instructions, Chap. VII. Art. 21, page 217; and the half-yearly Report, or Form No. 234, is to show the advancement made by them from time to time.

6. On a Ship being paid off, Masters' Assistants will be entered on the Books of a Guard-Ship, for such time as their Lordships may direct, or until certified for another appointment, provided they possess good Certificates, and are recommended by their Commanding Officers.

7. Masters' Assistants, when they have completed their regulated period of service, and have passed their examinations for Second Master, will be placed on the

List of the Navy in that rank, and will if employed receive the commission and pay of a Second Master (being borne in lieu of Masters' Assistants, if there should not be vacancies for Second Masters in the Ships in which they may be serving); but they will not be eligible for promotion to the rank of Master until they shall have served two years further in the capacity of Second Master.

8. Masters' Assistants passing abroad in Seamanship, and temporarily in Navigation and Pilotage, are to be appointed by their Commanders-in-Chief, or by their Commanding Officers, to be acting Second Masters, in the same manner as is provided for Midshipmen to be rated Acting Mates when they pass their examination for Lieutenant, but they must be borne in lieu of Masters' Assistants.

By Command of their Lordships,

JOHN PARKER.

*Admiralty, March 1st, 1853.*

The Right Honourable the Lords Commissioners of the Admiralty are pleased to direct that the following Regulations, relative to the examination of Candidates for the Appointment of Assistant-Surgeon in the Royal Navy, shall in future be adopted:—

That a Candidate for entry into the Royal Navy shall make a written application to that effect, addressed to the Secretary of the Admiralty; on the receipt of which application he will be furnished with the Regulations, and a Printed Form to be filled up by him, to show if he possess the required qualifications.

As Vacancies occur, the number of Candidates required will be ordered to attend at the Admiralty Office, bringing with them the requisite Certificates, showing that they are fully qualified by Age, Professional Ability, &c., when they will be examined by a Board of Medical Officers, to be named by their Lordships.

Such Candidates as shall have been found in all respects competent for the Appointment of Assistant-Surgeon, will be forthwith nominated to one of the Naval Hospitals at Home, to await Appointments to any of Her Majesty's Ships; or should their services not be immediately required, their names will be duly registered for early Appointments, as Vacancies may occur.

That no person be admitted as an Assistant-Surgeon in the Royal Navy, who shall not produce a Certificate from one of the Royal Colleges of Surgeons of England, Edinburgh, or Dublin, or from the Faculty of Physicians and Surgeons of Glasgow, of his fitness for that Office; nor, as a Surgeon, unless he shall produce a Diploma, or Certificate, from one of the said Royal Colleges or Faculty, founded on an examination to be passed subsequently to his Appointment of Assistant-Surgeon, as to his fitness for the situation of Surgeon in the Navy; and in every case the Candidate producing such Certificate, or Diploma, shall also undergo a further examination, touching his qualifications in all the necessary branches and points of Medicine and Surgery for such of the steps in the Navy Medical Service; and that previously to the admission of Assistant-Surgeons into the Navy, it will be required that they produce proof of having received a preliminary classical education, and that they possess in particular a competent knowledge of Latin; also,

That they have been engaged in actual dissections of the human body twice monthly, the Certificate of which from the Teacher must state the number of subjects or parts dissected by the Candidate.

That they have attended Lectures, &c., on the following subjects, at established Schools of Emulation, by Physicians or Surgeons of the rescripted Colleges of Physicians and Surgeons, in the United Kingdom, for periods not less than hereunder stated; observing, however, that such Lectures will not be admitted if the Teacher shall Lecture on more than one branch of Science, or if the Lectures on Anatomy, Surgery and Medicine be not attended during three distinct Winter Sessions of Six Months each.

The time also of actual attendance at an Hospital or Infirmary must be certified; and the Tickets as well as Certificates of attendance, age, moral character, &c., must be produced by the Candidate previously to his examination.

It is also to be observed, that Candidates who may be admitted into the Naval Medical Service, and who in subsequent Ships, &c., they may be appointed to; and that in the event of their being unable to do so from Sea sickness, their names cannot be continued on the Naval Medical List, nor can they, of course, be allowed half-pay.

By Command of their Lordships,

R. OSBORNE.

## RULES AND REGULATIONS RESPECTING THE APPOINTMENT, RANK, EXAMINATION AND PAY, OF ENGINEERS,

(Under Her Majesty's Order in Council of the 27th of February, 1847).

Admiralty, 1st April, 1847.  
*Appointment and Rank of Engineers.*

Engineers in Her Majesty's Naval Service are to be classed in three divisions, and to be thus denominated:—

- Inspectors of Machinery afloat,
- Chief Engineers,
- Assistant Engineers.

The two latter divisions are to be divided severally into three classes, namely:—

- Chief Engineers of the First Class.
- " of the Second Class.
- " of the Third Class.
- Assistant Engineers of the First Class.
- " of the Second Class.
- " of the Third Class.

Engineers will be considered, as at present, to belong to the Civil Branch of the Naval Service, and they will be appointed, and rank as under-mentioned.

Inspectors of Machinery afloat will be appointed by commission, and rank with, but after, Masters of the Fleet.

Chief Engineers will be appointed by commission, and rank with, but after, Masters.

Assistant Engineers will be appointed by order, and rank with, but after, Second Masters.

*Examination and Qualifications of Engineers.*

*Inspectors of Machinery afloat.*—Inspectors of machinery afloat will be appointed by their Lordships for the responsible duties of superintending generally the machinery of Steam Vessels attached to each station or squadron, and the candidates for such appointments must be men of experience and acknowledged ability, in whose judgment, integrity, and talent, implicit reliance can be placed.

*Chief Engineer.*—No person will be considered qualified to hold the commission of a Chief Engineer, who is not able to keep accounts, make notes in the Log of every particular of the working of the engines and boilers, draw rough sketches of any part of the machinery, with figured dimensions fit to work from, be able and willing to exert himself practically as a workman when occasion requires, either in driving the engine or packing, repairing, or adjusting, the various working parts of the machinery, and making good the defects of boilers. He must be acquainted with the principle of expansion, and able to prove, or at least to illustrate, the advantages to be derived from the use of expansive gear.

The particular class to which a Chief Engineer will be appointed will depend not only on the result of his examination, but on his character, services, &c.

## CIRCULAR, No. 30.

## ACQUIREMENTS REQUIRED OF ENGINEERS.

Admiralty, 26th January, 1845.

My Lords Commissioners of the Admiralty having by their Circular order of the 1st April, 1847, No. 66, relative to the Examination, Pay, &c. of Engineers, directed that "Certificates of service in a Factory, or proof of acquaintance with Engine work," shall be produced before an Assistant Engineer be promoted to the rank of Chief Engineer; and the attention of my Lords having been called to the difficulties which have been experienced in ascertaining the capabilities and acquirements, in this respect, of those Officers who have not served in Factories; likewise to the deficiency among the junior grades of Engineers, (especially of the young men brought up in the service,) in that mechanical skill, and knowledge, so essential to qualify them to undertake the responsible duty of Engineers in charge of machinery; my Lords are therefore pleased to direct that a shop be appropriated at Woolwich, and one at Portsmouth, under the superintendence of the Chief Engineer Officers of the Factories in those Dockyards, in order that the Engineers, on Clerk, may have the opportunity of acquiring practical skill in the use of such tools as they may hereafter be called upon to use when afloat; and instruction, when necessary, will be afforded by a skillful mechanic, who will be selected for the purpose.

As means will be thus afforded to enable Engineers to acquire the requisite mechanical skill, no Assistant Engineer will, in future, be advanced to the rank of Chief Engineer, or to that of First Class Assistant, unless he produces a certificate of servitude in a Factory, or of his competency as a workman, from the Chief Engineer Officer of Woolwich, or Portsmouth, Dockyard.

It is further distinctly to be understood, that, in future, the periods of service required by the Regulations, as part of the qualifications of Assistant Engineers for promotion to the higher Classes, are to comprehend only the periods in which an Officer may be in receipt of full pay; but on a certificate of good conduct, and of reasonable improvement in Mechanical acquirement, being produced from the Chief Engineer of one of Her Majesty's Factories, half of the time employed in receiving instruction in the workshops will be allowed to reckon as on time.

By Command of their Lordships. H. G. WARD.

#### VICTORIA R.

Whereas, We, taking into Our Royal consideration that there exists a want of adequately rewarding the individual gallant services either of Officers of the lower grades in Our Naval and Military Services, or of Warrant and Petty Officers, Seamen, and Marines, in Our Navy, and Non-Commissioned Officers and Soldiers in Our Army; and whereas the Third Class of Our Most Honourable Order of the Bath is limited, except in very rare cases, to the higher ranks of both Services; and the granting of medals, both in Our Navy and Army, is only awarded for long service or meritorious conduct, rather than for bravery in action or distinction before an enemy, such more ample recognition where a general medal is granted for a particular action or campaign, or a clasp added to the medal for some special engagement, in both of which cases all share equally in the boon, and those who by their valour have particularly signalised themselves remain undistinguished from their comrades. Now, for the purpose of conferring an end so desirable as that of rewarding individual instances of merit and valour, We have instituted and created, and by these presents, for Us, Our Heirs and Successors, institute and create a New Naval and Military Decoration, which We are desirous should be highly prized and eagerly sought after by the Officers and Men of Our Naval and Military Services, and are graciously pleased to make, ordain, and establish the following rules and ordinances for the government of the same, which shall from henceforth be invariably observed and kept:

Firstly. It is ordained, that the distinction should be styled and designated "the Victoria Cross," and shall consist of a Maltese Cross of Bronze, with our Royal Crest in the centre, and underneath which an scroll, bearing the inscription, "For Valour."

Secondly. It is ordained, that the Cross shall be suspended from the left breast by a blue ribbon for the Navy, and by a red ribbon for the Army.

Thirdly. It is ordained, that the names of those upon whom it may be pleased to confer the Decoration shall be published in the "London Gazette," and a registry thereof kept in the office of Our Secretary of State for War.

Fourthly. It is ordained, that any one who, after having received the Cross, shall again perform an act of bravery, which, if he had not received such Cross, would have entitled him to it, so that further act shall be recorded by a Bar attached to the ribbon by which the Cross is suspended, and for every additional act of bravery an additional Bar may be added.

Fifthly. It is ordained, that the Cross shall only be awarded to those Officers or men who have served Us in the presence of the enemy, and shall have then performed some signal act of valour, or devotion to their country.

Sixthly. It is ordained, with a view to place all persons on a perfectly equal footing in relation to eligibility for the Decoration, that neither rank, nor long service, nor wounds, nor any other circumstance or condition whatsoever, save the merit or conspicuous bravery, shall be held to establish a sufficient claim to the honour.

Seventhly. It is ordained that the Decoration may be conferred on the spot where the act to be rewarded by the grant of such Decoration has been performed, under the following circumstances:

1. When the Fleet or Army, in which such act has been performed, is under the eye and command of an Admiral or General Officer commanding the Forces.

11. Where the Naval or Military force is under the eye and command of an Admiral or Commander commanding a squadron or detached naval force, or of a General commanding a corps, or division or brigade on a distinct and detached service, when such Admiral, Commander, or General Officer shall have the power of conferring the Decoration on the spot, subject to confirmation by Us.

Eighthly. It is ordained, where such act shall not have been performed in sight of a Commanding Officer as aforesaid, then the claimant for the honour a full prove the act to the satisfaction of the Captain or Officer commanding his ship, or to the Officer commanding the regiment to which the claimant belongs, and such Captain or such Commanding Officer shall report the same through the usual channel to the Admiral or Commander commanding the force employed on the service, or to the Officer commanding the forces in the field, who shall call for such description and attestation of the act as he may think requisite, and an approval shall recommend the grant of the Decoration.

Ninthly. It is ordained that every person selected for the Cross, under rule seven, shall be publicly decorated before the Naval or Military force or body to which he belongs, and with which the act of bravery for which he is to be rewarded shall have been performed, and his name shall be recorded in a General Order, together with the cause of his special distinction.

Tenthly. It is ordained that every person selected under rule eight shall receive his Decoration as soon as possible, and his name shall likewise appear in a General Order as above required, such General Order to be issued by the Naval or Military Commander of the Forces employed on the service.

Eleventhly. It is ordained that the General Orders above referred to shall from time to time be transmitted to Our Secretary of State for War, to be laid before Us, and shall be by him registered.

Twelfthly. Wherever any Prize shall be taken by any of our fleets, squadrons, ships, or vessels of war while acting in conjunction with any fleets, squadrons, ships, or vessels of war belonging to any other power or powers in alliance with Us, Our High Court of Admiralty, or the Vice Admiralty Court, within our dominions adjudicating thereon, shall apportion to such ally or allies a share or shares of the proceeds of such Prize or Prizes proportionate to the number of officers and men, &c. present and employed on the part of such ally or allies as compared with the number of officers and men, &c. present and employed on our behalf in such capture or captures, without reference to their respective ranks, and the share or shares so set apart for such ally or allies shall be transmitted to such persons as may be duly authorized on behalf of such ally or allies to receive the same.

Ships or vessels, being in sight of the Prize, as also of the captor, under circumstances to cause intimidation to the enemy and encouragement to the captor, shall be alone entitled to share as joint captors.

After having deducted the portion set apart as aforesaid for our allies, a distribution so far as regards Her Majesty's forces, shall be as follows:—The flag officer or officers shall have one twentieth part of the whole net proceeds arising from prizes captured from the enemy by any of the ships or vessels under his or their command; and the rewards conferred for the same, according to the following conditions and modifications, save and except as hereinafter provided and directed; that is to say,

When there is but one flag officer he shall have the entire one twentieth part; when two flag officers shall be acting together, the chief shall have two thirds, and the other flag officer shall have the remaining one third of the one twentieth part; and when there shall be more than two flag officers, the chief shall have one half of the said one twentieth part, and the remaining half shall be equally divided among the junior flag officers; commodore of the first class and captains of the fleet to share as flag officers. Provided always, That no flag officer, unless actually on board any of Our ships or vessels of war, and at the actual taking, sinking, burning, or otherwise destroying any ship or ships of war, privateer or privateers, belonging to the enemy, shall share in the distribution of any share, money, or bounty money granted as a reward for taking, sinking, burning, or otherwise destroying any such ship or vessel of the enemy.

That no flag officer commanding in any port in the United Kingdom shall share in the proceeds of any prize captured from the enemy by any ship or vessel which shall sail from or leave such port by order of the Lord High Admiral, or of Our Commissioners for executing the Office of Lord High Admiral.

That when ships or vessels under the command of several flag officers belonging to separate stations shall be joint captors, each flag officer shall receive a proportion of the one twentieth part, according to the number of officers and men present under the command of each such flag officer; and when any ship or vessel under orders from the Lord High Admiral, or from Our Commissioners for executing the Office of Lord High Admiral, are joint captors with other ships or vessels under a flag or flags, the like regulations as to the apportionment of the flag share to the flag officer or officers are to be observed.

With reference to flag officers to be noted,  
That when an inferior flag officer is sent to reinforce a superior officer on any station, the superior flag officer shall not share in any Prize taken by the inferior flag officer before he has arrived within the limits of that station unless the inferior officer shall have received some order directly from him, which shall be acting in execution of some order issued by such superior flag officer.

No chief flag officer quitting any station, except upon some definite urgent service, and with the intention of returning to the station as soon as such service is performed, shall share in any Prize taken by Our ships or vessels left behind after he has passed the limits of the station, or after he has surrendered the command to another flag officer appointed by the Admiralty to command in chief upon such station.

An inferior flag officer quitting any station (except when detached by orders from his commander-in-chief upon a special service, accompanied with orders to return to such station as soon as the service has been performed), shall have no share in Prizes taken by the ships and vessels remaining on the station after he has passed the limits thereof.

In like manner flag officers remaining on such station shall not share in the Prize taken by such inferior officer, or by ships or vessels under his immediate command, after he has quitted the limits of the station, except he has been detached as aforesaid.

A commander-in-chief or other flag officer belonging to

any station shall not share in any Prize or Prizes taken out of the limits of that station by any ship or vessel under the command of a flag officer of any other station, or under orders from Our Commissioners of the Admiralty, unless such commander-in-chief or flag officer is expressly authorized by Our said Commissioners to take the command of that station in which the Prize or Prizes is or are taken, and shall actually have taken upon him such command.

Every commodore having a captain under him shall be esteemed a flag officer with respect to the twentieth part of Prizes taken, whether he be commanding in chief or serving under command.

The first captain to the admiral and commander-in-chief of our fleet, and also the first captain to any flag officer appointed to command a fleet or ten ships the line or upwards, shall be deemed to be a flag officer for the purpose of sharing in Prize, and shall be entitled to share therein as the junior flag officer of such fleet.

Any officer on board any of Our ships of war at the time of capturing any Prize or Prizes which shall have more commissions than one shall be entitled only to share in such Prize or Prizes according to the share allotted to him by the above-mentioned distribution in respect to his superior commission or office.

And with reference to other officers it is to be noted, that a captain, commander or other commanding officer of a ship or vessel shall be deemed to be under the command of a flag when he shall have received some order from, or be acting in the execution of some order issued by a flag officer, whether he be or be not within the limits of the station of such flag officer; and in the event of his being directed to join a flag officer on any station, he shall be deemed to be under the command of such flag officer from the time when he arrives within the limits of the station, which circumstance is always to be carefully noted in the log-book; and it shall be considered that he continues under the flag officer of such station until he shall have received some order directly from, or be acting in the execution of some order issued by some other flag officer, duly authorized, or by the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral.

And We hereby direct, that the captain, commander, lieutenant commanding, master commanding, or any other officer duly commanding any ship, sloop, or vessel of war, singly taking any Prize from the enemy, that is to say, the officer actually in command at the time shall have one eighth part of the prize, or if there is no flag, one eighth of the entire net proceeds—except that if the single capturing ship be a rated ship, having a commander under the captain, the commander shall take a portion of the one eighth part, as if he were commander of a sloop, according to the proportion hereinafter set forth; and if more than one commanding officer of the same rank of command shall be entitled to share as joint captors, the one eighth shall be equally divided between them; but when captains, commanders, lieutenants commanding, and masters commanding, respectively, Our ships and vessels of war, and commanders under captain in rated ships, shall share together, in whatever variety of combination, the one eighth shall be so divided into parts for a graduated apportionment as to provide for each captain receiving six parts, each commander of a sloop, or commander under a captain in a rated ship, three parts, and each lieutenant commanding or master commanding, or other officer actually commanding, a small vessel of war, two parts, which We hereby direct shall be the proportion in which they shall respectively share; commanders of the second class, and field officers of marines or of land forces serving as majors, doing duty as field officers, above the rank of major, to share as captains; and field officers of marines or of land forces serving as marines, and doing duty in the rank of major, to share as commanders of sloops.

And We further direct, that after provision shall thus have been made for the flag share (if any), and for the portion of the commanding officer or officers and others as above specified, the remainder of the net proceeds shall be distributed in ten classes, so that each officer, man, and crew composing the rest of the complement of Our ships, sloops, and vessels of war, and actually on board at the time of any such capture, and every person present and assisting shall receive shares, or a share, according to his class, as set forth in the following scale:—

And with respect to supernumeraries of ratings in the service below the denominations of those specified in the fourth class of this Our Proclamation, and who at full victuals are engaged in the ordinary duties of the ship, it is Our Will and Pleasure that they shall always share according to the ratings which they bear in the service.

And in order that Our Royal intention herein may be duly carried into effect, We further direct that when any capture is made from the enemy, the captain or commanding officers of our ships or vessels of war making the same shall transmit or cause to be transmitted, as soon as may be, to the secretary to the Admiralty a true and perfect list of all the officers, seamen, marines, soldiers, and others who were actually on board on the occasion, accompanied by a separate list containing the names of those belonging to the crew who were absent on duty or otherwise at the time, specifying the cause of such absence; each list to contain the quality of the service of each person

and, together with the respective descriptions of men taken from the description book of the ship or vessel, and their several ratings, to be subscribed by the captain or commanding officer, and three or four more of the chief officers on board.

And where the list of those actually on board, and the separate list of persons absent though belonging to the ship or vessel, shall have been verified on examination with the muster books lodged as official records, the Accountant General of Our Navy shall, upon request, grant to the agent or agents nominated or appointed by the captain, a certificate that such list is correct or have been corrected, as occasion may require, in order that distribution of the Prize or other proceeds may be duly made.

And in the event of difficulty arising with respect to any of the regulations hereby ordered, or if any case should occur not heretofore provided for, or not sufficiently provided for, We are pleased hereby to authorize the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral for the time being, to issue such directions thereupon as may appear just and expedient; such directions shall have the same force and effect as if specially provided for in this Our Royal Proclamation.

Given at Our Court at Buckingham Palace, this twenty-fourth day of March, in the year of Our Lord one thousand eight hundred and fifty-four, and in the seventeenth year of Our reign.

We do, therefore, in pursuance of the Powers so vested in His Majesty, his Heirs and Successors, by this Our Royal Proclamation, in the Name and on the Behalf of his Majesty, and by and with the Advice of His Majesty's Privy Council, think proper to order and direct, and we do hereby order and direct, That all Gold, Silver and Jewels, or other Articles received as Treasure by special Order, conveyed in His Majesty's Ships and Vessels, in the Care and Charge of the Captain or Officer commanding such Ship or Vessel, shall be liable to the Payment of Freight, whether such Treasure belong to the Crown or to other Parties.

That on the Delivery of any Gold, Silver, or Jewels, or other Articles as aforesaid, on board any of His Majesty's Ships or Vessels, for which Freight shall be payable as aforesaid, or according to the Provisions and Directions hereinafter contained, a Receipt or Bill of Lading, or Receipts or Bills of Lading, shall be made and signed by the Captain or Officer commanding such Ship or Vessel, describing the Quantity or Value of such Gold, Silver, Jewels, or other Articles as aforesaid, and the Terms on and Patent to which such Captain or Officer commanding such Ship or Vessel so receiving the said Gold, Silver, or Jewels, or other Articles, on board his said Ship or Vessel, shall be liable or responsible for the same, in case of Loss or Damage thereof to which by Law he might be liable, in Form or to the Effect following:

That in case of any Difference on any Question arising out of the above Scale, or omitted in the said Scale, the Lords Commissioners of the Admiralty shall have Authority to decide what the Freight shall be under the said Scale, or adding as nearly as possible, in Cases not specified, to the Spirit and Principles of the said Scale.

That on the Shipment of Gold, Silver, or Jewels, or other Articles received on board as Treasure by special Order, the Rate of Freight, per Cent, according to the above Scale, shall be endorsed on the Bill or Bills of Lading, or Receipt or Receipts of the Officer receiving the Charge thereof, such Endorsement or Endorsements to be signed by the said Officer; but in case of any Difference of Opinion Abroad, or when immediate Reference cannot be had to the Lords of the Admiralty, it may be expressed, "at such Rate as the Lords Commissioners of the Admiralty shall decide."

When Treasure belonging to the Crown shall be shipped in any of His Majesty's Ships or Vessels with a Commissary or Conductor specially charged with the Care thereof, the Officer commanding such Ship or Vessel shall not be required to give any Receipt, nor to sign any Bill of Lading, and such Officer shall not receive any Freight on account thereof, nor be liable to make good any Loss or Damage which may happen to the same.

That the Lords Commissioners of the Admiralty shall have Authority to direct at what Time, and for what Time, and within what Limits, the War Freight shall be payable on Private Treasure received by Special Order.

And We do hereby further order and direct, That the whole Amount of the said Freight, when received, shall be divided into Four Parts, and distributed as follows: Subject to the Proviso, hereinafter mentioned: One Fourth to

The Admiral or Admirals, if more than one on the Station or in the Squadron to which the Ship receiving Treasure on board may belong; Two Fourths to the Captain or Officer commanding such Ship or Vessel, who shall give his Receipt or sign the Bill of Lading for the Treasure; and Two Fourths to Greenwich Hospital, for the use of that Institution.

That when there shall be more than One Flag Officer on a Station, the said One Fourth Part shall be divided and distributed amongst the several Flag Officers on the Station, in the following Proportions, viz.

If there be but Two Flag Officers, the Chief shall have Two Thirds Parts of the said One Fourth, and the other shall have the remaining Third Part; but if the Number of Flag Officers be more than Two, the Chief shall have only One Half, and the other Half shall be equally divided amongst the Junior Flag Officers; but if there be no Flag Officer on the Station, or that the Ship or Vessel be not under the Orders of a Flag Officer, then that the Captain or Officer commanding the Ship or Vessel shall have Three Fourths, and Greenwich Hospital One Fourth.

Provided that such Admiral or Admirals shall not be entitled to claim his or their respective Share or Shares in such Freight Money, otherwise than on Condition that he or they shall, before the Gold, Silver, Jewels, Treasure, or other Articles aforesaid, shall be put on board such Ship or Vessel, have respectively given Notice in Writing to the Captain or Officer commanding such Ship or Vessel, or his Agent, or have entered or caused to be entered in a Public Order Book on board the Ship of the Commander in Chief, or the Senior Flag Officer commanding on the Station or in the Squadron to which such Vessel belongs; or in case of a Junior Flag Officer absent from the Commander in Chief, unless such Junior Flag Officer shall have notified under his Hand to the Commander in Chief, to be entered in the said Order Book, an Engagement in Writing in Form or to the Effect following:

I, A. B., do hereby declare of parking in the Advantages, with the like attendant thereon, arising out of the Conveyance of Freight of Treasure in any of the Ships or Vessels in the Squadron, (or, in the particular Ship, at the Case may be); And I hereby engage to make good to the Captain or Captain, Officer or Officers, commanding such Ship or Vessels respectively (or, Ship or Vessel, as the Case may be), such Part of any Loss or Damage for which he or they may be liable in respect to the Gold, Silver, Treasure, or other Articles so carried on Freight, and which he or they respectively may have actually paid and satisfied, as shall be in proportion to the Share or Interest in the said Freight Money to which I may be entitled.

And that such Share or Shares of the Admiral or Admirals as aforesaid, in which he or they shall not be entitled on the Conditions aforesaid expressed, shall go and belong to the Captain or Officer commanding the Ship or Vessel in which the Gold, Silver, Treasure, or other Articles shall be carried on Freight as aforesaid.

That in the Event of Loss or Damage happening to the Gold, Silver, Jewels, or other Articles so received on Freight, exceeding the total Freight Money, Greenwich Hospital shall not be entitled to receive any Sum on account of such Freight; and in Cases in which the Loss may not amount to the Whole of the Freight Money, Greenwich Hospital shall be entitled only in its Proportion to the Balance of Freight Money over and above such Loss or Damage.

That Commanders, with Captains under them, and Captains of the Fleet, are to be considered, agreeably to the Rules of the Service, as Flag Officers; and Commanders, without Captains under them, shall, with respect to Freight, be also considered as Flag Officers when in the Command of a Station.

That when the Captain or Commander, or his Agent, shall have received the Freight, he shall pay over to the Senior Flag Officer and to the Treasurer of Greenwich Hospital, without Delay, their respective Shares, and the Captain shall be held responsible to both for any Loss which may arise through his Neglect or delay in receiving or paying the same; but if there be any Question or Difficulty as to the Payment, he is to apprise the Senior Flag Officer and the Treasurer of Greenwich Hospital respectively of the Cause of such Delay.

That the Captain or Officer commanding, on receiving any Treasure on board any of His Majesty's Ships or Vessels, shall transmit to the Senior Flag Officer, when such Captain or Officer commanding shall be under a Flag Officer, and in every Case to the Treasurer of Greenwich Hospital, and to the Secretary of the Admiralty, a Return of the Amount of such Treasure and of the Freight paid or to be paid thereon.

That when the Treasure shall, during the Voyage, be transhipped into One or more Ships, the Freight shall be divided, *pro rata portione*, amongst the Admirals and Captains who may be entitled to share therein, according to the Services performed by the different Ships respectively; and if any difficulty or Dispute shall arise respecting such Division or Distribution, any party interested therein may refer the same to the Lords Commissioners of the Admiralty; and the Decision or Orders of the Lords Commissioners of the Admiralty, or any Three of them, as to such Division or Distribution, shall be final and conclusive thereon.

That, in order to prevent any Doubt or Misunderstanding as to the Rate or Distribution of Freight on Gold, Silver, Jewels, or other Articles as aforesaid, received on board Flag Ships, or any other of His Majesty's Ships and Vessels, and to prevent any private Agreements inconsistent with these Regulations, all Flag or other Officers are expressly forbidden to receive on board any of His Majesty's Ships or Vessels any Gold, Silver, Jewels, or other Articles as aforesaid, upon any Agreement or Condition different from these Regulations, or to take, demand, or receive any Sum, other than those established by these Regulations.

That these Rules and Regulations shall be in force from the Day on which they shall be received by His Majesty's Officers, and be thenceforward taken and understood to be the established Rule and Custom of His Majesty's Naval Service, on the several Particulars to which they refer, till they shall be revoked or otherwise altered by any Proclamation or Proclamations to be issued by Us.

Given at the Court at *Whitehall*, this Twelfth Day of July, One Thousand Eight Hundred and Nineteen.

In the Fifty-ninth Year of His Majesty's Reign.

GOD SAVE THE KING.

#### TREASURE PLACED ON BOARD H.M.'S SHIPS FOR CUSTODY ONLY.

Admiralty, 4th June, 1831.

SIR,—My Lords Commissioners of the Admiralty having had under their consideration a question relative to the Freight Money to be allowed for treasure deposited on board His Majesty's ships for custody only, have decided that freight for such a deposit should be paid as if such deposit were a conveyance from one place to another within the same station, and shall be divided equally as has been on board more than one of His Majesty's ships among the Captains, as freight for conveyance would have been;—in all cases Greenwich Hospital is to have a share; and where, after any such deposit, new bills of lading, or new orders for conveyance, either on board another ship or the same ship, shall be made, the freight established for such conveyance by the Order in Council is to be charged, over and above the freight which might be already due on the score of deposit.

I have it in command from their Lordships to acquaint you therewith for your information and guidance.

I am, Sir, &c. &c. &c.

BY THE KING.

A PROCLAMATION.

WHEREAS by an Act passed in the Fifty-ninth Year of the Reign of His late Majesty King George the Third, Chapter XXIII, intitled *An Act to enable His Majesty to fix a Rate and Limit to the Payment of Freight Money for the Conveyance of Specie and Jewels on board His Majesty's Ships and Vessels*, it is enacted, that from and after the Eighth Day of April One thousand eight hundred and nineteen, all Freight Money to be paid for the Conveyance, on board any of the Ships and Vessels, of any Gold, Silver, or Jewels, or of any other Article which may by special Order be received on board, and for which Freight shall be payable, shall be paid at such Rate, and be distributed and applied for such Purposes, and divided to and amongst such Persons, in such Proportions, and after such manner, as His Majesty, His Heirs and Successors, should from time to time think fit in order and direct by any Proclamation or Proclamations to be issued for that Purpose; in pursuance of which Act a Proclamation was, on the Twelfth Day of July following, made and issued by His Royal Highness the then Prince Regent in the Name and on the Behalf of His said Majesty, whereby, amongst other things, a Scale of Rates at which Freight should

payable for Public and Private Treasure respectively, in Peace and War, and for different Voyages, was fixed and established: And whereas We have thought fit to order that the said Rates should be altered: We have therefore, by and with the advice of Our Privy Council, deemed it expedient to issue this Our Royal Proclamation, and We do hereby ordain, declare, and command, That from and after the First Day of September next, the said Scale of Rates so fixed shall cease and be no longer in force: And We do further declare, That from thenceforth the following Rates shall be established during Peace and War.

	For Crown Treasure	For Treasure belonging to other Parties.

For any Distance of Two thousand Leagues and upwards	1	1½	2

And it is further established and declared, That such Freight shall be payable clear of all Deduction whatsoever; and that it shall be stipulated in the Bill of Lading that the Captain and Commanding Officers of Our Ships and Vessels shall not be liable to any Expenses attending the Shipment of such Treasure, or other Articles, until the same shall be safe alongside of their respective Ships or Vessels, and that their liability shall cease from the Moment they shall have landed the Treasure at the Port to which the Ships carrying the Treasure shall be destined.

And it is further declared, That in all other respects, save what is hereby altered, the said Proclamation of the Twelfth Day of July One thousand eight hundred and nineteen, and the Rules and Regulations thereby established, shall continue in full Force.

Given at Our Court at St. James's, this Twenty-third Day of April One thousand eight hundred and thirty-one, in the First Year of Our Reign.

GOD SAVE THE KING.

BY THE KING.

A PROCLAMATION.

WILLIAM R.

WHEREAS We did, by Our Royal Proclamation of the Twenty-third Day of April last, establish and declare a Scale of Rates at which Freight should be payable for Public and Private Treasure conveyed on board any of Our Ships and Vessels: We have, by and with the Advice of Our Privy Council, thought fit further to ordain, declare, and command, and We do hereby ordain, declare, and command, That from and after the First Day of September next, the Freight for conveying Gold and Silver in any of Our Packets between any Two Ports, the navigable Distance between which shall exceed Six hundred Leagues, shall be fixed at the Rate of One per Cent., both for Gold and Silver: and We do hereby establish and declare, That the Responsibility of the Officer in charge of such Treasure shall commence when it shall be safe alongside the said Packet, and shall cease the Moment that it shall be landed at the Port of Destination: And it is further declared, That in all other respects the said Proclamation of the Twenty-third Day of April last, and the Rules and Regulations thereby established, shall continue in full Force.

Given at Our Court at St. James's, this Eighth Day of June One thousand eight hundred and thirty-one, in the First Year of Our Reign.

GOD SAVE THE KING.

Admiralty, 24th October, 1848.

The Lords Commissioners of the Admiralty are pleased to say that Officers are not to constitute themselves

judges of their own claims to Freight, nor deduct from Treasure belonging to the State such sums as they consider themselves entitled to, but that all claims for Freight on Public Treasure be submitted in the usual manner to the Lords of the Treasury for such orders as may appear to them to be required.

And with reference to the Circular Order of 4th June, 1831, granting an allowance for Treasure deposited on board Her Majesty's Ships for *Guadalupe only*, as if such deposit were a conveyance from one place to another within the same station, my Lords direct that the Regulations under that Order are not to be considered as applying to Public Treasure, but to Treasure belonging to Private Individuals only.

By Command of their Lordships,

SEYMOUR HARRIS.

Not more than one child of the same father is to be admitted, unless under special circumstances by order of the Board of Admiralty.

The Education in this School embraces such Mathematical Instruction as is necessary for a proper knowledge of the principles of Navigation, Nautical Astronomy, the Theory and Practice of Marine Surveying, Construction of Charts, and the Practical Use of Instruments for Mathematical and Astronomical purposes, together with the usual Elements of an English Education, including the study of the Bible\* and instruction in the doctrines of Christianity.

At the time of admission, two respectable Housekeepers (of whom the Father, if qualified, should be one) are to be jointly bound in the sum of Fifty Pounds, that the Boy shall not abscond from the School, nor embezzle or injure any of the Clothes, Books, Instruments, or other property of the Institution.

At the age of 15 (or sooner if the usual course of education is completed), all the Boys in the Upper School shall be sent to Sea, either in the Royal Navy or Merchant's Service, or otherwise disposed of as may be determined.

The following Certificates are in all cases to be produced previous to admission into the School:—

1. A Certificate declaring the Boy to be a proper Object for the Charity (for which see p. 209).

\* Children of Roman Catholics or of Protestant Dissenters will not be required to learn any particular Catechism, and will be allowed to attend the Public Worship of the religious persuasion of their Parents, provided application be made at the time of admission by the Father, if living; and if the Father be dead at the time of the Child's admission, that the Marriage Certificate, or Baptismal Register of such Child, according to the rites and ceremonies of any established religious community, of a date previous to the Father's death, be received as the proper evidence of the religious tenets of the Father; that is, provided an authentic document written by the deceased Father be produced, expressive of his religious direction or wish with regard to the religious instruction of such Child.

### FORM OF APPLICATION.

The Columns below must be properly filled up according to the circumstances of the case, and also the Certificate and Engagement at the foot thereof. When this Form and the other Documents are submitted to the Registrar, the Registrar will fill up the Application, if the Child is not already registered, and will also fill up the Certificate and Engagement, if the Child is already registered. The Registrar will also fill up the Certificate and Engagement, if the Child is already registered, and will also fill up the Application, if the Child is not already registered. Any attempt to impose on the Institution—by false Information or Document—or the fraudulent substitution of one Child in place of another—will entirely vitiate the Claim, and subject the parties to a prosecution.

## REGULATIONS WITH REGARD TO THE MESS ACCOUNTS OF MATES AND SUBORDINATE OFFICERS

*Admiralty, 10th March, 1856.*

My Lords Commissioners of the Admiralty having reason to believe that a sufficient check has not been imposed in some of Her Majesty's Ships to prevent an extravagant mode of living in the Messes of Mates and Subordinate Officers, desire to call the attention of the Captains and Commanding Officers of Her Majesty's Ships to Chap. 5, Sect. 2, Art. 6, page 94, of the Admiralty Instructions.

My Lords further direct that in future the Mess Accounts of the Mates and Subordinate Officers of Her Majesty's Ships shall be subject to inspection, with all necessary Vouchers, by a Lieutenant, Paymaster and Naval Instructor (when there is one on board) of the respective Ships, and shall be afterwards submitted to the Captain or Commanding Officer for his approval or otherwise. The Captain is to order this inspection to take place at the close of each Quarter of the Year, and the Inspecting Officers are to report to the Officer in Command the names of those Officers who may not have paid their Mess expenses, or who may have been the cause of any extravagance in the Mess; also, if there are any outstanding liabilities, and to what extent; and the Captains and Commanding Officers are to regulate the amount of entrance money and monthly payments on such a moderate scale as they may consider fit and proper, and the circumstances of each Ship and Station may require, and as the pecuniary means of the Officers may enable them to contribute to.

The Captains and Commanding Officers are to report to the Commanders-in-Chief, for their Lordships' information, whenever the Mess Accounts are found to be in an unsatisfactory state, with all the circumstances which may have led thereto.

By Command of their Lordships,

R. OSBORNE.

To all Commanders-in-Chief, Captains, and Commanding Officers of Her Majesty's Ships and Vessels.

With reference to the anonymous certificate contained in the London Gazette of the 2nd and 6th November last, the Lords Commissioners of the Admiralty hereby give notice that the Crimean Medal will not be given to the Crews of any of Her Majesty's Ships and Vessels for service in the Black Sea or in the Sea of Azov, performed after the 9th September, 1855, — the day on which Sebastopol fell, unless they shall have been engaged after that date in some expedition or operation against the enemy, which service must be duly certified.

By Command of their Lordships,

R. OSBORNE.

To all Commanders-in-Chief, Captains, Commanders, and Commanding Officers of Her Majesty's Ships and Vessels.

## DIRECTIONS FOR STEERING BY SIGNS.

*Admiralty, April 2nd, 1856.*

In order to prevent the possibility of mistakes arising from the use of the hands in giving Signals to the Helmsman on board Her Majesty's Ships, My Lords Commissioners of the Admiralty are pleased to direct that the Officer who may be directing the Steering shall use the Right Arm elevated when a Starboard Helm is required, and the Left Arm when a Port Helm is required.

By Command of their Lordships,

R. OSBORNE.

To all Commanders-in-Chief, Captains, and Commanding Officers of Her Majesty's Ships and Vessels.

## EXAMINATION OF SCREW PROPELLERS.

*Admiralty, April 4th, 1856.*

The practice of raising Screw Propellers for the purpose of examination being sometimes neglected for too long a period, My Lords desire the Captains and Commanders of all Steam Ships and Vessels fitted with trunks and apparatus for raising Screw Propellers to cause the Screw to be raised at least once a month, or after steaming a distance of two thousand miles, and the result of the examination inserted in the Engine Room Register, and in the Three-Monthly Report of the State of the Engines.

Whenever there are no surfaces of iron exposed to the action of the water, the Screw should be kept shipped, and not suspended in the trunk; but, if there should appear to be any particular reason to justify a deviation from this course, the Screw should be lowered at least once a month, and turned round by the engine, or by the turning gear, to ascertain that the fittings are in all respects in working order; when the result, and the particular circumstances that rendered it desirable to keep the Screw unshipped, are to be recorded in the register and periodical return above specified.

By Command of their Lordships,

R. OSBORNE.

To all Commanders-in-Chief, Captains, Commanders, and Commanding Officers of Her Majesty's Ships and Vessels.

## CIRCULAR, No. 248.

## INSPECTORS OF MACHINERY, CHIEF ENGINEERS, AND ASSISTANT ENGINEERS.

*Admiralty, April 21st, 1856.*

The undermentioned Regulations relative to the Pay, &c., of Inspectors of Machinery, Chief Engineers, and Assistant Engineers, have been established under Her Majesty's Order in Council of the 4th of April, 1856.

The system of dividing the Chief Engineers into three Classes is abolished, and a higher rate of pay, as in the case of Masters, is to be granted to such as are qualified to serve in 1st or 2nd Rates, than to those not so qualified, and their pay is to increase with length of service.

The Chief Engineers now in the 1st Class are to be regarded as qualified for the 1st or 2nd Rates, and all Chief Engineers are to retain their present pay if exceeding that allowed by the new scale.

Harbour Pay and the present system of Pensions to Chief Engineers are to be discontinued, and Half Pay is to be granted in lieu thereof.

A certain number of Assistant Engineers who may prefer it, and who may be considered fit and deserving, will be passed as the Admiralty as Engineers qualified for Charge. They are to hold their present rank in the Service, but their pay is to be that, not exceeding a year, with an increase of 1s. a day after six years' service as Engineers in Charge. These Officers will no longer be liable to serve under a Chief Engineer, and they must give up the expectation of becoming Chief Engineers and Ward Room Officers.

No change is to be made in the regulations respecting the Harbour Pay and Pensions of Assistant Engineers, but Inspectors of Machinery, Chief Engineers and Assistant Engineers, are to be placed with respect to Pensions and Gratuities for Wounds or Injuries, and also with respect to Pensions and Allowances to their Widows and Families, on the same footing as Masters of the Fleet, Masters, and Second Masters respectively.

The Full and Half Pay of Inspectors of Machinery and Chief Engineers will be as follows:—

CIRCULAR, No. 236.  
CRIMEAN MEDAL.

*Admiralty, May 1st, 1856.*  
Her Majesty having been graciously pleased to signify Her intention of granting the "Sebastopol" Clasp to the Officers and Crews of Her Majesty's Ships employed in co-operation with the Land Forces in the reduction of Sebastopol, as well as a Clasp, bearing the word "Azoff," to the Officers and Crews of Her Majesty's Vessels employed in the Sea of Azoff, the Lords Commissioners of the Admiralty hereby give notice of the same.

The period for which the "Sebastopol" Clasp is to be awarded, for service as aforesaid, dates (as in the case of the Army) from the 1st of October, 1854, to the 31st of September, 1855.

The "Azoff" Clasp will be awarded to the Officers and Crews of such Ships as served in the Sea of Azoff between the 25th of May, 1855, and the 9th of September, 1855, as well as to the Officers and Men who were employed in the Hosts of Line-of-Battle Ships which took part in the operations against Taganrog, or elsewhere, within the Sea of Azoff.

In cases in which either Officers or Men have been engaged in any expedition or operation in the Sea of Azoff after the 9th of September, the period for which the "Azoff" Clasp is to be awarded will be extended to the 22nd of November, 1855. The service for which this Clasp is claimed must, in such cases, be duly certified as required by their Lordships' Circular Order of 26th March, 1856, No. 243.

By Command of their Lordships,  
R. OSBORNE.  
To all Commanders-in-Chief, Captains, Commanders, and Commanding Officers of Her Majesty's Ships and Vessels.  
N.B.—The Clasp will not be ready for issue before the end of the present month.

CIRCULAR, No. 251.  
ISSUE OF SPLIT PEAS.

*Admiralty, 3rd May, 1856.*  
The Lords Commissioners of the Admiralty, with the view of improving the Diet of the Crews of Her Majesty's Ships and Vessels, have been pleased to direct that Split Peas shall be issued generally instead of Whole Peas, and in the following proportions, viz. —

	Seamen at full allowance.	Super-numeraries at two-thirds allowance.	Troops.	Women.	Children under 10 years.
Split Peas, Pint.	$\frac{1}{3}$	$\frac{2}{3}$	$\frac{2}{3}$	$\frac{1}{6}$	$\frac{1}{12}$

This change is to commence as soon as the present supply of Whole Peas shall be exhausted, and the Paymasters of Her Majesty's Ships are to insert the Split Peas on their General Victualling Accounts in a separate column, carrying to the General Statement the Balances of each description, and showing upon their Victualling Accounts the date upon which the change has been adopted.

By Command of their Lordships,  
R. OSBORNE.  
To all Commanders-in-Chief, Captains, and Commanding Officers of Her Majesty's Ships and Vessels.

CIRCULAR, No. 252.  
MEN BORNE AS DISPOSABLE SUPERNUMERARIES.

*Admiralty, 15th May, 1856.*  
Their Lordships' attention having been called to the hardships experienced by men borne for lengthened periods in Her Majesty's Ships, as Disposable Supernumeraries, and by their families, owing to their not receiving their wages, and not being permitted to allot while so borne, are pleased to direct that, as a general rule, the earliest opportunity is to be taken of putting such men into vacancies, as they occur, in the complements of Her Majesty's Ships, and, further, that Petty Officers and Seamen borne as Disposable Supernumeraries, for whom no vacancies can be found, shall, after being so borne for a period of not less than Three Months, be paid an even sum, on account of the wages due to them, care being taken that they are not thereby brought into debt, it being understood that these payments are to be applied by the men for the support of their families, as a substitute for an allotment.

Disposable Supernumeraries may also be paid Monthly Allowance, in addition to these Payments on Account, but care is to be taken that the proportion prescribed by Article 3, at page 6 of the Circular No. 183, be never exceeded.

The Payments on Account, with all other charges, are to be placed against the men's names on the Supernumerary List, and transferred, with them to the Ship of whose crew they may become a part, to be recovered on her Pay Book, and My Lords will hold the Captains and Paymasters of the Ships on board which the payments are made responsible for their being correctly charged on the documents by which the Supernumeraries are transferred to other Ships.

By Command of their Lordships,  
R. OSBORNE.  
To all Commanders-in-Chief, Captains, and Commanding Officers of Her Majesty's Ships and Vessels.

CIRCULAR, No. 253.  
PRECAUTIONS TO BE OBSERVED TO PREVENT ACCIDENTS WHEN SALUTING.

*Admiralty, 20th May, 1856.*  
My Lords Commissioners of the Admiralty have to call the attention of Officers in command of Ships to the accidents which frequently occur in firing Salutes, in consequence of the Vent being stopped by the thumb in lieu of a properly fitted Vent Plug; and they desire that whenever it may be necessary to reload a Gun for the purpose of saluting, it may be run into a "taut breech" before the sponge is entered for sponging it, and that care be taken that the proper Gun's Crew are in their respective stations.

As a further precaution, the Worm is to be used before the Sponge.

By Command of their Lordships,  
R. OSBORNE.  
To all Commanders-in-Chief, Captains, Commanders, and Commanding Officers of Her Majesty's Ships and Vessels.

## NAVAL MEDALS.

*Admiralty, 7th June, 1848.*

The Lords Commissioners of the Admiralty having referred to a Committee of Flag Officers the consideration of the naval actions for which medals should be granted, in accordance with the spirit of the Queen's most gracious intentions, as signified in the Gazette of the 4th June, 1847, and Her Majesty having been pleased to approve of several of the suggestions submitted by the said Committee, the following notice is issued for the information and guidance of those who may have claims to this honourable distinction:—

1st. The rule, directed by Her Majesty to be observed in extending this mark of Her royal favour, is so comprehensive as to bring within its scope all Officers, seamen, and marines (and soldiers who served as marines) who were present in any action which at the time received the special approbation of the Lords Commissioners of the Admiralty.

2nd. From the commencement of the war in 1793, it was the practice of the Board of Admiralty to notice battles of conspicuous merit by the promotion of the First Lieutenant of the ship or ships, or the promotion of the Commander, if the action was fought by a small vessel; and, conformably with this practice, it is Her Majesty's pleasure, that persons of every rank, who were present in such actions, during the wars commencing in 1793, and ending in 1815, and now living, shall receive a medal commemorative of their meritorious services; and they are required forthwith to state their claims for each action in which they may have been engaged, according to the form (A) herewith annexed, and transmit the same to the Secretary of the Committee of Flag Officers, Admiralty, London.

3rd. Her Majesty has also been pleased to take into Her gracious consideration the many instances of gallantry displayed by Officers, seamen, and marines in boat actions during the same period, and to direct that such services, if distinguished by the promotion of the Officer conducting the enterprise, shall entitle those who were present, and now living, to a medal; provided the answers, to be given in the form (B), shall enable the Committee to ascertain that the claim is well founded. But the Officers, seamen, and marines of the ships, from which the boats were detached, are not to participate in a distinction which only properly belongs to those personally engaged.

4th. It is also ordered, that service in the frigates and smaller vessels, which were actually present in any of the

great fleet actions mentioned in the Gazette of the 4th June, 1847, for which the Captains of the ships of the line received medals, shall entitle those now surviving of the crews of such vessels to a medal.

And all surviving Officers, seamen, and marines, belonging to ships actually co-operating and present during the siege and capture of

Martinique in 1809,  
Guadeloupe in 1810,  
Java in 1811,  
St. Sebastian in 1813,

for which the Army had medals, will be entitled to a similar distinction, if their return, according to form (A), shall enable the Committee to trace the presence and co-operation of the ships to which the applicants belonged.

And 5th. Her Majesty, having taken into Her most gracious consideration the circumstance that medals have been granted by Her Majesty for services rendered by the Navy, not only in the wars commencing in 1793, and ending in 1815, but also for services rendered in the late war in China, whilst the intermediate general actions, viz.:

The attack upon Algiers in 1816,  
The battle of Navarino in 1827, and

The operations on the coast of Syria in 1840, are unmarked by any such distinction, has been pleased to direct, that the surviving Officers, seamen, and marines, engaged in those actions, shall also receive a similar mark of their Sovereign's gracious recollection of their services, and of her desire to record the same; and all such Officers, seamen, and marines, are, therefore, hereby called upon to transmit their claims to such distinction according to the annexed form A, and addressed to the Secretary of the Committee of Flag Officers, Admiralty, London.

The following Flag Officers have been directed to re-assemble, as a committee for the investigation and adjudication of all claims sent in according to the printed forms, viz.:

Admiral Sir T. Byam Martin, G.C.B.  
Admiral Sir W. Hall Gage, G.C.H.  
Admiral the Hon. Sir Thomas Bladen Capel, K.C.B.  
Vice-Admiral Sir James A. Gordon, K.C.B.

By command of the Lords Commissioners of the Admiralty,

H. G. WARR.

*Admiralty, 1st June, 1847.*

Her Majesty having been graciously pleased to command that a medal should be struck to record the services of Her Fleets and Armies, during the wars commencing in 1793 and ending in 1815, and that one should be conferred on every Officer, non-commissioned officer, petty officer, soldier, seaman, and marine, who was present in any action, naval or military, to commemorate which medals have been struck by command of Her Majesty's Royal Predecessors, and distributed to Superior Officers, according to the rules of the Service at that time in force:

All Officers, petty officers, seamen, and marines, who consider that they are entitled to receive this mark of their Sovereign's gracious recollection of their services, and of Her desire to record the same, are to send in writing, the statement of their claims, addressed to the Secretary of the Admiralty, Whitehall, London, specifying for what action, and at what period of time, the claim is preferred, and the names of the persons or the titles of the documents by which it can be established.

A Board of Officers will be appointed to take into consideration the facts stated in these applications, and to report upon the same to the Lords Commissioners of the Admiralty, for the information of Her Majesty, so as to enable those commanded by Her Majesty to deliver to the claimants the medals accordingly.

The names of all those, who may apply for the naval medal, will be classed alphabetically, and to each name will be appended the actions at which the claimant may have been present, proof of which must be given to the entire satisfaction of the Board.

## NAVAL MEDALS.

*Admiralty, 7th June, 1848.*

The Lords Commissioners of the Admiralty having referred to a Committee of Flag Officers the consideration of the naval actions for which medals should be granted, in accordance with the spirit of the Queen's most gracious intention, as signified in the Gazette of the 6th June, 1847; and Her Majesty having been pleased to approve of several of the suggestions submitted by the said Committee, the following notice is issued for the information and guidance of those who may have claims to this honourable distinction:—

1st. The rule, directed by Her Majesty to be observed in extending this mark of Her royal favour, is so comprehensive as to bring within its scope all Officers, seamen, and marines (and soldiers who served as marines) who were present in any action which at the time received the special approbation of the Lords Commissioners of the Admiralty.

2nd. From the commencement of the war in 1793, it was the practice of the Board of Admiralty to notice battles of conspicuous merit by the promotion of the First Lieutenant of the ship or ships, or the promotion of the Commander, if the action was fought by a small vessel; and, conformably with this practice, it is Her Majesty's pleasure, that persons of every rank, who were present in such actions, during the wars commencing in 1793, and ending in 1815, and now living, shall receive a medal commensurate of their meritorious services; and they are required forthwith to state their claims for each action in which they may have been engaged, according to the form (A) herewith annexed, and transmit the same to the Secretary of the Committee of Flag Officers, Admiralty, London.

3rd. Her Majesty has also been pleased to take into Her gracious consideration the many instances of gallantry displayed by Officers, seamen, and marines in boat actions during the same period, and to direct that such services, if distinguished by the promotion of the Officer conducting the enterprise, shall entitle those who were present, and now living, to a medal; provided the answers, to be given in the form (B), shall enable the Committee to ascertain that the claim is well founded. But the Officers, seamen, and marines of the ships, from which the boats were detached, are not to participate in a distinction which only properly belongs to those personally engaged.

4th. It is also ordered, that service in the frigates and smaller vessels, which were actually present in any of the

great fleet actions mentioned in the Gazette of the 6th June, 1847, for which the Captains of the ships of the line received medals, shall entitle those now surviving of the crews of such vessels to a medal.

And all surviving Officers, seamen, and marines, belonging to ships actually co-operating and present during the siege and capture of

Martinique in 1809,  
Gudaloupe in 1810,  
Java in 1811,  
St. Sebastian in 1813,

for which the Army had medals, will be entitled to a similar distinction, if their return, according to form (A), shall enable the Committee to trace the presence and co-operation of the ships to which the applicants belonged.

And 5th. Her Majesty, having taken into Her most gracious consideration the circumstance that medals have been granted by Her Majesty for services rendered by the Navy, not only in the wars commencing in 1793, and ending in 1815, but also for services rendered in the late war in China, whilst the intermediate general actions, viz.:

The attack upon Algiers in 1816,

The battle of Navarino in 1827, and

The operations on the coast of Syria in 1840,

are unmarked by any such distinction, has been pleased to direct, that the surviving Officers, seamen, and marines, engaged in those actions, shall also receive a similar mark of their Sovereign's gracious remembrance of their services, and of her desire to record the same; and all such Officers, seamen, and marines, are, therefore, hereby called upon to transmit their claims to such distinction according to the annexed form A, and addressed to the Secretary of the Committee of Flag Officers, Admiralty, London.

The following Flag Officers have been directed to re-assemble, as a committee for the investigation and adjudication of all claims sent in according to the printed forms, viz.:

Admiral Sir T. Byam Martin, G.C.B.

Admiral Sir W. Hall Gage, G.C.H.

Admiral the Hon. Sir Thomas Bladen Capel, K.C.B.

Vice-Admiral Sir James A. Gordon, K.C.B.

By command of the Lords Commissioners  
of the Admiralty,

H. G. WARD.

*Admiralty, 1st June, 1847.*

Her Majesty having been graciously pleased to command that a medal should be struck to record the services of Her Fleet and Armies, during the wars commencing in 1793 and ending in 1815, and that one should be conferred on every Officer, non-commissioned officer, petty officer, soldier, seaman, and marine, who was present in any action, naval or military, to commemorate which medals have been struck by command of Her Majesty's Royal Proclamations, and distributed to Superior Officers, according to the rules of the Service at that time in force:

All Officers, petty officers, seamen, and marines, who consider that they are entitled to receive this mark of their Sovereign's gracious recollection of their services, and of Her desire to reward the same, are to send in writing, the statement of their claims, addressed to the Secretary of the Admiralty, Whitehall, London, specifying for what action, and at what period of time, the claim is preferred, and the names of the persons or the titles of the documents by which it can be established.

A Board of Officers will be appointed to take into consideration the facts stated in these applications, and report upon the same to the Lords Commissioners of the Admiralty, for the information of Her Majesty, so as to enable those commanded by Her Majesty to deliver to the claimants the medals accordingly.

The names of all those, who may apply for the naval medal, will be classed alphabetically, and to each name will be appended the actions at which the claimant was or have been present, proof of which must be given to the entire satisfaction of the Board.

The occasions for which medals have been granted by the Sovereign are specified below, for general information and guidance.

By command of the Lords Commissioners of the Admiralty.

H. G. Wane.

## NAVAL RETIREMENTS.

### REAR-ADMIRALS AND CAPTAINS.

THE plan of Retirement, published in the London Gazette of 1st Sept., 1846, provides:—

1st. That the rank of Retired Rear-Admiral shall be given, by Seniority, to such applicants from the 14s. 6d. Half-pay List as may be willing to accept it, with the pay of 1l. 5s. per diem, and the corresponding pension to their widows, under the usual restrictions.

2nd. An addition of 7s. 6d. per day to be given to applicants, by Seniority, from the 12s. 6d. and 10s. 6d. Half-pay Lists, being Captains of not less than 20 years' standing and 55 years of age. Officers from both Lists to be permitted to assume the title of Retired Rear-Admiral at the period when they would have obtained the Flag by Seniority had they remained upon the Active List. Their widows to be entitled to a pension of 110l. per annum, and to the pension of Rear-Admiral's widow when the rank of Retired Rear-Admiral has been attained.

3rd. The vacancies upon the 1l. List to be filled up, in turn of Seniority, by Officers then accepting the 18s. per diem; but no new admissions to the 1l. 5s. List to be made until it is reduced below the number of 25, which it is not to exceed afterwards. The permanent Retired List to be reduced to 100, by making one appointment for every two vacancies, the first 25 Officers upon the List receiving 1l. 5s. per diem, and the remaining 75 1l. per diem, with the right of assuming the rank of Retired Rear-Admiral when entitled to it by Seniority.

### RETIREMENT UNDER THE ORDER IN COUNCIL OF

25th JUNE, 1851.

Her Majesty, by Her Order in Council of June 25th, 1851, having been graciously pleased to sanction certain arrangements proposed by the Board of Admiralty, with a view to the general benefit of the Naval Service, and, at the same time, the ultimate reduction of the present charge for half-pay, the Lords Commissioners of the Admiralty hereby give notice of the mode in which the arrangements in question will be carried into effect.

The number of Flag Officers will in future be reduced to 99, exclusive of Admirals of the Fleet; of these 21 to be Admirals, 27 Vice Admirals, and 51 Rear Admirals: this reduction will be effected as follows, viz.—

1st. By removing to a Reserved Half-pay List those Officers now on the Active List who have not served for their Flag, under the Order in Council of 30th June, 1827. These Officers will receive, as at present, the Half-pay of Rear Admirals, but will be allowed the same advantage of rising in rank as if they had remained on the Active List.

2nd. By awarding ten Retired Service Pensions, of 150l. each, to such Flag Officers as are either above 70 years of age, or are physically incapable of further Active Service; such Officers to be placed on the Reserved List, and the vacancies occasioned by death to be filled up from the Active List. These Pensions will not be held in addition to the Good Service Pension.

## CAPTAINS.

The number of Captains on the Active List will be reduced to a number not permanently exceeding 350, and the reduction shall be effected as follows, viz.—

1st. As vacancies occur on the Active List of Flag Officers, the Captain first in Seniority, who has served for his Flag, will be promoted; reserving, however, Her Majesty's undoubted right of selection. Those Captains who rise to their Flags, and who have not so served, will be placed on the Reserved Half-pay List, rising in rank as at present, but with the Half-pay only of Rear-Admirals.

2nd. By keeping up the Retirement of 1846 to the number of 200, to be effected by permitting Captains who are above 55 years of age, and who have been on the Captains' List for ten years, to be eligible for retirement. The Retirement will be so kept up to 200 until the List of Captains shall be reduced to 350; the Retired List then to be diminished by only retiring one in two vacancies until it shall be reduced to 100.

3rd. By observing the rule of promotion, as it is now in force, of promoting one in three vacancies, except in special and individual cases, until the number is reduced to 350.

While my Lords have recommended the abandonment of the system of brevet promotion in future, they are nevertheless desirous of meeting the claims of old officers who have served long and well, and who seek their promotion rather as a reward for past services, than in the expectation of further employment. To meet these claims equitably, and at the same time not to fill the Active List with Officers who cannot long continue fit for service, their Lordships will promote by selection 50 Commanders to the rank of Captains. These Officers will be placed on reserved Half-pay. Of these 50, 20 will be selected in the present year, and 10 in each succeeding year, until the number reaches 50, when the vacancies only will be filled up.

## COMMANDERS.

The number of Commanders on the Active List will be reduced to a number not permanently exceeding 450, and the reduction will be effected thus :—

1st. By selecting 50 Commanders to be Captains, as above specified.

2nd. By increasing to 100 the List of Commanders promoted to the rank of Retired Captain under the Order in Council of 1840, and keeping such Retirement open until the number of Commanders on the Active List is reduced to 450.

3rd. By placing on reserved half-pay all Commanders who have not served afloat, or in the Packet or Revenue Service, within 20 years, or who are physically incapable of service, and by continuing from time to time to remove such Officers from the Active List to Reserved Half-pay. Officers who may be thus placed on reserved half-pay will be allowed to retain all the advantages they now enjoy of rising in pay or rank, or of receiving the Greenwich Out-Pension.

4th. The system of promoting by brevet will be abandoned. 50 Lieutenants, however, will be promoted by selection to the rank of Commander, to be placed on reserved half-pay, in the same manner as specified in the case of Commanders promoted to be Captains.

5th. By observing the rule of promotion of one in three vacancies (except in special and individual cases), as now in force, until the number on the Active List shall be reduced to 450.

## LIEUTENANTS.

The number of Lieutenants on the Active List will be reduced to a number not permanently exceeding 1200, viz :

1st. By the promotion of 50 Lieutenants by selection, as above stated.

2nd. By placing on the reserved Half-pay List all Lieutenants who have not served afloat, or in the Packet or Revenue Service, within 20 years, and all such as are physically unable to serve; and by removing from time to time such Officers from the Active to the Reserved Half-pay List, reserving to them, as in the case of Commanders, all the advantages they now enjoy of rising in pay or rank, or of receiving the Greenwich Out-Pension.

3rd. By keeping up the rule of promoting one officer in three vacancies (except in special and individual cases) till the number of Lieutenants on the Active List shall be reduced to 1200.

4th. No promotion of Mates to be Lieutenants will hereafter be made by brevet: but whereas in case of war, or of emergency, Her Majesty may be pleased by her Order in Council to call such officers from the Reserved List into active service, Her Majesty has been pleased to approve that such Officers as may be so employed shall be in all respects entitled to the pay and emoluments of their respective ranks on the Active List.

#### FURTHER RETIREMENT OF COMMANDERS AND LIEUTENANTS AS EXTENDED BY ORDER IN COUNCIL OF 30TH JAN., 1856.

This Order in Council provides—

1st. That the List of Captains on the Reserved List, established by Order in Council of 25th of June, 1851, be increased from 50 to 100, by selecting from the Active List of Commanders a number not exceeding 15 in the present and in each succeeding year, till the number of 100 be complete, when the vacancies only are to be filled up, by selection also from the Active List.

2nd. That the List of Retired Captains (established by Order in Council of 10th August, 1840, and increased by Order in Council of 25th June, 1851) be increased temporarily from 100 to 250, and permanently to 200. To effect this subsequent reduction, one Officer only will be promoted in two vacancies till the List be reduced to its permanent number of 200, but thenceforward one Officer will be promoted in each vacancy.

Further, as regards Lieutenants, this Order in Council provides that the Reserved List, consisting of 50 Commanders (established by Order in Council of 25th June, 1851) be increased to 100: such increase to be effected by selecting from the Active List of Lieutenants, a number not exceeding 15 in the present, and in each succeeding year, till the number of 100 be complete, when the vacancies only are to be filled up, by selection also from the Active List.

N.B.—Officers who may in future be promoted to the rank of Commander for good service in the Coast Guard, or in command of Revenue Cruizers, will be promoted to the Reserved List, except only in individual cases in which, on the special recommendation of the Comptroller General of the Coast Guard, the Lords of the Admiralty may think it desirable to retain the services of the Officer so recommended, by promoting him to the Active List. Such annual Promotions to the Reserved List will be irrespective of any vacancies on that List; but on the death of an Officer so promoted, his vacancy will not be filled up.

#### COMMANDERS RETIRED WITH THE RANK OF CAPTAIN UNDER THE ORDER IN COUNCIL OF 10TH AUG., 1840.

This List consists of 50 of the Senior Commanders on the List, who have the option of receiving the Retired Rank of Captain, with the Half-pay of 10s. 6d. per diem, being the lowest rate of Half-pay allowed to a Captain. Their widows are allowed pensions of 75*l.* per annum if otherwise entitled thereto.

**LIEUTENANTS RETIRED WITH THE RANK OF COMMANDER UNDER  
THE ORDER IN COUNCIL OF 30TH JAN. 1816.**

1. This List consists of the 100 Senior Lieutenants, who, by age and infirmities, are presumed to be incapable of further service, and who are permitted to retire at a pension of 8s. 6d. a day, with the Rank of Commander. Their widows receive a pension of 60l. per annum.

**LIEUTENANTS RETIRED WITH THE RANK OF COMMANDER UNDER  
THE ORDER IN COUNCIL OF 1ST NOV. 1830.**

2. By this Order in Council the Board of Admiralty are authorized to confer the rank and title of a Retired Commander on every Lieutenant who has reached, or shall hereafter reach, the situation on the List of Lieutenants which entitles him to receive 7s. a day Half-pay. Such Retired Commanders are not to receive any increase to their Half-pay as Lieutenant until they shall have attained the situation of Retired Commanders established by the Order in Council of 30th January, 1816. They cannot be employed as Lieutenants, nor in any situation usually held by Lieutenants, and, if holding such, they must resign, if they wish to take advantage of the proposed Regulations.

**MASTERS RETIRED WITH THE RANK OF COMMANDER UNDER  
ORDER IN COUNCIL OF 19TH MAY, 1846.**

2. This List consists of 40 of the Senior Masters on the List, who have the option of receiving the Retired Rank of Commander, the first 20 at 12s. 6d. a day, and the rest at 10s. 6d. a day. Their widows are allowed pensions of 60l. a year, if otherwise entitled thereto.

N.B.—Masters at sixty years of age, who are qualified for 1st Rates, will be permitted to retire with the Rank of Commander, after 15 years' service on Full Pay as Master, and with the Rank of Captain after 20 years' service on Full Pay in the Rank of Master, but the amount of retirement will be fixed according to the Rate of Half Pay which they may have earned by service as Master.

Masters above fifty-five years of age, and under sixty, who are totally disqualified by sickness or injuries contracted in the service, and rendered incapable of further service afloat, will be allowed, at the discretion of their Lordships, to retire with the Rate of Half Pay which they may have earned, and with the Rank of Commander, provided they have completed not less than 15 years' service in the Rank of Master.

By Authority.

## NAVAL RETIREMENTS.

### REAR-ADMIRALS AND CAPTAINS.

THE plan of Retirement, published in the London Gazette of 1st Sept., 1846, provides:—

1st. That the rank of Retired Rear-Admiral shall be given, by Seniority, to such applicants from the 14s. 6d. Half-pay List as may be willing to accept it, with the pay of 1l. 5s. per diem, and the corresponding pension to their widows, under the usual restrictions.

2nd. An addition of 7s. 6d. per day to be given to applicants, by Seniority, from the 12s. 6d. and 10s. 6d. Half-pay Lists, being Captains of not less than 20 years' standing and 55 years of age. Officers from both Lists to be permitted to assume the title of Retired Rear-Admiral at the period when they would have obtained the Flag by Seniority had they remained upon the Active List. Their widows to be entitled to a pension of 110l. per annum, and to the pension of Rear-Admiral's widow when the rank of Retired Rear-Admiral has been attained.

3rd. The vacancies upon the 1l. List to be filled up, in turn of Seniority, by Officers then accepting the 18s. per diem; but no new admissions to the 1l. 5s. List to be made until it is reduced below the number of 25, which it is not to exceed afterwards. The permanent Retired List to be reduced to 100, by making one appointment for every two vacancies, the first 25 Officers upon the List receiving 1l. 5s. per diem, and the remaining 75 1l. per diem, with the right of assuming the rank of Retired Rear-Admiral when entitled to it by Seniority.

### RETIREMENT UNDER THE ORDER IN COUNCIL OF

25th JUNE, 1851.

Her Majesty, by Her Order in Council of June 25th, 1851, having been graciously pleased to sanction certain arrangements proposed by the Board of Admiralty, with a view to the general benefit of the Naval Service, and, at the same time, the ultimate reduction of the present charge for half-pay, the Lords Commissioners of the Admiralty hereby give notice of the mode in which the arrangements in question will be carried into effect.

The number of Flag Officers will in future be reduced to 99, exclusive of Admirals of the Fleet; of these 21 to be Admirals, 27 Vice Admirals, and 51 Rear Admirals: this reduction will be effected as follows, viz.—

1st. By removing to a Reserved Half-pay List those Officers now on the Active List who have not served for their Flag, under the Order in Council of 30th June, 1827. These Officers will receive, as at present, the Half-pay of Rear Admirals, but will be allowed the same advantage of rising in rank as if they had remained on the Active List.

2nd. By awarding ten Retired Service Pensions, of 150l. each, to such Flag Officers as are either above 70 years of age, or are physically incapable of further Active Service; such Officers to be placed on the Reserved List, and the vacancies occasioned by death to be filled up from the Active List. These Pensions will not be held in addition to the Good Service Pension.

## CAPTAINS.

The number of Captains on the Active List will be reduced to a number not permanently exceeding 350, and the reduction shall be effected as follows, viz.—

1st. As vacancies occur on the Active List of Flag Officers, the Captain first in Seniority, who has served for his Flag, will be promoted; reserving, however, Her Majesty's undoubted right of selection. Those Captains who rise to their Flags, and who have not so served, will be placed on the Reserved Half-pay List, rising in rank as at present, but with the Half-pay only of Rear-Admirals.

2nd. By keeping up the Retirement of 1845 to the number of 200, to be effected by permitting Captains who are above 55 years of age, and who have been on the Captains' List for ten years, to be eligible for retirement. The Retirement will be so kept up to 200 until the List of Captains shall be reduced to 350; the Retired List then to be diminished by only retiring one in two vacancies until it shall be reduced to 100.

3rd. By observing the rule of promotion, as it is now in force, of promoting one in three vacancies, except in special and individual cases, until the number is reduced to 350.

While my Lords have recommended the abandonment of the system of brevet promotion in future, they are nevertheless desirous of meeting the claims of old officers who have served long and well, and who seek their promotion rather as a reward for past services, than in the expectation of further employment. To meet these claims equitably, and at the same time not to fill the Active List with Officers who cannot long continue fit for service, their Lordships will promote by selection 50 Commanders to the rank of Captains. These Officers will be placed on reserved Half-pay. Of these 50, 20 will be selected in the present year, and 10 in each succeeding year, until the number reaches 50, when the vacancies only will be filled up.

## COMMANDERS.

The number of Commanders on the Active List will be reduced to a number not permanently exceeding 450, and the reduction will be effected thus:—

1st. By selecting 50 Commanders to be Captains, as above specified.

2nd. By increasing to 100 the List of Commanders promoted to the rank of Retired Captain under the Order in Council of 1840, and keeping such Retirement open until the number of Commanders on the Active List is reduced to 450.

3rd. By placing on reserved half-pay all Commanders who have not served afloat, or in the Packet or Revenue Service, within 20 years, or who are physically incapable of service, and by continuing from time to time to remove such Officers from the Active List to Reserved Half-pay. Officers who may be thus placed on reserved half-pay will be allowed to retain all the advantages they now enjoy of rising in pay or rank, or of receiving the Greenwich Out-Pension.

4th. The system of promoting by brevet will be abandoned. 50 Lieutenants, however, will be promoted by selection to the rank of Commander, to be placed on reserved half-pay, in the same manner as specified in the case of Commanders promoted to be Captains.

5th. By observing the rule of promotion of one in three vacancies (except in special and individual cases), as now in force, until the number on the Active List shall be reduced to 450.

## LIEUTENANTS.

The number of Lieutenants on the Active List will be reduced to a number not permanently exceeding 1200, viz:

1st. By the promotion of 50 Lieutenants by selection, as above stated.

2nd. By placing on the reserved Half-pay List all Lieutenants who have not served afloat, or in the Packet or Revenue Service, within 20 years, and all such as are physically unable to serve; and by removing from time to time such Officers from the Active to the Reserved Half-pay List, reserving to them, as in the case of Commanders, all the advantages they now enjoy of rising in pay or rank, or of receiving the Greenwich Out-Pension.

3rd. By keeping up the rule of promoting one officer in three vacancies (except in special and individual cases) till the number of Lieutenants on the Active List shall be reduced to 1200.

4th. No promotion of Mates to be Lieutenants will hereafter be made by brevet: but whereas in case of war, or of emergency, Her Majesty may be pleased by her Order in Council to call such officers from the Reserved List into active service, Her Majesty has been pleased to approve that such Officers as may be so employed shall be in all respects entitled to the pay and emoluments of their respective ranks in the Active List.

#### FURTHER RETIREMENT OF COMMANDERS AND LIEUTENANTS AS EXTENDED BY ORDER IN COUNCIL OF 30TH JAN., 1856.

This Order in Council provides—

1st. That the List of Captains on the Reserved List, established by Order in Council of 25th of June, 1851, be increased from 50 to 100, by selecting from the Active List of Commanders a number not exceeding 15 in the present and in each succeeding year, till the number of 100 be complete, when the vacancies only are to be filled up, by selection also from the Active List.

2nd. That the List of Retired Captains (established by Order in Council of 10th August, 1840, and increased by Order in Council of 25th June, 1851) be increased temporarily from 100 to 250, and permanently to 200. To effect this subsequent reduction, one Officer only will be promoted in two vacancies till the List be reduced to its permanent number of 200, but thenceforward one Officer will be promoted in each vacancy.

Further, as regards Lieutenants, this Order in Council provides that the Reserved List, consisting of 50 Commanders (established by Order in Council of 25th June, 1851) be increased to 100: such increase to be effected by selecting from the Active List of Lieutenants, a number not exceeding 15 in the present, and in each succeeding year, till the number of 100 be complete, when the vacancies only are to be filled up, by selection also from the Active List.

N.B.—Officers who may in future be promoted to the rank of Commander for good service in the Coast Guard, or in command of Revenue Cruizers, will be promoted to the Reserved List, except only in individual cases in which, on the special recommendation of the Comptroller General of the Coast Guard, the Lords of the Admiralty may think it desirable to retain the services of the Officer so recommended, by promoting him to the Active List. Such annual Promotions to the Reserved List will be respective of any vacancies on that List; but on the death of an Officer so promoted, his vacancy will not be filled up.

#### COMMANDERS RETIRED WITH THE RANK OF CAPTAIN UNDER THE ORDER IN COUNCIL OF 10TH AUG., 1840.

This List consists of 50 of the Senior Commanders on the List, who have the distinction of receiving the Retired Rank of Captain, with the Half-pay of 10s. 6d. per annum, being the lowest rate of Half-pay allowed to a Captain. Their widows are allowed pensions of 75*l.* per annum if otherwise entitled thereto.

**LIEUTENANTS RETIRED WITH THE RANK OF COMMANDER UNDER  
THE ORDER IN COUNCIL OF 30TH JAN. 1816.**

3. This List consists of the 100 Senior Lieutenants, who, by age and infirmities, are presumed to be incapable of further service, and who are permitted to retire at a pension of 8s. 6d. a day, with the Rank of Commander. Their widows receive a pension of 60l. per annum.

**LIEUTENANTS RETIRED WITH THE RANK OF COMMANDER UNDER  
THE ORDER IN COUNCIL OF 1ST NOV. 1830.**

- P. By this Order in Council the Board of Admiralty are authorized to confer the rank and title of a Retired Commander on every Lieutenant who has reached, or shall hereafter reach, the situation on the List of Lieutenants which entitles him to receive 7s. a day Half-pay. Such Retired Commanders are not to receive any increase to their Half-pay as Lieutenant until they shall have attained the situation of Retired Commanders established by the Order in Council of 30th January, 1816. They cannot be employed as Lieutenants, nor in any situation usually held by Lieutenants, and, if holding such, they must resign, if they wish to take advantage of the proposed Regulations.

**MASTERS RETIRED WITH THE RANK OF COMMANDER UNDER  
ORDER IN COUNCIL OF 19TH MAY, 1846.**

2. This List consists of 40 of the Senior Masters on the List, who have the option of receiving the Retired Rank of Commander, the first 20 at 12s. 6d. a day, and the rest at 10s. 6d. a day. Their widows are allowed pensions of 60l. a year, if otherwise entitled thereto.

N.B.—Masters at sixty years of age, who are qualified for 1st Rates, will be permitted to retire with the Rank of Commander, after 15 years' service on Full Pay as Master, and with the Rank of Captain after 20 years' service on Full Pay in the Rank of Master, but the amount of retirement will be fixed according to the Rate of Half Pay which they may have earned by service as Master.

Masters above fifty-five years of age, and under sixty, who are totally disqualified by sickness or injuries contracted in the service, and rendered incapable of further service afloat, will be allowed, at the discretion of their Lordships, to retire with the Rate of Half Pay which they may have earned, and with the Rank of Commander, provided they have completed not less than 15 years' service in the Rank of Master.

By Authority.

**COMPANION.**  
 Captain Joseph Cammilleri . . . . . 1 Nov 52

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force:

REGULATIONS RESPECTING FOREIGN ORDERS.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs

shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission, may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her

Majesty's licence and permission does not authorise the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realms.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

### REGULATIONS RESPECTING FOREIGN MEDALS.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British subjects in the Army or in the Navy, for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs, for Her Majesty's sanction; upon obtaining

which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

(Signed) CLARENDON.

Admiralty, June 14th, 1878.

## [REGULATIONS FOR THE ENTRY OF BOYS AND MEN INTO THE NAVY—PAY—LEAVE—GRATUITIES—PENSIONS, &amp;c., AND THE PAY OF WARRANT OFFICERS.]

My Lords Commissioners of the Admiralty have had under their consideration the question of the entry of men for the Royal Navy, together with a report from a committee of naval officers appointed to enquire into the subject.

Their Lordships are of opinion that it is highly important to give the Royal Navy a more permanent organization, both as a means of increasing its efficiency and discipline, and of substantially promoting the welfare and comfort of the petty officers and seamen of the fleet.

My Lords are desirous that the change in the existing system should be accomplished wholly by voluntary means. Seamen are therefore to be permitted, as at present, to enter for the customary period of service, and for particular ships; but by the future entry of boys for longer terms of continuous and general service, and by holding out the inducement of increased pay and other advantages, to men who volunteer to serve under the new system, their Lordships contemplate that a gradual and beneficial change will be introduced in the present mode of manning Her Majesty's ships.

With this view they are pleased to direct that the following measures be carried into effect.

## BOYS.

All boys under the age of 18, who hereafter enter the Navy, are to be required to enter into an engagement, according to the form, No. 95, to serve Her Majesty for a period of ten years continuous and general service from the age of 18, in addition to whatever periods may be necessary till they attain that age. If before the age of 18 when entered, they are to be required to engage for 10 years continuous and general service, from the date of first entry.

No boy is under any circumstance to be entered under the age of 14, or below the following standard of height.

Age between	Stature.
ft. in.	
14 & 15	not less than 4 8
15 & 16	..... 4 10
16 & 17	..... 5 0
17 & 18	..... 5 2
After 18	..... 5 4

Weight, though dispensed with as a qualification, is to be inserted, for information, in the reports of survey.

All officers entrusted with the important duty of entering boys, are strictly enjoined to use the greatest care and circumspection in ascertaining that they are in all respects fit for Her Majesty's Service, before they are entered. Previous to such entry being confirmed, a survey is to be held on them by two Captains, or Commanders, or one of each rank, and two Medical Officers, who are to certify, according to the form No. 95, to the boys being of perfectly sound and healthy constitutions, free from any physical malformation, or other defect, and to their being in all respects fit for the service.

A similar course of proceeding, as far as circumstances admit, is to be followed in the case of boys entered on foreign stations.

**Outfit.**—The sum of 40s. which is now required as an outfit for boys on their first entry, is, for the future, to be dispensed with.

**Employment as servants.**—All boys of the 2nd class, including boys from the school ships and from the Greenwich schools, may be employed as servants, when required, according to the usage of the service; but all officers in command are to take care that the employment of boys in this capacity does not, on any account, interfere with their systematic schooling, instruction in gunnery, exercise aloft, and other branches of a seaman's duty; or in useful trades of which they may possess a knowledge.

**Promotion to 1st class.**—If a boy should be more than ordinarily active and well conducted, he may, at the discretion of his Captain, be promoted to the first class at the age of 16, provided he shall have been at least one year at sea.

**Entry of 1st class Boys.**—Although it is desirable that all boys who are entered in the 1st class should have been at sea, or accustomed to boats, such qualification is not to be considered indispensable, in the case of promising lads who are found in all other respects fit for Her Majesty's Service. The existing regulation for the instruction and training of 1st class boys, to qualify them for seamen, is to be strictly enforced.

**Promotion.**—Boys who produce proof of having been at least two years at sea, may, in special cases of good conduct and ability, be rated 2nd Class Ordinary, or Ordinary Seaman, according to their qualifications, after the age of 18. No person is to be retained in the rating of boy after the age of 20.

**Discharge by purchase.**—All boys of good character and conduct, who have entered for continuous service or otherwise, may be permitted to purchase their discharge according to the following scale; the amount being graduated according to their length of service, and the consequent expense that has been incurred on their education and training.

Under 8 years service	£8
After 8 and under 5 years	10
After 5 years service	18

**Discharge of ineligible boys.**—When a ship is inspected, or paid off, the Captain or Commanding officer, is to report the names of such boys as he may consider, from inferior stature, want of physical strength, or other valid causes, to be unfit to be retained in the service, in order that, after a special survey, they may be discharged.

**Advantages of continuous service.**—All the advantages granted for continuous and general service, as hereafter shown, are to be fully explained to the boys now serving, the option being left to them of accepting advantages, or otherwise.

**Increase of pay.**—Boys who have entered for continuous and general service, are, when advanced to any of the under-mentioned ratings, to be allowed the following rates of pay, in addition to the present pay of the Royal Navy.

	Per calendar month of 31 days.	£.	s.	d.
2nd Class ordinary seamen	5 7	1	10	5
Ordinary seamen	5 2	3	0	10
Petty officers leading and able seamen	7 0	4	11	3

They will also be eligible to be granted pensions after shorter terms of service than at present, as hereinafter specified

## SEAMEN.

The above additional rates of pay are also to be allowed to all the petty officers, and seamen, as shown in the table of pay under the following conditions:—

1. To all men who volunteer for ten years continuous and general service.
2. To men who may hereafter enter the Navy for the first time for the usual period for which a ship is commissioned, and who afterwards volunteer, at any time before the ship in which they are serving is paid off, for such further periods as may be necessary to complete ten years continuous and general service from the date of their first entry. The increased rates of pay to commence from the date of their so volunteering.
3. To men who have already served in the Navy, or who are now serving, and who volunteer for not less than seven years further continuous and general service.
4. To men who have already served 10 years and upwards, from the age of 18, provided they volunteer either for seven years further service, or for such periods as may be necessary to make up 20 years service from the age of 18; provided in the latter case, such period of continuous and general service to be completed be not less than five years.
5. To men, who have already served 16 years and upwards in the Navy, from the age of 20, and who volunteer to complete, by general service, such periods as may be necessary to make up 31 years from the age of 20.
6. Men who have once completed an engagement under any one of the foregoing conditions, will be entitled to the higher rates of pay by reason for the periods of service shown in the table in the appendix. It is to be understood, in every case, that the additional rates of pay are only to be given for continuous and general service; and that pensions after 30 years total service from the age of 18, will be awarded only

As an encouragement to deserving petty officers, an increase is to be made, as follows, in the number who are eligible to be recommended for award—viz. gratuity, when ships are paid off after three years' service, or in proportion for a less period, as at present regulated.

Rates.	Chief and 1st Class 74.		2nd Class 34.	
	Present No.	Future No.	Present No.	Future No.
Rates 1st and 2nd .....	4	6	3	4
" 3rd .....	4	5	3	3
" 4th .....	3	5	2	3
" 5th .....	2	4	1	2
" 6th .....	2	4	1	2
Stewards 1st & 2nd Class .....	2	4	1	2
" 3rd Class .....	1	3	1	1
Shoos .....	1	3	1	1
Small Vessels .....	1	1	1	1

The long service medal-gratuity to 2nd class petty officers is to be increased from 74. to 104.

Petty officers and women who enter for continuous service may be permitted to purchase their discharge according to the following scale:—

Under 5 years' service in man's rating .....	£15
After 5 and under 7 years .....	10
After 7 and under 9 " .....	8
After 9 and under 10 " .....	5
After 10 and upwards, from the age of 18 .....	free.

Men who have obtained Good Conduct Badges may be allowed to purchase their discharge at a reduction of 25. upon the foregoing rates.

#### PENSIONS.

All men and boys who enter or re-enter the Navy, under the conditions and for the periods of continuous and general service, already stated, will be allowed pensions after 20 years' service from the age of 18, instead of after 21 years' service from the age of 20, as at present. Their Lordships also serve to themselves a discretionary power of awarding pensions of 6d. a day each, after ten years' service, from the age of 18, and pensions of 1d. a day each, after 15 years' service from the same age, to all men now in, or who may hereafter enter the Navy, who never their Lordships may think proper to do so. All men who may be thus granted pensions after 10, 15, or 20 years' service will be held liable, under the 12th clause of the Pensions Regulations (dated 1st January, 1869), to serve again in the Navy if required, in the event of an armament, or war; and when so serving, will be allowed their Pensions, and the Pay of the ratings they may hold.

The time any continuous service man may serve after the age of 18, will count for pension without reference to the rating held.

Time served in the Navy under the existing system will be allowed to count with time under the new system, in awarding the above pensions.

The circumstance of a man not having completed the specific term of continuous service under the new system for which he entered, will not preclude his being granted a pension after 10 or 15 years' combined service, whenever their Lordships shall think proper to grant pensions after these periods.

Petty officers who have completed 15 or 20 years' service will, when pensioned, be granted double the present allowance for the time they have served as a petty officer, provided they shall have entered, and served for one continuous period of not less than ten years, unless invalided for wounds or hurts received on duty; that they shall have been discharged with the rating of petty officer; and that their character in such rating shall have been "very good." Under this rule a chief or 1st class petty officer would be granted an allowance of £ 10s. 3d. a year (in lieu of 15s. 3d.), for each year he may have served as such; and a 2nd class petty officer 15s. 3d. a year (in lieu of 7s. 3d.) for each year served as such.

Summary:—In order that seamen may avail themselves of the advantages contingent upon the new terms of service, my Lords desire that the advantages be distinctly explained to them. They may be briefly recapitulated as follows:—

Pay.—Continuous service men will be entitled to the rates of pay stated at page 211.

Pensions.—Pensions will be granted after 20 years' service from the age of 18, instead of after 21 years from the age of 20; and as leave will be allowed when ships are paid off, during which time and pay will be continued, it follows that seamen entering under or about the age of 18, will receive the same amount of pension for less than 15 years' actual service than they would have received under the present system for 23 years' actual service.

Pensions may also be awarded after 10 and 15 years' service from the age of 18. These pensions may be granted pension at the age of 20, 25, and 30 respectively, instead of 45 or 54, the average age at which long service pensions are now awarded.

These pensions will range from 34. a year to 104. a year. The allowance for time served as a petty officer will, in awarding pensions, be doubled to men who enter for 10 years' continuous and general service.

Greater permanency will be given to a man's command with the Naval Service. On returning from leave he will be entitled on board a Flagship without the loss of a day's time or pay, instead of being frequently exposed to inconvenience and distress from his not being able to enter a ship fitting out.

#### GUNNERS, BOATSWAINS, AND CARPENTERS.

My Lords highly appreciate the valuable services rendered by the warrant officers of the Navy, and the zeal with which their important duties are usually performed; and as a mark of their approbation of such services, they are pleased to direct that the pay of these officers be increased as follows:—

	Sea Pay.	
	Per day.	Per annum.
	s. d.	£ s. d.
1st class .....	6 7	120 2 11
2nd class .....	5 8	103 8 4
3rd class .....	4 9	89 12 9

#### Harbour Service Pay.

	Per day.	
	s. d.	£ s. d.
1st class .....	5 7	101 17 11
2nd class .....	4 4	79 1 8
3rd class .....	3 6	63 17 6

Warrant officers who are still paid for particular rates of ships, according to the regulations in force prior to the Order in Council of the 28th April, 1868, will be allowed the following increased scale of harbour service pay.

	Per day.	
	s. d.	£ s. d.
1st rate .....	5 7	101 17 11
2nd rate .....	5 2	94 5 10
3rd rate .....	4 8	89 12 9
4th rate .....	4 4	79 1 8
5th rate .....	3 11	71 9 7
6th rate .....	3 6	63 17 6

My Lords desire it may be distinctly explained to the warrant officers, individually, that in awarding the above liberal scale of pay, their Lordships have been desirous not only of adequately rewarding their services, but also of enabling them to make provision, by insurance or otherwise, for their widows; and my Lords confidently rely upon the Warrant Officers giving effect to their Lordships' intention in this respect.

In the cases of officers of exemplary character and conduct, two forms harbour service are, respectively, to be considered, in awarding pensions, as equal to one year's sea service; in lieu of the proportion of three to one, as at present.

As a further mark of their approbation of the services of the deserving class of officers, my Lords are pleased to direct that warrant officers of exemplary conduct, who have distinguished themselves by acts of gallantry and daring in the service, be considered eligible to hold commissions in Her Majesty's Fleet, in such rank or position as their Lordships may deem them, after undergoing an examination, entitled to receive, and competent to fill; and all warrant officers so promoted will be granted, respectively, the sum of 100s. as an outfit.

The additional pay of warrant officers is to commence on the 1st of July next; and if those officers who may draw bills shall, before the receipt of this circular, have drawn them for the period commencing the 1st of July, the difference of pay may be added to the next bills they may draw.

## COAST-GUARD.

Having reference to the increased responsibility attaching to the situations of chief and commissioned boatmen, their Lordships are pleased to direct that men appointed from the Naval Service shall, when pensioned, be allowed to count service in the former capacity as 1st class, and in the latter as 2nd class petty officers time upon the present scale. Coast-guard men from the Naval Service, when granted gratuities instead of pensions, are to be placed on the same footing as seamen.

Time in the Coast-Guard, after a combined service of twenty-one years, is to count towards higher rates of pension, as if served in the Royal Navy; time served as chief and commissioned boatmen being subject to the rule laid down in the foregoing clause.

Ten years' service in the Navy, from the age of 18 (instead of 7, in man's rating as now regulated), is to be the required term of service, previous to admission into the Coast-guard; appointments thereto are to be open to ordinary seamen, of thoroughly good conduct.

Coast-guard men are to be permitted to wear the good conduct badges or other distinctive marks they have obtained in the Royal Navy, but are not to be entitled to the additional pay.

The several distinctive badges referred to in the preceding regulations, will be forwarded to the out-ports, and will be as follows, embroidered in gold.

Chief Petty Officers.....	{ Crown and Anchor
1st Class Petty Officers.....	{ encircled with Laurel.
2nd Class Petty Officers.....	{ Crown and Cross Anchor.
Leading Seamen.....	{ The Anchor.

These regulations are to take effect on and after the 1st July next; except as regards men entering for continuous service on Foreign Stations, where they are to commence so soon as they are understood by the men, and they volunteer for continuous service; and all existing regulations not cancelled or modified by those now promulgated are to remain in force.

Great care is to be taken that no men of indifferent character are received for continuous service, or who are constitutionally or otherwise unfit, and in the rating of men strict attention is to be given to their qualifications.

In every case in which a man enters for continuous service under the foregoing regulations, the form No. 95 is to be filled up and forwarded, with as little delay as possible, to the Secretary of the Admiralty, for the Accountant-General of the Navy.

By Command of their Lordships,

R. OSBORNE.

To all Commanders-in-Chief, Captains, Commanders, and Commanding Officers, of Her Majesty's Ships and Vessels.

1. That a Captain shall be allowed to reckon as time served at sea the period during which he may have been employed about on surveying or other duties; provided that during such period he shall actually have had the charge in command of some surveying ship or other sea-going vessel; and provided also that he shall have been borne for such service as additional Captain on the books of one of Her Majesty's rated ships.

2. That a Captain Superintendent of one of Her Majesty's Dockyards shall be allowed to reckon as time served at sea the period during which he may have been so employed; but time served by an Officer as Superintendent of one of Her Majesty's Victualling Yards or Hospitals will for the future be no longer allowed to reckon as equivalent to time served at sea.

## 224 CAPTAINS—LIEUTENANTS—NAVAL CADETS.

CIRCULAR No. 226.

Admiralty, 1st February, 1856.

### (FULL PAY OF CAPTAINS.)

The following Rates of Full Pay of Captains of the Royal Navy have been established by Her Majesty's Order in Council of the 20th January, 1856.

1st Class.—To the first 70 Captains on the List, when employed irrespective of the Class of Ship in which they may be serving, £701 2s. 1d. per annum.

2nd Class.—To the next 100, when employed, £571 17s. 6d. per annum.

3rd Class.—To all other Captains below the first 170 on the List, when employed, £450 2s. 6d. per annum.

The above Scale is to apply only to such Captains as may be appointed subsequently to the date of Her Majesty's Order in Council, establishing the same, excepting those Captains now serving as Commodores in command of Stations, and those Captains of the lowest Class, now actually serving, whose Full Pay is less than £400 a-year, who are to become entitled to the new Class of Pay from and after the 1st of April, 1856.

By Command of their Lordships,

H. OSBORNE.

To all Commanders-in-Chief, Captains, and Commanding Officers of Her Majesty's Ships and Vessels.

### EXAMINATION FOR THE RANK OF LIEUTENANT

Admiralty, August 3, 1856.

With reference to Art. XI, Chap. 2, page 21, of the Admiralty Instructions, which provides that *Mates*, who have already passed their examination abroad, shall pass an examination at the Royal Naval College, within two months of their return to England, in order to entitle them to confirmation from the date of their first Certificate, it appearing that some misapprehension has arisen on this point, and that it has been supposed that, provided a *Mate* passes within the specified period, it is immaterial whether he fail, or otherwise, in his first examination at the College; my Lords desire that, in future, it may be clearly understood, that *Mates* who have already passed abroad are at liberty to select either the 1st, 2nd, or 3rd examination day at the Royal Naval College, after their arrival in England; or, if belonging to a ship under orders to be paid off, on the 1st, 2nd, or 3rd examination day after having been so paid off.

If rejected on any examination day, officers will incur the forfeiture of 3 months' seniority in their rank as *Mates*, instead of being allowed to take seniority from the date of their passing in Seamanship; a second rejection will incur the forfeiture of 6 months' seniority, and a 3rd rejection 9 months (in the whole). All other cases will be dealt with specially by the Board of Admiralty.

The non-appearance of Officers for Examination at the times required by these Regulations will be considered as a tacit acknowledgment of their not being qualified, and will be dealt with in the same manner as if they had been actually rejected on each day on which they may have omitted to appear, viz.—Non-appearance on the 3rd Examination Day will incur the forfeiture of 3 months' seniority; non-appearance on the 4th day, 6 months; non-appearance on the 5th day, 9 months; and all other cases of *Mates* not appearing must be specially reported to the Board for the decision of their Lordships.

By Command of their Lordships,

W. A. B. HAMILTON.

No. 208.

Admiralty, 27th August, 1855.

By their Lordships' Order of 3rd August, 1855, it is provided that a *Mate*, if rejected on any examination-day at the Royal Naval College, shall incur the forfeiture of three months' seniority in his Rank of *Mate* for each occasion of his being so rejected, and also a corresponding penalty for each occasion of his failing to present himself to pass; the non-appearance of Officers being considered as a tacit acknowledgment of their not being qualified.

My Lords are pleased to direct that the same Regulations which govern the Seniority of *Mates* (whether rejected or failing to present themselves) shall be made applicable to Acting Lieutenants, who are to be deprived, in the same proportion as *Mates*, of three months in their Seniority as Lieutenants for each occasion of their being rejected, or failing to present themselves for examination.

In the event of any cases occurring of an Officer being rejected more than three times, or of his failing to present himself on a 6th examination day after his arrival in England, (or if belonging to a ship under orders to be paid off, on the 6th examination after having been so paid off,) such cases will be specially dealt with by the Board of Admiralty.

The above regulations are to apply to the cases of Second Masters, and Officers promoted abroad to the rank of Acting Master.

By Command of their Lordships,

(Signed) H. OSBORNE.

The Lords Commissioners of the Admiralty have directed, by an order dated December 1856, that the College Sheet is to contain questions on the Theory of Navigation and Astronomy, also on the prevailing winds and currents of the ocean, and on the practical application of the rules of navigation and astronomy to Surveying and other Nautical purposes, in order to test the knowledge and qualifications of all Officers passing at the Royal Naval College.

### EXAMINATION FOR THE RANK OF MASTER AND SECOND MASTER.

By Her Majesty's Order in Council of the 24th October, 1856, the above Regulation is extended to Second Masters and Master's Assistants passing for the rank of Master and Second Master.

### PASSING DAYS AT THE ROYAL NAVAL COLLEGE.

September, 1851.

The Examination of Officers at the Royal Naval College will take place on the following days, viz.:

In Navigation, Second Wednesday in the Month, at 9 a.m.  
In Gunnery, On the Fourth Monday in the previous Month.  
Cadets will be examined on the same days as Officers in Navigation, and at the same hour.

### PASSING DAYS IN SEAMANSHIP AT THE HOME PORTS.

Portsmouth, First Wednesday in each Month.

Plymouth, Second ditto ditto.

Sheerness, First ditto ditto.

### NAVAL CADETS.

Admiralty, 3rd October, 1855.

Each Flag Officer, being an Admiral or Commander-in-Chief, and each Commodore of the First Class being Commander-in-Chief, is to be considered as commanding a Naval Cadet, on his appointment.

## REGULATIONS FOR THE QUALIFICATION OF NAVAL INSTRUCTORS, ESTABLISHED BY ORDERS IN COUNCIL OF THE 22nd DEC., 1836, 10th AUGUST, 1840, AND 11th MARCH, 1855.

Naval Instructors and Schoolmasters are hereafter to be designated "Naval Instructors," and Chaplains on being appointed to act as Naval Instructors are to be designated "Chaplains and Naval Instructors."

No person will be considered eligible for a Warrant as Naval Instructor who is under 30 years of age or more than 45.

Before any person can be received on board Her Majesty's ship "Excellent" as a candidate for an appointment as Naval Instructor, he will be required to produce a certificate of his age, and testimonials of good character; and both laymen and clergymen when appointed to act as Naval Instructors must pass an examination as to their qualifications to instruct the young Officers in the following branches:—

- 1st. Common Arithmetic, including Vulgar and Decimal Fractions.—2nd. The first six and the eleventh books of Euclid.—3rd. Algebra, progressing to the highest order of Equations, and its application to the solution of Geometrical Problems.—4th. Plane and Spherical Trigonometry, theoretical and practical.—5th. Natural Astronomy, particularly the principles on which the various rules for finding the latitude and longitude are founded.—6th. Mechanics.—7th. Hydrostatics.—8th. A competent knowledge of the Classics.

The final examination of Candidates for Naval Instructorships will comprise:—

- 1st. The usual College passing examination in Navigation.—2nd. The application of the theory of Projectiles to Gunnery.—3rd. Observations with the Sextant, &c.

The use of the Azimuth Compass and Chronometers, &c. Perfect proficiency will be expected in observing; 550 numbers will be required to pass a Candidate in the College Paper, and 35 is to be the minimum number for observations.

Although the knowledge of French, as well as of other modern languages, and of the principles of drawing, is not considered as indispensable, it is very desirable that Naval Instructors should be able to give instruction in these branches of education; and preference will always be given to such as possess these attainments.

No Naval Instructor who shall retire from his employment without the approbation of the Lord Commissioners of the Admiralty, or who shall refuse or avoid service if found capable of serving, shall be allowed to receive Half-Pay; and his name in such case will be removed from the List of Naval Instructors.

The Naval Instructors to be considered in all respects a Ward Room Warrant Officer.

By Command of their Lordships,

W. A. B. HAMILTON.

## NAVAL INSTRUCTORS.

Admiralty, June 7th, 1839.

All Candidates for Naval Instructorships who may be sent to the "Excellent," are to be examined (previous to recommending the course of instruction) touching their Mathematical attainments, which will be expected should be sufficient to admit of their proceeding at once to the study of Nautical Astronomy.

C. WOOD.

CIRCULAR, No. 229.

Admiralty, December 11th, 1855.

## (EXAMINATION FOR NAVAL INSTRUCTORS.)

With a view of facilitating the Examination of Chaplains, when serving on Foreign Stations, who may desire to pass for the Situation of Naval Instructor, my Lords are pleased to direct that the Commander-in-Chief may cause any Chaplain, who may be a Candidate, to be examined in the subjects, and according to the form prescribed in the Printed Admiralty Instructions, and if found qualified, may appoint him (pending the approval of the Admiralty) as Chaplain and Acting Naval Instructor to any of Her Majesty's Ships in which a vacancy may exist, giving a preference, when there is more than one vacancy on the Station, to that Ship bearing the greatest number of Subordinate Officers requiring instruction.

Every Chaplain who may have passed abroad, and been qualified to hold an appointment as Acting Naval Instructor, must, within three months of his return to England, pass the final examinations at the Royal Naval College, under the title of "Excellent," without which he will not be confirmed; and until such final examinations he passed no further appointment, or acting appointment, as Naval Instructor, is to be granted to him.

By Command of their Lordships,

R. OSBORNE.

To all Commanders-in-Chief, Captains, Commanders, and Commanding Officers of Her Majesty's Ships and Vessels.

CIRCULAR, No. 167.

**2nd Class.**—Masters having qualified for 1st and 2nd Rates, and having completed fifteen years' service on Full Pay, including not more than three years' service as above, as Second Master:—£72*l.* 1*5s.* a year, or 1*5s.* a day.

The above Rates of Full Pay to be allowed to all Masters in actual service, without reference to the Rate of the Ship in which they may be employed; but no Master who may be entitled by service to apply for removal to a higher Class for Pay than that in which he may have been placed, is ever to be permitted to receive or draw bills for the higher Rate, until after his application has been received, and express authority granted in each case by their Lordships, stating the date from which the higher Pay may commence.

**Second Masters—Full Pay.**—£11*l.* 5*s.* a year, or 5*s.* a day, in all Rates, when qualified for the rank of Master.

If in Ships bearing a Master, and from his absence or other cause, the Second Master be placed in charge of Stores, or when a Second Master shall have charge of Stores in a Tender, he will be allowed, according to circumstances, such proportion of the Store Allowance granted to Masters as their Lordships may direct.

Masters in command of Rebel Ships, fitted or employed as Store Ships, to be granted the same Store Allowance as Masters of 1*st* Rates; and those in charge of Sloops, or other Vessels employed as Store Ships, or on other such special service, to be allowed the Store Allowance of 4*th* Rates.

The time served as Masters' Attendants in Her Majesty's Dock or Victualling Yards at home or abroad, or in special service on Full Pay, will entitle Masters to increased Rates of Pay or Half Pay.

Second Masters will be made an allowance of 2*s.* 6*d.* a day, or 4*sd.* 1*5s.* 6*d.* a year, after three years' Sea Service as Second Master, provided they cannot obtain employment, and do not decline or avoid service, when offered to them.

The above mentioned period of three years may be dispensed with in the case of Second Masters, who are invalided for sickness, or injuries caused by the service, and permanently disqualified for further employment.

Masters of sixty years of age, who are qualified for 1*st* Rates, will be permitted to retire with the Rank of Commander, after 15 years' service on Full Pay as Master, and with the Rank of Captain after 20 years' service on Full Pay in the Rank of Master, but the amount of retirement will be fixed according to the Rate of Half Pay, which they may have earned by service as Master.

Masters above fifty years of age, and under sixty, who are totally disqualified by sickness, or injuries contracted in the service, and rendered incapable of further service, will be allowed, at the discretion of their Lordships, to retire with the Rate of Half Pay, which they may have earned, and with the Rank of Commander, provided they have completed not less than 15 years' service in the Rank of Master.

To all Commanders in Chief, Captains, Commanders, and Commanding Officers, of Her Majesty's Ships and Vessels.

#### CIRCULAR, No. 55.

[Examination of Masters, and Second Masters.]

Admiralty, December 17*th*, 1848.

The Lords Commissioners of the Admiralty having had under their consideration the present Regulations for the Examination of Masters and Second Masters of Her Majesty's Fleet, as defined by art. 21, chap. 2, p. 23, and art. 25, chap. 2, p. 25, of the printed Instructions, have been pleased to direct that on and after the 1*st* of January next, the following Regulations shall be adopted, viz:—

All Officers serving in the rank of Master or Second Master (or Officers from the Merchant Service who are Candidates for those ranks, under the Queen's Regulations, art. 5, chap. 2, p. 24) shall be examined in Seamanship, either at home or abroad, by one Captain or Commander, and three Masters; and after having received a Certificate of having passed such Examination, they shall undergo their Examination in Navigation at the Royal Naval College (instead of the Trinity House), under the same regulations and at the same period, as Midshipmen passing for Lieutenants; but the Examination for Pilots to be conducted at the Trinity House under the rules and regulations at present in force, but subsequent to the above mentioned examinations. Having completed the above examinations they will be considered eligible for the rank of Master in the Royal Navy, provided they shall have served the time required by the Queen's Regulations.

The Seniority of Second Masters (or of Candidates for the rank of Master) is in future to reckon from the date of their passing in Seamanship for that rank; provided they shall subsequently pass in Navigation at the Royal Naval College, on the first, second, or third Examination on any following, either of which days they are at liberty to select; or, in the event of an Officer having previously passed abroad in Seamanship, he is at liberty after his arrival in England, to select either the first, second, or third Examination day at the Royal Naval College; or if belonging to a ship under orders to be paid off, on the first, second, or third Examination day after having been so paid off, when, if he shall succeed in passing, he will be allowed seniority from the date of his having passed abroad. But no Second Master (or Candidate for the rank of Master) will be allowed such seniority who shall fail in passing at the Royal Naval College at the first trial, or who shall not pass at the Trinity House within a month after his having passed in Navigation.

Officers appearing before the Trinity House for the purpose of passing in pilotage must be qualified in taker charge, as Pilot, of any of Her Majesty's frigates for the Coast and Ports, for which Masters have hitherto been examined; and when they shall have served three years' (not in Frigates or Sloops, they may be further examined as to their qualifications to take charge of Line-of-Battle Ships; but in this examination it will be required that they pass for the largest description of First-Rates. In the event of an Officer serving abroad as Acting Master of a Line-of-Battle Ship, the time so served may reckon as part of the aforesaid three years.

The Class of Ship of which Officers are capable of taking charge as Pilots will be stated in the Certificate granted to them by the Trinity House.

All officers desirous of being examined in Pilotage at the Trinity House, either for the rank of Second Master, or as to their qualification to serve as Masters of Frigates, or of Line-of-Battle Ships, should present themselves at the Admiralty, bringing with them a Certificate of their Birth, and also their original Certificates for the entire period they have been employed in Her Majesty's Service, or in Merchant Ships, or as Officers of the Coast Guard; the word Sobriety must be included. Similar

Certificates must be produced by Officers presenting themselves to pass in Navigation at the Royal Naval College.

By command of their Lordships,

JOHN PARKER.

[Regulations respecting Masters' Assistants.]

*Admiralty, Dec. 26th, 1861.*

My Lords Commissioners of the Admiralty have been pleased to issue the following Regulations relative to the future Entry and Examination of Masters' Assistants in the Royal Navy:—

1. The Entries of Masters' Assistants will be limited to such numbers annually as their Lordships may from time to time direct.

2. The age and qualifications required for the admission of a Master's Assistant in the Navy are to be in accordance with the following rules, and the examination is to take place at the Royal Naval College.

A Candidate for an appointment as Master's Assistant must not be less than 14, nor more than 16 years of age, unless he be selected from the Merchant Service, in which case the age is extended to 18, provided he has served two years at sea; he must be in good health, and produce a certificate of his age, parentage, and regularity of conduct.

On his entry into the Service, if between the ages of 14 and 15 years, he is to pass the same examination as a Naval Cadet on his first entry.

If entered between the ages of 15 and 16 years, in addition to the above, he will be required to understand the practical use of the Sextant, and the mode of keeping a Ship's reckoning by working ship's work, and obtaining the latitude by observation.

If at the age of 18, he will also be required to know the mode of obtaining the longitude by Chronometers, the variation of the Compass, and he must be able to explain the mode of rigging lower masts and bowsprit, and the more simple evolutions of working ship under plain sail.

3. When a Master's Assistant has completed a servitude of three years with that rating, he must be examined by the Captain or Commander and the Senior Lieutenant as to the progress he has made in obtaining a proper knowledge of practical seamanship in all its branches, fitting, turning in, and setting up rigging, shifling masts, yards, and sails, laying out and weighing anchors by Boats, taking Helm and Lead, stowage of provisions and water, and by the Naval Instructor in his knowledge of Navigation, determining the Latitude and Longitude by day and night observations, the use of Chronometers, the Azimuth Compass, and the mode of constructing Charts; and every Master's Assistant must serve three complete years after this examination before he shall be allowed to pass for Second Master; an Officer who may have been entered in the Merchant Service must also pass this examination; but in order that he may not lose the time which he may have served in the Merchant Service, he is to be allowed to pass this examination whenever he shall have completed one-half of the further period which he has to serve in the Royal Navy, and he may then pass for Second Master on completing the other half of such servitude.

4. Masters' Assistants, whilst serving on board H. M. Ships, are to be instructed by the Naval Instructor, for which he will be allowed the usual tuition money, and the expense will be defrayed by the Admiralty.

5. The Master of the Ship in which Masters' Assistants are serving is to instruct them in practical seamanship, and other branches of a Master's duty, as directed by the Admiralty Instructions, Gen. VII. Art. 21, page 217, and the half-yearly Report, or Form No. 224, is to show the advancement made by them from time to time.

6. On a Ship being paid off, Masters' Assistants will be entered on the Books of a Guard-Ship, for such time as their Lordships may direct, or until selected for another appointment, provided they possess good Certificates, and are recommended by their Commanding Officer.

7. Masters' Assistants, when they have completed their regulated period of servitude, and have passed their examinations for Second Master, will be placed on the

List of the Navy in that rank, and will if employed receive the commission and pay of a Second-Master (being borne in lieu of Masters' Assistants, if there should not be vacancies for Second Masters in the Ships in which they may be serving); but they will not be eligible for promotion to the rank of Master until they shall have served two years further in the capacity of Second Master.

8. Masters' Assistants passing abroad in Steamships, and temporarily in Navigation and Pilotage, are to be appointed by their Commanders-in-Chief, or by their Commanding Officers, to be acting Second Masters, in the same manner as is provided for Midshipmen to be rated Acting Mates when they pass their examination for Lieutenant, but they must be borne in lieu of Masters' Assistants.

By Command of their Lordships,

JOHN PARKER.

.. of the Second Class.

.. of the Third Class.

Assistant Engineers of the First Class.

.. of the Second Class.

.. of the Third Class.

Engineers will be considered, as at present, to belong to the Civil Branch of the Naval Service, and they will be appointed, and rank, as undermentioned.

Inspectors of Machinery Afloat.—Inspectors of machinery Afloat will be appointed by their Lordships for the responsible duties of superintending generally the machinery of Steam Vessels attached to each station or squadron, and the candidates for such appointments must be men of experience and acknowledged ability, in whose judgment, integrity, and talent, implicit reliance can be placed.

Chief Engineer.—No person will be considered qualified to hold the commission of a Chief Engineer, who is not able to keep accounts, make notes in the Log of every particular of the working of the engines and boilers, draw rough sketches of any part of the machinery, with figured dimensions fit to work from, be able and willing to exert himself practically as a workman when occasion requires, either in driving the engines, or packing, repacking, or adjusting, the various working parts of the machinery, and making good the defects of boilers. He must be so far acquainted with the elements of theoretical mechanics as to comprehend the general principles on which the machine works. He must understand how to apply the indicator, and draw the necessary conclusions from the diagrams.

## ACQUIREMENTS REQUIRED OF ENGINEERS.

Admiralty, 26th January, 1849.

My Lords Commissioners of the Admiralty having by their Circular order of the 1st April, 1847, No. 32, relative to the Examination, Pay, &c. of Engineers, directed that "Certificates of service in a Factory, or proof of acquaintance with Engine work," shall be produced before an Assistant Engineer be promoted to the rank of Chief Engineer; and the attention of my Lords having been called to the difficulties which have been experienced in ascertaining the capabilities and requirements, in this respect, of those Officers who have not served in Factories; likewise to the deficiency among the junior grades of Engineers, (especially of the young men brought up in the service,) in that mechanical skill, and knowledge, so essential to qualify them to undertake the responsible duty of Engineers in charge of machinery; my Lords are therefore pleased to direct that a ship be appropriated at Woolwich, and one at Portsmouth, under the superintendence of the Chief Engineer Officers of the Factories in those Dockyards, in order that the Engineers, on Check, may have the opportunity of acquiring practical skill in the use of such tools as they may hereafter be called upon to use when Afloat; and instruction, when necessary, will be afforded by a skilful mechanic, who will be selected for the purpose.

As means will be thus afforded to enable Engineers to acquire the requisite mechanical skill, no Assistant Engineer will, in future, be advanced to the rank of Chief Engineer, or to that of First Class Assistant, unless he produces a certificate of service in a Factory, or of his competency as a workman, from the Engineer Officer of Woolwich, or Portsmouth, Dockyard.

It is further distinctly to be understood, that, in future, the periods of service required by the Regulations, as parts of the qualifications of Assistant Engineers for promotion to the higher Classes, are to comprehend only the periods an Officer may be in receipt of full pay; but on a certificate of good conduct, and of reasonable improvement in Mechanical acquirement, being produced from the Chief Engineer of one of Her Majesty's Factories, half of the time employed in receiving instruction in the workshops will be allowed to reckon as service.

By Command of their Lordships, H. G. WASS.

fourteen shall cease and determine from the date of such Warrant. It is hereby further declared that We, Our Heirs and Successors, shall be the sole judges of the circumstance demanding such expulsion; moreover, We shall at all times have power to restore such person as may at any time have been expelled, both to the enjoyment of the Gratiation and Pensions.

Given at Our Court at Buckingham Palace, this twentieth of January, in the nineteenth year of Our reign and in the year of our Lord one thousand eight hundred and fifty-six.

By Her Majesty's Command,

#### MEMORANDUM.

Admiralty, 20 June, 1851.

The Lords Commissioners of the Admiralty are pleased to direct that the annexed Memorandum, which has been transmitted from the Colonial Department, be promulgated for the information of Officers of the Royal Navy and Marines proposing to settle in the Australian Colonies. The attention of Officers is called to clause 4 in the said Memorandum.

All former notices on the subject of Officers settling in the Colonies are to be considered as obsolete.

By Command of their Lordships, W. A. B. HAMILTON.

#### INFORMATION FOR THE USE OF MILITARY AND NAVAL OFFICERS PROPOSING TO SETTLE IN CERTAIN OF THE BRITISH COLONIES.

1. Privileges in the acquisition of Land are at present allowed to Military and Naval Officers in the Colonies of New South Wales, Victoria, Van Diemen's Land, South Australia, Western Australia, New Zealand, Ceylon, and the Cape of Good Hope. As, however, the control of the waste Lands of the Crown in New Zealand is vested in the Legislature of that Colony, it must be distinctly understood that Her Majesty's Government cannot guarantee the continuance of the following regulations, but that they will be liable to be altered or discontinued by the local Legislature; and the same caution will be applicable to any other of the Colonies named, in which the same control may hereafter be transferred to the local Legislature. The same privileges are extended to Officers of the East India Company's Service in Van Diemen's Land.

2. In the above-named Colonies land is disposed of by sale only; but Officers purchasing land are allowed a remission of the purchase-money, according to the undermentioned scale:—

Field Officers, of 20 years' service and upwards, in the whole 600*l*.

Field Officers, of 20 years' service and upwards, in the whole 500*l*.

Field Officers, of 15 or less years' service, in the whole 400*l*.

Captains, of 30 years' service and upwards, in the whole 400*l*.

Captains, of 15 years' service or less, in the whole 300*l*.

Subalterns, of 20 years' service and upwards, in the whole 300*l*.

Subalterns, of 7 years' service and upwards, in the whole 200*l*.

Subalterns, under 7 years' standing, are not entitled to any remission in the purchase of land.

Regimental Staff Officers, and Medical Officers of the Army and Navy, are allowed the benefit of this rule;—but Military Chaplains, Commissariat Officers, and Officers of any of the Civil Departments of the Army; Purveyors, Chaplains, Midshipmen, Warrant Officers of every description, and Officers of any of the Civil Departments of the Navy, are not allowed any privileges in respect of land. Although members of these classes may have been admitted formerly, and under different circumstances, they are now excluded. Makes in the Royal Navy rank with Ensigns in the Army, and makes of three years' standing, with Lieutenants in the Army, and are entitled respectively to corresponding privileges in the acquisition of land.

4. In order to take advantage of this privilege, Officers of the Army and Navy on full or half pay, should provide themselves with a certificate from the Office of the General Commanding-in-Chief, or of the Lords Commissioners of the Admiralty, or of the Master-General of the Ordnance, showing that their settlement in a British Colony has been sanctioned, and stating their rank and length of service. No document from the Office of the Secretary of State is necessary.

5. This certificate will not on any account be issued more than once to the same Officer, or to any Officer on half-pay Government have recognized the claims of the Officers to the same advantages in the acquisition of Land in the Australian Colonies and in Ceylon, which are enjoyed by Subalterns in the Army under the Regulations of August, 1838.

6. Gentlemen who have ceased to belong to Her Majesty's service will not be allowed advantages in the acquisition of Land. This rule, however, is not to affect Officers who, having

obtained permission to settle in a British Colony, have quitted the service for the purpose of doing so. But, in such cases, it will be necessary that their certificate of service and permission should bear the date of their retirement from the service, and that, within one year from that date, but not otherwise, it should be presented to the Governor of one of the above-named Colonies, which shall be sufficient warrant for allowing the bearer the advantages to which his rank and length of service may entitle him according to the above scale.

6. The object of the Regulations being to encourage the permanent settlement in the above-named Colonies of Military and Naval Officers, and it being necessary to prevent those who have no intention of settling there from taking advantage of the privilege, Officers will not, for the space of two years from the making out of their Certificates, receive a Crown Grant for any Land purchased by such Certificates, but will, in the meantime, receive a "Location Ticket." At the expiration of two years, the Officer, on showing to the satisfaction of the Governor that he is bona fide a resident Settler in the Colony, and has so resided continuously since receiving his "Location Ticket," will be entitled to a Crown Grant in exchange for it. If, however, application should not be made for the exchange of the "Location Ticket" within 18 months from the expiration of the two years for which it is granted, it will be considered to have lapsed, and the Land will be open to sale or grant. In case of the Officer's dying while holding a "Location Ticket," the land to which it refers will be transferred to his legal representative.

7. For the convenience of Officers, the following heads are subjoined of the Rules for the Sale of Land in the Australian Settlements:—

All Lands are disposed of by sale alone, and must have been once at least exposed to public auction.

The lowest upset price is not less than 1*l*. per acre; but the Government has power to raise the same by Proclamation, though not again to reduce it.

The Lands are distinguished into three different classes; viz. Town Lots, Suburban Lots, and Country Lots.

Upon Town and Suburban Lots, as well as upon a proportion not exceeding one-tenth of the whole of the Country Lots offered for sale at any auction, the Governor has the power of naming a higher than the general or lowest upset price; these last to be designated "Special Country Lots."

Town and Suburban Lots are to be disposed of except by public auction; but Country Lots, which have already been put up to public auction, and not sold, may be disposed of afterwards by private contract at the upset price.

No Lands are sold by private contract, except for ready money. When sold by public auction, one-tenth at least of the whole purchase money must be put down, and the remainder within one calendar month, or the deposit is forfeited.

Lands are put up for sale in Lots not exceeding one square mile in extent.

8. In Ceylon, land is sold by auction at an upset price which is to be fixed by the Governor, but which is not to be less than 1*l*. per acre. Before the lands are exposed for sale, they will be surveyed by the Government and duly advertised.

9. At the Cape of Good Hope the upset price is two shillings per acre in the old Colony, and four shillings per acre in the district of Natal.

10. The several prices above mentioned are of course subject to revision at any time by the proper Authorities, and the pecuniary amount of the Remission made to Officers cannot be increased on account of an increased value set upon the Lands.

July, 1850.

#### MEMORANDUM.

Admiralty, 26th August, 1841.

Her Majesty having by Her Order in Council of 10th August, 1840, ordered that Makes in the Royal Navy shall rank with Ensigns in the Army, and Makes of 3 years' standing with Lieutenants in the Army, Her Majesty's Government have recognized the claims of the Officers to the same advantages in the acquisition of Land in the Australian Colonies and in Ceylon, which are enjoyed by Subalterns in the Army under the Regulations of August, 1838.

By Command of their Lordships, J. PARKES.

## ORIGINAL CERTIFICATES AND PAPERS.

*Admiralty, 17th August, 1857.*  
His Royal Highness the Lord High Admiral desires that Officers, or other persons, having occasion to transmit Certificates and other Documents either to His Royal Highness, his Counsel, or his Secretaries, will not send the original Certificates or Documents, but only copies thereof, which copies will remain in this Office, annexed to the Letter or Memorial to which they may belong. If, however, the parties shall choose to transmit their original documents, they are to understand that they will not be afterwards returned to them, but retained in this Office for the purpose aforesaid.

This rule does not apply to the Smart Tickets or Certificates of Seniors or Marines applying for pensions from Greenwich.

By Command of His Royal Highness, J. W. CROKER.

#### A PROCLAMATION.

##### VICTORIA R.

WHEREAS by Our Order in Council bearing date the Twenty-ninth day of March, One thousand eight hundred and fifty-one, We have ordered that General Requests be granted against the Ships, Goods, and subjects of the Emperor of all the Russias, his subjects or others inhabiting within any of his countries, territories, or dominions (save and except any vessel to which Our license has been or may be granted, or which have been directed to be released or in the embark, and have not since arrived at any Foreign port), so that Our fleets and ships, shall and may lawfully seize all ships, vessels, and goods belonging to the Emperor of all the Russias, or his subjects or others inhabiting within any of his countries, territories, or dominions, and bring them to judgment in any of the Courts of Admiralty within Our domains duly authorized and required to do a cognate thereof, We do hereby order and direct that the net produce of all such Prizes taken by any of Our ships or vessels of war (and except when they shall be acting on any conjunct expedition with Our Army, in such case We reserve to ourselves the disposal and distribution of all Prize and booty taken, and also save and except as hereinafter mentioned), shall be for the entire benefit and encouragement of our flag-officers, captains, commanders, and other commissioned officers in Our pay, and of all subordinate, warrant, petty, and non-commissioned officers and of the crews, mariners, and soldiers on board Our said ships and vessels at the time of the capture, after the same shall have been to Us finally adjudged by a Prize Court.

Whenever any Prize shall be taken by any of our fleets, squadrons, ships, or vessels of war while acting in conjunction with any fleet, squadrons, ships, or vessels of war belonging to any other power or powers in alliance with Us, Our High Court of Admiralty, or the Vice Admiralty Court, within our dominions adjudging thereon, shall apportion to such ally or allies a share or shares of the proceeds of such Prize or Prizes proportionate to the number of officers and men, &c. present and employed on the part of such ally or allies as compared with the number of officers and men, &c. present and employed on our behalf in such capture, without prejudice to the share or shares of the proceeds, and the share or shares so act apart for such ally or allies shall be transmitted to such persons as may be duly authorized on behalf of such ally or allies to receive the same.

Ships or vessels, being in sight of the Prize, as also of the captor, under circumstances to cause intimidation to the enemy and encouragement to the captor, shall be alone entitled to share as joint captors.

After having deducted the portion set apart as aforesaid for our allies, a distribution so far as regards Her Majesty's forces, shall be as follows:—The flag officer or officers shall have one twentieth part of the whole net proceeds arising from prizes captured from the enemy by any of the ships or vessels under his or their command, and of the rewards conferred for the same, according to the following conditions and modifications, save and except as hereinafter provided and directed; that is to say:

When there is but one flag officer he shall have the entire one twentieth part; when two flag officers shall be sharing together, the chief shall have two thirds, and the other flag officer shall have the remaining one third of the one twentieth part; and when there shall be more than two flag officers, the chief shall have one half of the said one twentieth part, and the remaining half shall be equally divided among the junior flag officers; commodores of the first class and captains of the fleet to share as flag officers: Provided always, That no flag officer, unless actually on board any of Our ships or vessels of war, and at the actual taking, sinking, burning, or otherwise destroying any ship or ships of war, privateer or privateers, belonging to the enemy, shall share in the distribution of any head money or bounty money granted as a reward for taking, sinking, burning, or otherwise destroying any such ship or vessels of the enemy.

That no flag officer commanding in any port in the United Kingdom shall share in the proceeds of any prize captured from the enemy by any ship or vessel which shall sail from or leave such port by order of the Lord High Admiral, or of Our Commissioners for executing the Office of Lord High Admiral.

That when ships or vessels under the command of several flag officers belonging to separate stations shall be joint captors, each flag officer shall receive a proportion of the one twentieth part, according to the number of officers and men present under the command of each such flag officer; and when any ship or vessel under orders from the Lord High Admiral or from Our Commissioners for executing the Office of Lord High Admiral, are joint captors with other ships or vessels under a flag or flags, the like regulations as to the apportionment of the flag share to the flag officer or officers are to be observed.

With reference to flag officers it is to be noted, That when an inferior flag officer is sent to reinforce a superior officer on any station, the superior flag officer shall not share in any Prize taken by the inferior flag officer before he has arrived within the limits of that station unless the inferior officer shall have received some order directly from and shall be acting in execution of some order issued by such superior flag officer.

No chief flag officer quitting any station, except upon some definite urgent service, and with the intent of returning to the station as soon as such service is performed, shall share in any Prize taken by Our ships or vessels left behind after he has passed the limits of the station, or after he has surrendered the command to another flag officer appointed by the Admiralty to command in chief upon such station.

An inferior flag officer quitting any station (except when detached by orders from his commander-in-chief upon a special service, accompanied with orders to return to such station as soon as the service has been performed), shall have no share in Prizes taken by the ships and vessels remaining on the station after he has passed the limits thereof.

In like manner flag officers remaining on such station shall not share in the Prizes taken by such inferior officer, whether on such ship or vessel under his immediate command, after he has quitted the limits of the station, except he has been detached as aforesaid.

A commander-in-chief or other flag officer belonging to

any station shall not share in any Prize or Prizes taken out of the limits of that station, by any ship or vessel under the command of a flag officer of any other station, or under orders from Our Commissioners of the Admiralty, unless such commander-in-chief or flag officer is expressly authorized by Our said Commissioners to take the command of that station in which the Prize or Prizes are or are taken, and shall actually have taken upon him such command.

Every commodore having a captain under him shall be esteemed a flag officer with respect to the twentieth part of Prizes taken, whether he be commanding in chief or serving under command.

The first captain to the admiral and commander-in-chief of our fleet, and also the first captain to any flag officer appointed to command a fleet of ten ships of the line or upwards, shall be deemed to be a flag officer for the purpose of sharing in Prize, and shall be entitled to share therein as the junior flag officer of such fleet.

Any officer on board any of Our ships of war at the time of capturing any Prize or Prizes who shall have more commissions than one shall be entitled only to share in such Prize or Prizes according to the share allotted to him by the above-mentioned distribution in respect to his superior commission or commissions.

And with reference to other officers it is to be noted, that a captain, commander, or other commanding officer of a ship or vessel shall be deemed to be under the command of a flag when he shall have received some order from, or be acting in the execution of some order issued by a flag officer, whether he be or be not within the limits of the station of such flag officer; and in the event of his being directed to join a flag officer on any station, he shall be deemed to be under the command of such flag officer from the time when he arrives within the limits of the station, which circumstance is always to be carefully noted in the log-book; and it shall be considered that he continues under the flag officer of such station until he shall have received some order directly from, or be acting in the execution of some order issued by some other flag officer, duly authorized, or by the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral.

And We hereby direct, that the captain, commander, lieutenant commanding, master commanding, or any other officer duly commanding any ship, sloop, or vessel of war, singly taking any Prize from the enemy, that is to say, the officer actually in command at the time shall have one eighth of the remainder, or if there is no flag, one eighth of the entire net proceeds—except that if the single capturing ship be a rated ship, having a commander under him, the captain, the commander shall take a portion of the one eighth part, as if he were commander of a sloop, according to the proportion herein-after set forth; and if more than one commanding officer of the same rank of command shall be entitled to share as joint capturers, the one eighth shall be equally divided between them; but when captains, commanders, lieutenants commanding, and masters commanding, respectively, Our ships and vessels of war, and commanders under captains in rated ships, shall share together, in whatever variety of combination, the one eighth shall be so divided into parts for a graduated apportionment as to provide for each captain receiving six parts, each commander of a sloop, or commander under a captain in a rated ship, three parts, and each lieutenant commanding or master commanding, or other officer actually commanding, a small vessel of war, two parts. And We hereby direct shall be the proportion in which they shall respectively share; commodores of the second class, and field officers of marines or of land forces serving as marines, doing duty as field officers, above the rank of major, in ships as captains; and field officers of marines or of land forces serving as marines, and doing duty in the rank of major, to share as commanders of sloops.

And We further direct, that other provision shall thus have been made for the flag share (if any), and for the portion of the commanding officer or officers and others as above provided, the remainder of the net proceeds shall be distributed in ten classes, so that each officer, man, and boy composing the rest of the complements of Our ships, sloops, and vessels of war, and actually on board at the time of any such capture, and every person present, and assisting shall receive shares, or a share, according to his class, as set forth in the following scale:—

That, in order to prevent any Doubt or Misunderstanding as to the Rate or Distribution of Freight on Gold, Silver, Jewels, or other Articles as aforesaid, received on board Flag Ships, or any other of His Majesty's Ships and Vessels, and to prevent any private Agreements inconsistent with these Regulations, all Flag or other Officers are expressly forbidden to receive on board any of His Majesty's Ships or Vessels any Gold, Silver, Jewels, or other Articles as aforesaid, upon any Agreement or Condition different from these Regulations, or to take, demand, or receive any Sum, other than those established by these Regulations.

#### TREASURE PLACED ON BOARD H.M.'s SHIPS FOR CUSTODY ONLY.

Admiralty, 4th June, 1833.  
SIR,—My Lords Commissioners of the Admiralty having had under their consideration a question relative to the Freight Money to be allowed for treasure deposited on board His Majesty's ships for custody only, have decided that freight for such a deposit should be paid as if such deposit were a conveyance from one place to another within the same station, and shall be divided (where it has been on board more than one of His Majesty's ships) among the Captains, as freight for conveyance would have been;—in all cases Greenwich Hospital is to have a share; and where, after any such deposit, new bills of lading, or new orders for conveyance, either on board another ship or the same ship, shall be made, the freight established for such conveyance by the Order in Council is to be charged, over and above the freight which might be already due on the score of deposit.

I have it in command from their Lordships to acquaint you therewith for your information and guidance.

I am, AC. J. W. CROKER.

BY THE KING.

*Admiralty, 10th March, 1856.*  
My Lords Commissioners of the Admiralty having reason to believe that a sufficient check has not been imposed in some of Her Majesty's Ships to prevent an extravagant mode of living in the Messes of Mates and Subordinate Officers, desire to call the attention of the Captains and Commanding Officers of Her Majesty's Ships to Chap. 5, Sect. 2, Art. 6, page 94, of the Admiralty Instructions.

My Lords further direct that in future the Mess Accounts of the Mates and Subordinate Officers of Her Majesty's Ships shall be subject to inspection, with all necessary Vouchers, by a Lieutenant, Paymaster and Naval Instructor (when there is one on board) of the respective Ships, and shall be afterwards submitted to the Captain or Commanding Officer for his approval or otherwise. The Captain is to order this inspection to take place at the close of each Quarter of the Year, and the Inspecting Officers are to report to the Officer in Command the names of those Officers who may not have paid their Mess expenses, or who may have been the cause of any extravagance in the Mess; also, if there are any outstanding liabilities, and to what extent; and the Captains and Commanding Officers are to regulate the amount of entrance money and monthly payments on such a moderate scale as they may consider fit and proper, and the circumstances of each Ship and Station may require, and as the pecuniary means of the Officers may enable them to contribute.

The Captains and Commanding Officers are to report to the Commanders-in-Chief, for their Lordships' information, whenever the Mess Accounts are found to be in an unsatisfactory state, with all the circumstances which may have led thereto.

By Command of their Lordships,

R. OSBORNE.

To all Commanders-in-Chief, Captains, and Commanding Officers of Her Majesty's Ships and Vessels.

## CRIMEAN MEDAL.

*Admiralty, 26th March, 1856.*  
With reference to the announcements contained in the London Gazette of the 2nd and 6th November last, the Lords Commissioners of the Admiralty hereby give notice that the Crimean Medal will not be given to the crews of any of Her Majesty's Ships and Vessels for service in the Black Sea or in the Sea of Azov, performed after the 9th September, 1855, the day on which Sebastopol fell, unless they shall have been engaged after that date in some expedition or operation against the enemy, which service must be duly certified.

By Command of their Lordships,

R. OSBORNE.

To all Commanders-in-Chief, Captains, Commanders, and Commanding Officers of Her Majesty's Ships and Vessels.

## DIRECTIONS FOR STEERING BY SIGNS.

*Admiralty, April 2nd, 1856.*  
In order to prevent the possibility of mistakes arising from the use of the hands in giving signals to the Helmsman on board Her Majesty's Ships, My Lords Commissioners of the Admiralty are pleased to direct that the Officer who may be directing the Steering shall use the Right Arm elevated when a Starboard Helm is required, and the Left Arm when a Port Helm is required.

By Command of their Lordships,

R. OSBORNE.

To all Commanders-in-Chief, Captains, and Commanding Officers of Her Majesty's Ships and Vessels.

## CIRCULAR, No. 247.

## EXAMINATION OF SCREW PROPELLERS.

*Admiralty, April 10th, 1856.*  
The practice of raising Screw Propellers for the purpose of examination being sometimes neglected for too long a period, My Lords desire the Captains and Commanders of all Steam Ships and Vessels fitted with trunks and apparatus for raising Screw Propellers to cause the Screws to be raised at least once a month, or after steaming a distance of two thousand miles, and the result of the examination inserted in the Engine Room Register, and in the Three-Monthly Report of the State of the Engines.

Whenever there are no surfaces of iron exposed to the action of the water, the Screw should be kept shipped, and not suspended in the trunk; but, if there should appear to be any particular reason to justify a deviation from this course, the Screw should be lowered at least once a month, and turned round by the engine, or by the turning gear, to ascertain that the fittings are in all respects in working order; when the result, and the particular circumstances that rendered it desirable to keep the Screw unshipped, are to be recorded in the register and periodical return above specified.

By Command of their Lordships,

R. OSBORNE.

To all Commanders-in-Chief, Captains, Commanders, and Commanding Officers of Her Majesty's Ships and Vessels.

## CIRCULAR, No. 248.

## INSPECTORS OF MACHINERY, CHIEF ENGINEERS, AND ASSISTANT ENGINEERS.

*Admiralty, April 11th, 1856.*  
The undermentioned Regulations relative to the Pay, &c., of Inspectors of Machinery, Chief Engineers, and Assistant Engineers, have been established under Her Majesty's Order in Council of the 4th of April, 1856.

The system of dividing the Chief Engineers into three Classes is abolished, and a higher rate of pay, as in the case of Masters, is to be granted to those who are qualified to serve in 1st or 2nd Rates, than to those not so qualified, and their pay is to increase with length of service.

The Chief Engineers now in the 1st Class are to be regarded as qualified for the 1st or 2nd Rates, and all Chief Engineers are to retain their present pay if exceeding that allowed by the new scale.

Harbour Pay and the present system of Pensions to Chief Engineers are to be discontinued, and Half Pay is to be granted in lieu thereof.

A certain number of Assistant Engineers who may prefer it, and who may be considered fit and deserving, will be passed at the Admiralty as Engineers qualified for Charge. They are to hold their present rank in the Service, but their pay is to be 18*l.* 10*s.* 0*d.* a year, with an increase of 1*s.* a day after six years' sea service as Engineers in Charge. These Officers will no longer be liable to serve under a Chief Engineer, and they must give up the expectation of becoming Chief Engineers and Ward Room Officers.

No change is to be made in the regulations respecting the Harbour Pay and Pensions of Assistant Engineers, but Inspectors of Machinery, Chief Engineers and Assistant Engineers, are to be placed with respect to Pensions and Gratitudes for Wounds or Injuries, and also with respect to Pensions and Allowances to their Widows and Families, on the same footing as Masters of the Fleet, Masters, and Second Masters respectively.

The Full and Half Pay of Inspectors of Machinery and Chief Engineers will be as follows:—

 To all Commanders-in-Chief, Captains, and Commanding Officers of Her Majesty's Ships and Vessels.

## CIRCULAR, No. 250. CRIMEAN MEDAL.

*Admiralty, 12th May, 1856.*  
 Her Majesty having been graciously pleased to direct the intimation of granting the "Sebastopol" Clasp to the Officers and Crews of Her Majesty's Ships employed in connection with the Land Forces in the reduction of Sebastopol, as well as a Clasp, bearing on it the word "Azoff," to the Officers and Crews of that Majesty's Vessels, engaged in the Sea of Azoff, the Lords Commissioners of the Admiralty hereby give notice of the same.

The period for which the "Sebastopol" Clasp is to be awarded, for service as aforesaid, dates (as in the case of the Army) from the 1st of October, 1854, to the 9th of September, 1855.

The "Azoff" Clasp will be awarded to the Officers and Crews of such Ships as served in the Sea of Azoff between the 25th of May, 1855, and the 9th of September, 1855, as well as to the Officers and Men who were employed in the Voyage of Line-of-Battle Ships which took part in the operations against Taganrog, or Cherson, within the Sea of Azoff.

In cases in which other Officers or Men have been engaged in any expedition or operation in the Sea of Azoff after the 9th of September, the period for which the "Azoff" Clasp is to be awarded will be extended to the 31st of November, 1855. The service for which the Clasp is claimed must, in such cases, be duly certified as required by their Lordships' Circular Order of 20th March, 1855, No. 343.

By Command of their Lordships,  
**H. OSBORNE.**  
 To all Commanders-in-Chief, Captains, Commanders, and Commanding Officers of Her Majesty's Ships and Vessels.  
 N.B.—The Clasp will not be awarded for the months of the present month.

## CIRCULAR, No. 251. ISSUE OF SPLIT FEARS.

*Admiralty, 12th May, 1856.*  
 The Lords Commissioners of the Admiralty, with the view of improving the Diet of the Crews of Her Majesty's Ships and Vessels, have been pleased to direct that Split Fears shall be served generally instead of Whole Fears, and in the following proportions, viz:—

	<i>Seamen at full allowance.</i>	<i>Superannuateds at full allowance.</i>	<i>Boats.</i>	<i>Women.</i>	<i>Captains' tables 10 years.</i>
Split Fears, 1/2 Pint.	1/2	1/2	1/2	1/2	1 1/2

This change is to commence on 1st May, the present supply of Whole Fears shall be exhausted, and the Paymasters of Her Majesty's Ships are to insert the Split Fears on their General Victualling Accounts in a separate column, carrying to the General Statement the balances of each description, and showing upon their Victualling Accounts the date upon which the change has been adopted.

By Command of their Lordships,  
**H. OSBORNE.**  
 To all Commanders-in-Chief, Captains, and Commanding Officers of Her Majesty's Ships and Vessels.

## CIRCULAR, No. 252. MEN BORNE AS DISPOSABLE SUPERNUMERARIES.

*Admiralty, 12th May, 1856.*  
 Their Lordships' attention having been called to the hardships experienced by men borne for lengthened periods in Her Majesty's Ships, as Druggists, Surgeons, and by their families, owing to their not receiving their wages, and not being permitted to alight while on board, are pleased to direct that, as a general rule, the earliest opportunity is to be taken of putting such men into vacancies, as they occur, in the complements of Her Majesty's Ships, and further, that Petty Officers and Boatsmen borne as Disposable Supernumeraries, for whom no vacancies can be found, shall, after being on board for a period of not less than Three Months, be paid an even sum, on account of the wages due to them, such being taken that they are not thereby inight into debt, it being understood that these payments are to be applied by the men for the support of their families, as a substitute for an allotment.

Disposable Supernumeraries may also be paid Monthly Allowance, in addition to these Payments on Account, but care is to be taken that the payments prescribed by Article 3, at page 4 of the Circular No. 183, be never exceeded. The Payments on Account, with all other Charges, are to be placed against the men's names on the Supernumeraries List, and transferred, with them to the Ship of whose crew they may become a part, to be recovered on her Pay Book, and My Lords will hold the Captain and Commanders of the Ships on board which the payments are made responsible for their being correctly charged on the documents by which the Supernumeraries are transferred to other Ships.

By Command of their Lordships,  
**H. OSBORNE.**  
 To all Commanders-in-Chief, Captains, and Commanding Officers of Her Majesty's Ships and Vessels.

## CIRCULAR, No. 253. PRECAUTIONS TO BE OBSERVED TO PREVENT ACCIDENTS WHEN SALUTING.

*Admiralty, 12th May, 1856.*  
 My Lords Commissioners of the Admiralty have to call the attention of Officers in command of Ships to the accidents which frequently occur in firing Salutes, in consequence of the Vent being stopped by the dust in lieu of a properly fixed Vent Plug; and they desire that whenever it may be necessary to reload a Gun for the purpose of saluting, it may be fired into a "blast breach," before the sponge is entered for opening it, and that care be taken that the proper Gun's Crew are in their respective stations.

As a further precaution, the Venters are to be kept dry. By Command of their Lordships,  
**H. OSBORNE.**  
 To all Commanders-in-Chief, Captains, Commanders, and Commanding Officers of Her Majesty's Ships and Vessels.

# 248 SALVAGE—STEAM POWER—COURTS MARTIAL.

CIRCULAR, No. 354. (Canvassing No. 102.)  
Admiralty, June 17th, 1856.  
(SALVAGE CLAIMS.)

With reference to the 46th section of the Merchant Shipping Act, 1854, My Lords Commissioners of the Admiralty are pleased to direct, that Circular No. 102 be cancelled, and that the Commanding Officers of Her Majesty's Ships and Vessels shall conform to the directions contained in the following Circular and the clauses of the Act subjoined thereto:—

1. All Officers in Command of Her Majesty's Ships are, as heretofore, to afford every possible aid to Vessels in danger, distress, or in want of casual assistance.

2. When such service has been rendered, the Commanding Officer of the Ship is to transmit a full report of the whole circumstances of the case, with a copy of the Ship's Log, to the Commander-in-Chief, or Senior Naval Officer of the Station, for transmission to my Lords, whose written approval is requisite before any Officer in the Navy can make a claim for Salvage, and such approval will not be given unless really important Service, or Service accompanied with hazard, has been rendered.

3. In cases where relays of men are sent for the purpose of affording assistance, and where a large portion of the Crew have been employed, the Salvage which may be awarded is to be distributed according to the provisions of the Prize Proclamation in force at the time, unless specially apportioned by the terms of any decree or award, or otherwise to be divided among the parties actually employed, as my Lords Commissioners of the Admiralty may direct.

4. All Officers are to use their best efforts to save, and protect property and stores, especially those belonging to the Crown, which may be on board any Vessel placed in circumstances of danger or distress; and, if necessary, to remove such stores to a place of safety.

5. Commanders-in-Chief, or Senior Officers in command, are to report all cases of assistance rendered, or claims filed, to the Secretary of the Admiralty.

By Command of their Lordships,

R. OSBORNE.

To all Commanders-in-Chief, Captains, Commanders, and Commanding Officers of Her Majesty's Ships and Vessels.

CIRCULAR, No. 357.  
Admiralty, 18th July, 1856.

(IRREGULARITIES IN OFFICERS' PAY RILLS.)

The attention of the Lords Commissioners of the Admiralty having been drawn to the numerous instances of irregularity which occur in the Bills drawn by Officers of Her Majesty's Navy, particularly by Warrant and Subordinate Officers, for their pay, by including a *retail* due to them for a Ship that has been paid off, whereby much unnecessary official labour is occasioned, I am commanded by their Lordships to call the attention of the Captains and Commanding Officers of Her Majesty's Ships to the 29th Article at page 10 of the Admiralty Instructions, and to the 8th Article at page 18 of the Paymaster's Instructions, as well as to the information given at pages 24, 25, 26, and 27, of the Book of Tables of Pay of the Navy.

My Lords desire that these directions be strictly attended to in future, and have commanded me to signify that if this irregularity, which has become almost a general practice, is persevered in, they will be under the necessity of cancelling all Bills drawn at variance with the established regulations to be refused payment, according to the warning contained in the articles of the Instructions above quoted.

Officers in charge of stores, and those whose stations require special certificates, are enjoined to be careful to transmit with their due large tickets the certificates required by their instructions, in order that no delay may take place in adjusting the full pay accounts.

By Command of their Lordships,

R. OSBORNE.

To all Flag Officers, Captains, and Commanding Officers of Her Majesty's Ships and Vessels.

CIRCULAR, No. 359.  
Admiralty, 31st July, 1856.  
(PAYMASTERS' EXTRA PAY FOR DOING CLERKS' DUTY.)

In vessels commanded by a Commander, and having a complement of 100 men and upwards, the Paymaster is to have an allowance of Two Shillings and Sixpence a day for doing Clerk's Duty, in cases where no Assistant Paymaster or Clerk is on board, although an Assistant Clerk may have been a member of one.

An allowance is to be granted to Paymasters commanded by a Commander, with complements of

between 60 and 100 men, when neither Clerk nor Assistant Clerk has been borne.

By Command of their Lordships,

R. OSBORNE.

To all Commanders-in-Chief, Captains, Commanders, and Commanding Officers of Her Majesty's Ships and Vessels.

CIRCULAR, No. 362.

Admiralty, 26th August, 1856.

(RE-ENTRY OF GREENWICH PENSIONERS FOR SERVICE IN HER MAJESTY'S SHIPS.)

Inconvenience having been occasioned in consequence of Greenwich Pensioners receiving their Pensions monthly or quarterly, in advance, and re-entering the Service prior to the expiration of the period for which they have been paid, thereby rendering it necessary, when not allowed to receive their pensions whilst serving, that the amount over-issued on account of Pension should be deducted from their Pay, my Lords Commissioners of the Admiralty are pleased to direct that all Pensioners, re-entering for Service in Her Majesty's Ships of War, be required to produce a Certificate from the Staff Officer of Pensioners of their district, showing the period to which the Pension has been paid, in order that the over payment, if any, may be charged against his growing wages, and reported to the Secretary of the Admiralty, that re-payments may be made to the War Department; and to prevent men, on offering themselves for entry, evading the fact of being Pensioners, the Staff Officers of Pensioners have been authorized to note on the Men's Enlistment Certificates of Service the fact of their being Pensioners when the first payment of their pensions may be made to them.

By Command of their Lordships,

R. OSBORNE.

To all Commanders-in-Chief, Captains, Commanders, and Commanding Officers of Her Majesty's Ships and Vessels.

CIRCULAR, No. 363.

Admiralty, August 26th, 1856.

(STEAM POWER NOT TO BE USED BUT IN CASES OF NECESSITY.)

My Lords desire to call the attention of all Officers in command of Her Majesty's Ships to Circular No. 177, as well as to the Orders which have been given from time to time respecting the expenditure of Coals, and to impress upon them the necessity that exists of working their ships without the aid of steam, when the duty required can and ought to be performed under all circumstances not only on the score of economy, but for the important purpose of ensuring the efficiency of screw ships as sailing ships.

My Lords are therefore pleased to direct that in future the use of steam power shall not be resorted to when the service on which a vessel is employed can be satisfactorily performed without it; and that their Lordships may know whether this order has been duly observed, all Commanding Officers are, whenever steam is raised, to cause the same to be noted in the Log Book, together with their reasons for so doing, stating whether it be the emergency of the occasion, the necessity of performing the service with the utmost despatch, or other cause which, in their opinion, may justify their having recourse to steam power.

By Command of their Lordships,

R. OSBORNE.

To all Commanders-in-Chief, Captains, Commanders, and Commanding Officers of Her Majesty's Ships and Vessels.

CIRCULAR, No. 364.

Admiralty, 30th August, 1856.

(IMPRISONMENT BY COURT MARTIAL.)

My Lords desire me to call your attention to 16 & 17 Vic. cap. 69, sec. 12, and to point out to you that when imprisonment is inflicted by sentence of Court Martial, it is desirable that it should be stated therein that the period of imprisonment is to commence from the date of the passing of such sentence.

A copy of the 13th section of the above-mentioned Act is submitted for your information and guidance.

By Command of their Lordships,

THOMAS PROBY.

To all Commanders-in-Chief, Captains, Commanders, and Commanding Officers of Her Majesty's Ships and Vessels.

(COPY, 16 and 17 Vic.)

In all cases in which Naval Courts Martial are or may be authorized to adjudge imprisonment, they may adjudge the same with or without Hard Labour at their discretion, and with or without any other punishment which they are competent to award; and the term of imprisonment, under sentence of such Courts Martial, shall be reckoned as commencing on the day on which the sentence was passed.

The rule, directed by Her Majesty to be observed in extending this mark of Her royal favour, is so comprehensive as to bring within its scope all Officers, seamen, and marines (and soldiers who served as marines) who were present in any action which at the time received the special approbation of the Lords Commissioners of the Admiralty.

2nd. From the commencement of the war in 1793, it was the practice of the Board of Admiralty to notice battles of conspicuous merit by the promotion of the First Lieutenant of the ship or ships, or the promotion of the Commander, if the action was fought by a small vessel; and, conformably with this practice, it is Her Majesty's pleasure, that persons of every rank, who were present in such actions, during the wars commencing in 1793, and ending in 1815, and now living, shall receive a medal commemorative of their meritorious services; and they are required forthwith to state their claims for each action in which they may have been engaged, according to the form (A) herewith annexed, and transmit the same to the Secretary of the Committee of Flag Officers, Admiralty, London.

3rd. Her Majesty has also been pleased to take into Her gracious consideration the many instances of gallantry displayed by Officers, seamen, and marines in boat actions during the same period, and to direct that such services, if distinguished by the promotion of the Officer conducting the enterprise, shall entitle those who were present, and now living, to a medal; provided the answers, to be given in the form (B), shall enable the Committee to ascertain that the claim is well founded. But the Officers, seamen, and marines of the ships, from which the boats were detached, are not to participate in a distinction which only properly belongs to those personally engaged.

4th. It is also ordered, that service in the frigates and smaller vessels, which were actually present in any of the

great fleet actions mentioned in the Gazette of the 4th June, 1847, for which the Captains of the ships of the line received medals, shall entitle those now surviving of the crews of such vessels to a medal.

And all surviving Officers, seamen, and marines, belonging to ships actually co-operating and present during the siege and capture of

Martinique in 1809,  
Guadeloupe in 1810,  
Java in 1811,  
St. Sebastian in 1812,

for which the Army had medals, will be entitled to a similar distinction, if their return, according to form (A), shall enable the Committee to trace the presence and co-operation of the ships to which the applicants belonged.

And 5th. Her Majesty, having taken into Her most gracious consideration the circumstance that medals have been granted by Her Majesty for services rendered by the Navy, not only in the wars commencing in 1793, and ending in 1815, but also for services rendered in the late war in China, whilst the intermediate general actions, viz.:

The attack upon Algiers in 1816,

The battle of Navarino in 1827, and

The operations on the coast of Syria in 1840,

are unmarked by any such distinction, has been pleased to direct, that the surviving Officers, seamen, and marines, engaged in those actions, shall also receive a similar mark of Her Majesty's gracious recollection of their services, and of Her desire to record the same; and all such Officers, seamen, and marines, are, therefore, hereby called upon to transmit their claims to such distinction according to the annexed form A, and addressed to the Secretary of the Committee of Flag Officers, Admiralty, London.

The following Flag Officers have been directed to re-assemble, as a committee for the investigation and adjudication of all claims sent in according to the pointed forms, viz.:

Admiral Sir T. Byam Martin, G.C.B.

Admiral Sir W. Hall Gage, G.C.H.

Admiral the Hon. Sir Thomas Bladen Capel, K.C.B.

Vice-Admiral Sir James A. Gordon, K.C.B.

By command of the Lords Commissioners  
of the Admiralty,

H. G. WARD.

## NAVAL RETIREMENTS.

### REAR-ADMIRALS AND CAPTAINS.

The plan of Retirement, published in the London Gazette of 1st Sept., 1846, provides:—

1st. That the rank of Retired Rear-Admiral shall be given, by Seniority, to such applicants from the 14s. 6d. Half-pay List as may be willing to accept it, with the pay of 1l. 5s. per diem, and the corresponding pension to their widows, under the usual restrictions.

2nd. An addition of 7s. 6d. per day to be given to applicants, by Seniority, from the 12s. 6d. and 10s. 6d. Half-pay Lists, being Captains of not less than 20 years' standing and 55 years of age. Officers from both Lists to be permitted to assume the title of Retired Rear-Admiral at the period when they would have obtained the Flag by Seniority had they remained upon the Active List. Their widows to be entitled to a pension of 110l. per annum, and to the pension of Rear-Admiral's widow when the rank of Retired Rear-Admiral has been attained.

3rd. The vacancies upon the 1l. List to be filled up, in turn of Seniority, by Officers then accepting the 18s. per diem; but no new admissions to the 1l. 5s. List to be made until it is reduced below the number of 25, which it is not to exceed afterwards. The permanent Retired List to be reduced to 100, by making one appointment for every two vacancies, the first 25 Officers upon the List receiving 1l. 7s. per diem, and the remaining 75 1l. per diem, with the right of assuming the rank of Retired Rear-Admiral when entitled to it by Seniority.

### RETIREMENT UNDER THE ORDER IN COUNCIL OF

25<sup>TH</sup> JUNE, 1851.

Her Majesty, by Her Order in Council of June 25th, 1851, having been graciously pleased to sanction certain arrangements proposed by the Board of Admiralty, with a view to the general benefit of the Naval Service, and, at the same time, the ultimate reduction of the present charge for half-pay, the Lords Commissioners of the Admiralty hereby give notice of the mode in which the arrangements in question will be carried into effect.

The number of Flag Officers will in future be reduced to 99, exclusive of Admirals of the Fleet; of these 21 to be Admirals, 27 Vice Admirals, and 51 Rear Admirals: this reduction will be effected as follows, viz.—

1st. By removing to a Reserved Half-pay List those Officers now on the Active List who have not served for their Flag, under the Order in Council of 30th June, 1827. These Officers will receive, as at present, the Half-pay of Rear Admirals, but will be allowed the same advantage of rising in rank as if they had remained on the Active List.

2nd. By awarding ten Retired Service Pensions, of 150l. each, to such Flag Officers as are either above 70 years of age, or are physically incapable of further Active Service; such Officers to be placed on the Reserved List, and the vacancies occasioned by death to be filled up from the Active List. These Pensions will not be held in addition to the Good Service Pension.

## CAPTAINS.

The number of Captains on the Active List will be reduced to a number not permanently exceeding 350, and the reduction shall be effected as follows, viz.—

1st. As vacancies occur on the Active List of Flag Officers, the Captain first in Seniority, who has served for his Flag, will be promoted; reserving, however, Her Majesty's undoubted right of selection. Those Captains who rise to their Flags, and who have not so served, will be placed on the Reserved Half-pay List, rising in rank as at present, but with the Half-pay only of Rear-Admirals.

2nd. By keeping up the Retirement of 1846 to the number of 200, to be effected by permitting Captains who are above 55 years of age, and who have been on the Captains' List for ten years, to be eligible for retirement. The Retirement will be so kept up to 200 until the List of Captains shall be reduced to 350; the Retired List then to be diminished by only retiring one in two vacancies until it shall be reduced to 100.

3rd. By observing the rule of promotion, as it is now in force, of promoting one in three vacancies, except in special and individual cases, until the number is reduced to 350.

While my Lords have recommended the abandonment of the system of brevet promotion in future, they are nevertheless desirous of meeting the claims of old officers who have served long and well, and who seek their promotion rather as a reward for past services, than in the expectation of further employment. To meet these claims equitably, and at the same time not to fill the Active List with Officers who cannot long continue fit for service, their Lordships will promote by selection 50 Commanders to the rank of Captains. These Officers will be placed on reserved Half-pay. Of these 50, 20 will be selected in the present year, and 10 in each succeeding year, until the number reaches 50, when the vacancies only will be filled up.

## COMMANDERS.

The number of Commanders on the Active List will be reduced to a number not permanently exceeding 450, and the reduction will be effected thus :—

1st. By selecting 50 Commanders to be Captains, as above specified.

2nd. By increasing to 100 the List of Commanders promoted to the rank of Retired Captain under the Order in Council of 1840, and keeping such Retirement open until the number of Commanders on the Active List is reduced to 450.

3rd. By placing on reserved half-pay all Commanders who have not served afloat, or in the Packet or Revenue Service, within 20 years, or who are physically incapable of service, and by continuing from time to time to remove such Officers from the Active List to Reserved Half-pay. Officers who may be thus placed on reserved half-pay will be allowed to retain all the advantages they now enjoy of rising in pay or rank, or of receiving the Greenwich Out-Pension.

4th. The system of promoting by brevet will be abandoned. 50 Lieutenants, however, will be promoted by selection to the rank of Commander, to be placed on reserved half-pay, in the same manner as specified in the case of Commanders promoted to be Captains.

5th. By observing the rule of promotion of one in three vacancies (except in special and individual cases), as now in force, until the number on the Active List shall be reduced to 450.

## LIEUTENANTS.

The number of Lieutenants on the Active List will be reduced to a number not permanently exceeding 1200, viz :

By the promotion of 50 Lieutenants by selection, as above stated.

2nd. By placing on the reserved Half-pay List all Lieutenants who have not served afloat, or in the Packet or Revenue Service, within 20 years, and all such as are physically unable to serve; and by removing from time to time such Officers from the Active to the Reserved Half-pay List, reserving to them, as in the case of Commanders, all the advantages they now enjoy of rising in pay or rank, or of receiving the Greenwich Out-Pension.

3rd. By keeping up the rule of promoting one officer in three vacancies (except in special and individual cases) till the number of Lieutenants on the Active List shall be reduced to 1200.

4th. No promotion of Mates to be Lieutenants will hereafter be made by brevet: but whereas in case of war, or of emergency, Her Majesty may be pleased by her Order in Council to call such officers from the Reserved List into active service, Her Majesty has been pleased to approve that such Officers as may be so employed shall be in all respects entitled to the pay and emoluments of their respective ranks on the Active List.

#### FURTHER RETIREMENT OF COMMANDERS AND LIEUTENANTS AS EXTENDED BY ORDER IN COUNCIL OF 30TH JAN., 1856.

This Order in Council provides—

1st. That the List of Captains on the Reserved List, established by Order in Council of 25th of June, 1851, be increased from 50 to 100, by selecting from the Active List of Commanders a number not exceeding 15 in the present and in each succeeding year, till the number of 100 be complete, when the vacancies only are to be filled up, by selection also from the Active List.

2nd. That the List of Retired Captains (established by Order in Council of 10th August, 1840, and increased by Order in Council of 25th June, 1851) be increased temporarily from 100 to 250, and permanently to 200. To effect this subsequent reduction, one Officer only will be promoted in two vacancies till the List be reduced to its permanent number of 200, but thenceforward one Officer will be promoted in each vacancy.

Further, as regards Lieutenants, this Order in Council provides that the Reserved List, consisting of 50 Commanders (established by Order in Council of 25th June, 1851) be increased to 100: such increase to be effected by selecting from the Active List of Lieutenants, a number not exceeding 15 in the present, and in each succeeding year, till the number of 100 be complete, when the vacancies only are to be filled up, by selection also from the Active List.

N.B.—Officers who may in future be promoted to the rank of Commander for good service in the Coast Guard, or in command of Revenue Cruizers, will be promoted to the Reserved List, except only in individual cases in which, on the special recommendation of the Comptroller General of the Coast Guard, the Lords of the Admiralty may think it desirable to retain the services of the Officer so recommended, by promoting him to the Active List. Such annual Promotions to the Reserved List will be irrespective of any vacancies on that List; but on the death of an Officer so promoted, his vacancy will not be filled up.

#### COMMANDERS RETIRED WITH THE RANK OF CAPTAIN UNDER THE ORDER IN COUNCIL OF 10TH AUG., 1840.

This List consists of 50 of the Senior Commanders on the List, who have the option of receiving the Retired Rank of Captain, with the Half-pay of 10s. 6d. per diem, being the lowest rate of Half-pay allowed to a Captain. Masters above fifty-five years of age, and under sixty, who are totally disqualified by sickness or injuries contracted in the service, and rendered incapable of further service afloat, will be allowed, at the discretion of their Lordships, to retire with the Rate of Half Pay which they may have earned, and with the Rank of Commander, provided they have completed not less than 15 years' service in the Rank of Master.
